PERSONAL: I am a married father of two. My daughter, Emily, is a graduate student at the University of North Florida working on her Master of Science in Statistics and my son, Hunter, is a sophomore at UCF in Orlando. I am self-employed, owning my business, Hoods Cleaned, Inc., since 1995.

COACHING EXPERIENCE:

In 2008, I enrolled my daughter and son to play ball with Coconut Creek Little League, which at the time ran both the baseball and softball programs for the City. I coached my son in baseball, and I have been coaching girls softball ever since.

Monarch High School
Coconut Creek, FL
Head Softball Coach
2016 – present

I have been the head softball coach at Monarch High School since 2016. During our 2018-2019 softball season, we won our District Championship and also won our Regional Quarterfinal game. Although our season was cut short in 2020, we are looking forward to getting back on the field next year.

Coconut Creek Girls Softball
Vice-President
2009 - 2014

In 2009, seeing a need for an independent girls softball league in Coconut Creek, I joined several fellow Creek residents and became one of the founding fathers of **Coconut Creek Girls Softball**. My role on the Board was originally as Coaches Coordinator and then Vice-President. Our inaugural season was in 2010, and that year, our program was recognized by the City as the official softball league of the City of Coconut Creek. By 2011, the program had doubled in size, and by 2012, we experienced another 40% increase in enrollment. The softball league continues to thrive in the City, something I am extremely proud of and am honored to have been involved in. In 2014, I stepped down from the Board after my daughter entered high school and was no longer playing recreational softball.

Boca Blazers
Assistant Travel Coach
2009

In 2009, my daughter Emily joined her first travel softball team, the 10U Boca Blazers. At the time, Coconut Creek did not offer travel softball, and this team was part of the City of Boca Raton's softball program. There were three coaches on this team when we joined, and I was initially recruited by the head

coach to help keep the scorebook. Before long, I was asked to stay in the dugout during games, and I eventually became the assistant coach and coached third base. The other coaches appreciated my help and knowledge and endorsed the head coach's decision to place me in this position.

Coconut Creek Crush Travel Softball

Vice-President

2010 - 2013

In 2010, I joined two other Coconut Creek Girls Softball Board members to form **Coconut Creek Crush Travel Programs**. Our goal was to start a softball travel program in the City for girls wishing to play on a higher competitive level. We started with one 12U travel team. The program continues to grow, and now has two 10U teams, a 12U team and a 14U team. During my 4 years coaching with Crush, we became a strong, competitive, successful team, winning many travel tournaments. Our program has produced some great softball players, many of whom are playing at Monarch now. **In fact, during my years with Crush, I coached 8 of the players that were in the starting rotation on Monarch's softball team this past season.**

The following are some highlights during my tenure as a Crush travel coach:

Crush 12U:

- June 2011:** First place win in Thunder In Sunrise, the first tournament Crush 12U ever played in.
- March 2012:** Second place finish in March Madness tournament.
- May 2012:** First Place win in Lake Lytal Memorial Day tournament. Crush 12U went undefeated in six games played that weekend.
- June 2012:** Second place finish in Boca I Heart Father's Day Classic. Crush 12U went 5-1 that weekend.
- July 2012:** USSSA World Series: Crush 12U placed 7th out of 42 teams competing from all over the country, earning a spot in the USSSA "Elite 8".

Crush 14U:

- April 2013:** First place win in April Fool's Slam Jam.
- April 2013:** First place win in Royal Rumble. Crush went undefeated in 4 games that weekend.
- May 2013:** First place win in Lake Lytal Memorial Day tournament. Crush took this tournament two years in a row, going undefeated in five games played that weekend.
- May 2013:** Second place finish in Briana Cox Memorial Day tournament.
- June 2013:** Second place finish in USSSA State Championship.
- August 2013:** Crush 14U was honored by the Commissioners of Coconut Creek for their outstanding achievements.
- Dec. 2013:** Second place finish in Snowball Classic.

I am re-applying to serve on the Coconut Creek Parks and Recreation Board

■ Experience

- I am currently on the Parks and Rec advisory board. I have gained valuable insight by attending the meetings and seeing the manner in which the future of our parks department is planned for the current and future of our residents of all ages. I have found the NRPA membership emails valuable as well. I believe I can help make a positive impact as a part of the board as the staff of the Parks Dept is open to suggestions and even encourages thoughts and ideas from us as citizens.
- I have coached Competitive Girls softball at the recreational level in Coconut Creek as well as highly competitive travel teams on the college exposure level for 10+ years. These teams played throughout the state of Florida as well as the Southeastern and the Northeastern states. During these years I saw firsthand a variety of municipal parks and fields. My experience should help with new ideas to help continue to make our city's parks the standard in our area. I would like to become more involved in the Creek Pickle Ball Community as it is one of the fastest growing racquet sports nationwide. I have recently joined the adult mixed doubles Pickleball league for Spring 2022.
- In my Leisure time, I enjoy the outdoors walking, bicycle riding, scuba diving and fishing. These activities make me appreciate how our city balances the need for parks and green space while continuing to grow and develop

Education, Skills and Employment

I earned a Bachelor Degree in Business Administration from SUNY Utica and an Associates in Business Administration from Alfred State College. In 1986, I moved to the Fort Lauderdale area where I became self employed in the retail camera and one-hour photo field. In the past 15+ years, we have adapted to the digital age where we print and custom frame not only photos but artwork as well. We also print and frame for galleries and museums, as well as printing banners for schools and municipalities. I am proficient in the use of both Mac and PC computer platforms, MS Office, Adobe Photoshop and more.

I have been married to Robbin VanHemel for 26 years and have 2 daughters, Amber (24) and Lauren (22).

Amber has recently completed her education at Massachusetts Institute of Technology, and Lauren is now completing her 4rd year at the University of Florida and applying to Law Schools to further her career in Criminology.

In closing, this resume is brief and may not be structured to normal resume standards, but this is a result of not updating a resume for decades. Additional references etc. available upon request.

I have been a resident of Coconut Creek for over eighteen years, I am a happy Wynmoor condo owner. I am 77 years old and enjoy swimming and running. I placed first in my age group at the butterfly 5K. Yes, was the only one in the age group.

That is what makes me an asset to the board. I would have ideas and suggestions for the recreation department to enhance activities for older Coconut Creek residents.

My background is a retired educator from New Jersey. I have two sons one lives New Jersey the other lives in California. Both are married and have two children.

Thank-you for considering me,
