Hi Dan –

We are requesting a six month extension in order to complete the project. The revised plans have been submitted to the City, but as there has been lag time with each submittal I am not sure we will be able to finish by September 3, 2021.

Thanks,

Hello Oksana:

Thank you for the update regarding the Victoria Isles. For your records, I have attached a copy of your award letter and Resolution Approving the Neighborhood Enhancement Grant. Victoria Isles is eligible to receive up to \$7,800 in matching grant funds for the project. This award letter is valid until 9/3/21. If you are not able to complete the project by then, please make a formal written request. Once I receive the written request, I will present the request to the City Commission and they may grant a one-time 6 month extension.

Thank you
