PCD
Application

PCD History

- Hale PCD was initially approved in 1998 and amended in 2005;
- Provides for development standards related to the properties included within the Hale Plat, generally located at the southwest corner of Coconut Creek Parkway and Lyons Road.
- Permitted development includes:
 - 226,294 sq.ft of commercial use;
 - 47,000 sq.ft. of office use;
 - 7,500 sq.ft. bank;
 - 125,000 sq.ft. public high school.
- Provides permitted use list, including offices, financial institutions, convenience sales, personal services, department stores, restaurants, indoor commercial recreation, motor vehicle fuel sales and service, and hotels and motels.

Proposed PCD Amendments:

- Update background information to reflect current conditions;
- Remove permitted use list (permitted uses to be added directly to the City's Master Business Lists) and hotel use currently permitted within PCD is being removed;
- Revised levels of development:
 - ~~226,294~~ 49,000 sq.ft of commercial use;
 - 47,000 sq.ft. of office use;
 - 7,500 sq.ft. bank;
 - 125,000 sq.ft. self-storage use;
 - 125,000 sq.ft. public high school.
- Creation of separate parking rate for self-storage use (1 space / 10,000 sq.ft.);
- Addition of supplemental standards for drive-through uses (orientation away from main thoroughfares, requirement for bypass lane);
- Restate requirement to comply with Green Building Standards for new development within PCD;
- Updated analysis of Public Facilities;
- Detailed references for documents providing for Cross-Access within PCD.
