**FIRST AMENDMENT TO THE INTERLOCAL AGREEMENT BETWEEN BROWARD
COUNTY AND THE CITY OF COCONUT CREEK FOR HILLSBORO CORRIDOR
REDEVELOPMENT AREA PROJECT**

This First Amendment ("First Amendment") to the Agreement (hereinafter defined) is made and entered into by and between Broward County, a political subdivision of the State of Florida ("County") and the City of Coconut Creek, a municipal corporation existing under the laws of the State of Florida ("City") (each a "Party," collectively referred to as the "Parties").

RECITALS:

A. The Parties entered into that certain Interlocal Agreement between Broward County and the City of Coconut Creek for the Hillsboro Corridor Redevelopment Area Project, executed on May 19, 2020 ("Effective Date"), and recorded by the County on May 20, 2020, at Instrument #116512528 ("Agreement"). The Agreement provides funding for Phase I of the public improvements as part of the Hillsboro Corridor Redevelopment Area Project ("Project"), which addresses the public purposes of economic development, job creation, and removal of blighting conditions so as to have long-term positive impacts on the community by providing a decent, secure, and attractive living and working environment.

B. The Agreement was entered into pursuant to Section 163.01, Florida Statutes, also known as the "Florida Interlocal Cooperation Act of 1969."

C. Paragraph 4.2 of the Agreement provides that no County disbursement shall be made until each milestone identified in Paragraph 4.2 is achieved.

D. Paragraph 4.2(b) states that "the second milestone shall be at the completion of the Project which shall be no later than three (3) years after the Effective Date of this Agreement."

E. Paragraph 4.2(c) states that "City agrees that all County funds disbursed to City for the Project shall be returned to County if the Project is not completed and operational within three (3) years after the Effective Date of this Agreement."

F. The Agreement shall terminate on September 30, 2023.

G. On November 21, 2022, City confirmed in writing to County that the City has "made considerable progress on this project and in fact, has completed full design plans for the public improvement and has even received conceptual permit approval from the Florida Department of Transportation (FOOT), as the subject improvement is primarily located within their right of way. The improvement also encroaches into County preserves, which has been coordinated with appropriate County staff from Parks and Recreation. Unfortunately, the necessary agreements to effectuate this encroachment are still being negotiated and at this point, involve legal staff from the City and both the County and the FOOT. [City is] confident that all issues will be resolved but we are not confident on the timing."

H. The Parties agree that it is in the best interests of the Parties to extend the milestones under Paragraph 4.2 and the Agreement for an additional two (2) years and six (6) months.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree to amend the Agreement as follows (words stricken through are deletions from existing text and words underlined are additions to existing text):
