Re: Contract Extension No. 2
Electrical Services
RFP No.12-05-18-10

Dear Mr. Terango:

The first contract period for the above referenced project expires on January 23, 2023. Under the terms and conditions of the contract, the City would like to exercise its option to extend this contract for an additional one (1) year term. This would constitute the second and last extension. If it is accepted and approved, it will begin January 24, 2023 and expire on January 23, 2024.

Please advise if a renewal of our current contract is acceptable to your company. Failure to respond will be deemed as evidence that your firm is no longer interested in requesting its option to renew this contract.

On behalf of the City of Coconut Creek, we look forward to continuing our long and successful business association with your company. Should you have any questions concerning this letter, please contact me at 954-545-6608.

Sincerely,

Ruby Reynolds
