CITY MANAGER REPORT

City Manager Brooks stated the Police Department had established an outreach program with the Fire Department where they have cookouts in neighborhoods throughout Coconut Creek to share public safety information and resources with the community. She noted the outreach program was a community event, not a political event, and commented that the first event held at Coquina was well-attended and well-received by the residents. She stated the second cookout had been scheduled for March 8 in Regency Lakes; but following a concern on the part of representatives from the Homeowners Association (HOA) and property management company regarding campaigning, the event had been canceled. She apologized and stated the City would welcome a future event for the residents of Regency Lakes. She invited any neighborhoods interested in hosting an event to reach out to the City Manager's Office.

Mayor Rydell read an email which was sent to the residents of Regency Lakes by their property management company, a copy of which is attached as Exhibit "1." He expressed disappointment with the communication and the cancelation of the event. Commissioner Tooley commented that State Representative Christine Hunschofsky had also been denied attendance at a Regency Lakes HOA meeting. Commissioner Brodie stated all members of the Commission understood that this was not a campaign event, and that was never a consideration. Discussion continued.

CITY ATTORNEY REPORT

City Attorney Pyburn stated the staff was monitoring Senate Bill 1010 and House Bill 1303, which had to do with substance abuse and mental health services, and was proposing to freeze local zoning ordinances regarding recovery residences for a period of three (3) years. She noted staff was working to have that proposed language removed as it impacted the City's recently-adopted ordinance.

COMMISSION COMMUNICATIONS

Commissioner Tooley stated she and Vice Mayor Welch had attended the Chamber of Commerce's International Women's Day event, and noted she was awed by Captain Jenna Kriplean, who was a panelist at the event, and proud she was selected. She reminded the public that the food truck event would be the following evening, and the Household Hazardous Waste Drop-off Event was scheduled for Saturday at City Hall.

Commissioner Brodie mentioned he would be participating in the basketball game with the Foundation

of Independent Living against the Police Department and encouraged residents to come support the Foundation on Friday night at the Community Center.

Commissioner Railey congratulated Captain Kriplean on her participation at the Chamber of Commerce’s International Women’s Day event and apologized for being unable to attend. She shared that she had been approached about a 9/11 Memorial and asked that staff check into options.

Vice Mayor Welch commended Sergeant Barbara Hendrickx for her participation in the Chamber of Commerce’s Diversity, Equity, and Inclusion Summit, and stated it highlighted that the City had great leaders in the Police Department who represented the City well. She stated the Butterfly Festival was the best one ever and asked that recycling bins be set along the edges of the park next year for water bottles. She asked that after the K9 event at the City-owned equestrian park, the temporary fences guarding the entrances be kept in place due to liability concerns. She discussed the ribbon cutting at Golden Krust Caribbean Restaurant and noted they had put on an extravaganza. Vice Mayor Welch indicated her interest in being nominated as Mayor when the selection of Mayor and Vice Mayor takes place at the March 23 Commission meeting. She commented on the canceled cookout and thanked City Manager Brooks for addressing the issue publicly. She stated the first event in Coquina had been a happy event, celebrating first responders, and expressed disappointment that the second event had not been received in the same way. City Manager Brooks commented that staff would continue to work toward an event in the Regency Lakes neighborhood in the future. Mayor Rydell stated that every person from Regency Lakes who had reached out to him had stated they wanted the cookout event in their community.

Mayor Rydell stated the Butterfly Festival was amazing. He sought consensus on a request to direct staff to look into ways to prioritize Coconut Creek residents at the festival. Discussion ensued regarding logistical issues associated with prioritizing residents and with management of the event itself, as well as addressing unattended minors. The Commission was supportive of staff researching options to prioritize Coconut Creek residents at the festival for further discussion as to the viability of implementing any changes. Mayor Rydell suggested that staff share with the residents the types of food trucks that would be participating in Fluffy’s Foodie Food Truck Friday event before the event. He reminded residents that there was an election on Tuesday, March 14.
