2.1 "Cone of Silence" means a prohibition on any communication regarding a particular Request for Proposals (RFP), Request for Qualifications (RFQ), Invitation for Bid (IFB), or other competitive solicitation between:

- (a) Any person who seeks an award therefrom, including a potential vendor or vendor's representative, and
- (b) The City Commission, City Attorney, City Manager, and all City employees, and any non-employees appointed to evaluate or recommend selection in such procurement process.

The Cone of Silence shall not apply to communications with the Procurement Official to obtain clarification or information concerning the subject solicitation. Any such contact with anyone other than the Procurement Official may be considered grounds for disqualification. The City shall not be responsible for oral interpretations given by any City employee or its representative. For purposes of this section, "vendor's representative" means an employee, partner, director, or officer of a potential vendor, or consultant, lobbyist, or actual or potential subcontractor or subconsultant of a vendor, or any other individual acting through or on

behalf of any person seeking an award.

2.2 The Cone of Silence shall be applicable to each RFP, RFQ, IFB, or other competitive solicitation during the solicitation and review of responses. At the time of issuance of the solicitation, the Procurement Official shall include in any advertisement and public solicitation for goods and services a statement disclosing the requirements of this section.

2.3 The Cone of Silence shall terminate at the time the City awards or approves a contract, votes to reject all bids or responses, or otherwise takes action which ends the solicitation and review process.

2.4 Nothing contained herein shall prohibit any potential vendor or vendor's representative from:

other competitive bid document number.

- 2.5 Any violation of this rule shall be investigated by the Procurement Official and the City Attorney's Office and/or the City Manager's Office and may result in any recommendation for award, or any RFP award, or IFB award to said potential vendor or vendor's representative being deemed void or voidable. The potential vendor or vendor's representative determined to have violated this rule, shall be subject to debarment. In addition, to any other penalty provided by law, violation of this rule by a City employee shall subject the employee to disciplinary action up to and including termination.

3. Bid Forms

- 3.1 Solicitations downloaded from the eBid System shall not contain any alteration to the document posted other than entering data in spaces provided or including attachments as necessary. By submission of a response, Bidder affirms that no alteration of any kind has been made to this solicitation.
- 3.2 The bid forms must be used by the Bidder. Failure to do so may cause the bid to be rejected. The forms shall be submitted in good order and all blanks must be completed.
- 3.3 The bid forms shall be signed by one duly authorized to do so and in cases where the bid is signed by a deputy or subordinate, the principal's proper written authority to such deputy or subordinate must accompany the bid.

- 4.2 **Sub-Contractors Agreement**
All work performed for the Contractor by a sub-contractor shall be pursuant to an appropriate agreement between the Contractor and the sub-contractor.

5. Qualifications of Bidders

- 5.1 Bids will only be considered from firms normally engaged in providing the types of commodities/services specified herein. The City reserves the right to inspect the Bidder's facilities, equipment, personnel, and organization at any time, or to take any other action necessary to determine Bidder's ability to perform. The Purchasing Official reserves the right to reject bids where evidence or evaluation is determined to indicate inability to perform.
- 5.2 No bid will be accepted from, nor will any contract be awarded to any person who is in arrears to the City, upon any debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to City, or who is deemed responsible or unreliable by the City.
- 5.3 As part of the bid evaluation process, City may conduct a background investigation including a record check by the Coconut Creek Police Department. Bidder's submission of a bid constitutes acknowledgment of the process and consent to such investigation. City shall be the sole judge in determining Bidder's qualifications.

6. Specifications

- 6.1 The apparent silence of the Specifications as to any detail, or the apparent omission from the Specifications of a detailed description concerning any point, shall be regarded as meaning that only material and workmanship of the finest quality are to be used. All interpretations of the Specifications shall be made on the basis of this statement.
- 6.2 For the purpose of evaluation, the Bidder must indicate any variance or exceptions to the stated Specifications no matter how slight. Deviations should be explained in detail. Absence of variations and/or corrections will be interpreted to mean that the Bidder meets all the Specifications in every respect.
- 6.3 Any manufacturers' names, trade names, brand names, information and/or catalog numbers used herein are for the purpose of describing and establishing a general standard of quality, performance and characteristics and are not intended to limit or restrict competition. The Bidder may offer any brand which meets or exceeds the Specifications for any item(s). If bids are based on equivalent products, indicate on the Bid Form the manufacturer's name and catalog number. Bidder shall submit with his bid complete and descriptive literature and/or specifications. The Bidder should also explain in detail the reason(s) why and submit proof that the proposed equivalent will meet the Specifications and not be considered an exception thereto. The determination of equivalency shall rest solely with the City. If Bidder fails to name a substitute, it will be assumed that Bidder is bidding on and will be required to furnish commodities identical to bid standards.
- 6.4 If the model number for the make specified in the bid document is incorrect, or no longer available and replaced with an updated model with

new specifications, the Bidder shall enter the correct model number on the bid form. In the case of an updated model with new specifications, Bidder shall provide adequate information to allow the City to determine if the model bid meets the City's requirements.

7. Addendum

- 7.1 If the Bidder should be in doubt as to the meaning of any of the bid documents, or is of the opinion that the plans and/or specifications contains errors, contradictions or reflect omissions, Bidder shall submit a written request directed to the Purchasing Division to be forwarded to the appropriate person or department for interpretations or clarification. Interpretations or clarifications deemed necessary by the Purchasing Division in response to such questions will be issued on official addendum.
- 7.2 The issuance of written addendum is the only official method whereby interpretation, clarification, changes or additional information can be given. If any addendum is issued, the City will attempt to notify all known prospective Bidders. Addenda to the solicitation will be posted on the eBid System. It is the Bidder's responsibility to check the eBid System or contact the Purchasing Official prior to the bid submittal deadline to ensure that the Bidder has a complete, up-to-date package.

8. Prices Bid

- 8.1 Prices shall be shown in both unit amounts and extensions whenever applicable. In the event of discrepancies existing between unit amounts and extension or totals, unit amounts shall govern.
- 8.2 Discrepancies in the multiplication of units of work and unit prices will be resolved in favor of the unit prices. Discrepancies between the indicated sum of any column of figures and the correct sum thereof will be resolved in favor of the correct sum.

- 8.3 All applicable discounts shall be included in the bid price for materials and services and will be considered as determining factors in recommending an award in case of tie bids. Discounts extended to City shall include but not be limited to those discounts normally extended to governmental agencies as well as the private sector.
- 8.4 Chain discounts are not acceptable and will not be considered in determining an award. Bidders may bid only one (1) discount for each item on the bid form. Firm discounts and prices are to be quoted for the term of the contract.
- 8.5 Bidder warrants by virtue of bidding that prices, terms and conditions in the bid will be firm for acceptance for a period of ninety (90) calendar days from the date of bid opening unless otherwise stated by the City.
- 8.6 The bid price shall include all permit fees, royalties, license fees and other costs arising from the use of such design, device or materials in any way involved in the work as well as all costs of packaging, transporting and delivery to the designated location within the City of Coconut Creek.
- 8.7 All prices quoted shall be F.O.B. destination, freight prepaid (Bidder pays and bears freight charges, Bidder own goods in transit and files any claims), unless otherwise stated in Special Conditions.

9. Examination of Bid Documents

- 9.1 Before submitting a bid, each Bidder must (a) examine the bid documents thoroughly; (b) consider federal, state, county, and local laws, ordinances, rules and regulations that may in any manner affect cost, progress, performance, or provision of the commodities and/or services; (c) study and carefully correlate Bidder's observations with the bid documents, and (d) notify the Purchasing Division of all conflicts, errors, and discrepancies in the bid

documents. Failure to familiarize himself/herself with applicable laws will in no way relieve him/her from responsibility.

- 9.2 The submission of a bid will constitute an incontrovertible representation by Bidder that Bidder has complied with every requirement of the bid document, that without exception, the bid is premised upon performing the services and/or furnishing the commodities and materials and such means, methods, techniques, sequences or procedures as may be indicated in or required by the bid documents, and that the bid documents are sufficient in scope and detail to indicate and convey understanding of all terms and conditions of performance and furnishing of the goods and/or services.

10. Modification and Withdrawal of Bids

- 10.1 Proposals may be modified or withdrawn **prior** to the due date for submitting electronic proposals. Proposals may be retracted from the eBid System. Retracting a response allows the Bidder to change all or part of the response that was previously submitted. Retracting a response **does** not delete the response currently entered; however, by retracting your response, it is no longer submitted. You must click "Submit Response" on the Response Submission Tab for your retracted bid to be submitted again.
- 10.2 Withdrawal of a proposal will not prejudice the rights of a Bidder to submit a new proposal prior to the proposal opening date and time. No proposal may be withdrawn or modified after the date of proposal opening has passed.
- 10.3 If within twenty-four (24) hours after proposals are opened, and Bidder files a duly signed, written notice with the Purchasing Office, and within five (5) calendar days thereafter demonstrates to the reasonable satisfaction of City, by clear and convincing evidence, that there was a

material and substantial mistake in the preparation of its proposal, or that the mistake is clearly evident on the face of the proposal, but the intended correct proposal is not similarly evident, Bidder may withdraw its proposal and any bid security will be returned, if applicable.

11. Submission and Receipt of Bids

To receive consideration, bids must be received prior to the due date and time. Unless otherwise specified, Bidders should use the bid forms provided in the bid document. Any erasures or corrections on the bid must be initialed by Bidder. All information submitted by the Bidder shall be printed, typewritten or filled in with pen and ink before electronic submission. Bids shall be signed in ink. When a particular IFB or RFP requires physical copies of bids or proposals they may be included in a single envelope or package properly sealed and identified. Bids will be electronically unsealed in the presence of Bidders, the public, and City staff. Bidders and the public are invited and encouraged to attend bid openings, but are not required. Bids will be tabulated and made available on the eBid System for review by Bidders and the public in accordance with applicable regulations.

12. Acceptance or Rejection of Bids

12.1 Bidder warrants, by virtue of bidding, his bid and the prices quoted in his bid will be firm for acceptance by the City for a period of ninety (90) calendar days from the date of bid opening, unless otherwise stated in the bid document. However, any bid may be electronically retracted up until the time set for bid opening. Any bids not so electronically retracted shall upon opening, constitute an irrevocable offer for goods and services until accepted by City Commission Award.

12.2 A Bidder may not withdraw his bid before the expiration of ninety (90) calendar days from the date of bid opening. A Bidder may withdraw his bid after the expiration of ninety (90) calendar days from the date of bid opening by delivering written notice of withdrawal to the Purchasing Official prior to award of contract by the City of Coconut Creek.

12.3 The City reserves the right to reject the bid of any Bidder if the City believes that it would not be in the best interest of the City to make an award to that Bidder, whether because the bid is not responsive or the Bidder is unqualified or fails to meet any other pertinent standard or criteria established by the City.

12.4 The City of Coconut Creek reserves the right to waive formalities in any bid and further reserves the right to take any other action that may be necessary in the best interest of the City. The City further reserves the right to reject any or all bids, with or without cause, to waive technical errors and informalities or to accept the bid which in its judgment, best serves the City of Coconut Creek.

13. Opening of Bids

Responses will be electronically unsealed and publicly read aloud on the date, time, and location specified in the bid document. A tabulation will be made available on the eBid System in accordance with applicable regulations.

14. Award of Contract

14.1 If the contract is to be awarded, it will be awarded to the most responsible and responsive Bidder for the base bid whose evaluation by City indicates to City that the award will be in the best interests of the City and not necessarily to the lowest Bidder.

14.2 Criteria utilized by City for determining the most responsive Bidder includes, but is not limited to the following:

- (a) Ability of Bidder to meet published specifications.
- (b) Bidder's experience and references including, but not limited to, the reputation, integrity, character, efficiency, experience, skill, ability, and business judgment of the Bidder, the quality of performance of Bidder under previous contracts, any subcontractors

and other persons providing labor or materials to Bidder.

- (c) Bidder's qualifications and capabilities, including but not limited to, the size, financial history, strength and stability of the business to perform the work of the contract, the possession of necessary facilities and equipment and the quality, availability and adaptability thereof to the particular use(s) required.
- (d) Whether Bidder can perform the contract promptly or with the time specified without delay or interference.
- (e) Previous and existing compliance by Bidder with laws, ordinances, and regulations relating to the commodities or services.
- (f) Price.

14.3 If applicable, the Bidder to whom award is made shall execute a written contract prior to award by the City Commission. If the Bidder to whom the first award is made fails to enter into a contract as herein provided, the contract may be let to the next ranked Bidder who is responsible and responsive in the opinion of the City.

15. Contractual Agreement

The terms, conditions, and provisions in the bid document shall be included and incorporated in the final contract. The order of precedence will be bid document and response, contract, and general law. Any and all legal action necessary to enforce a contract will be interpreted according to the laws of Florida.

16. Insurance

16.1 If the Contractor is required to go on to City property to perform work or services as a result of contract award, the Contractor shall assume full responsibility and expense to obtain all necessary insurance as required by City or specified in the Special Terms and Conditions.

16.2 The Contractor shall provide the Purchasing Division original certificates of coverage prior to engaging in any activities under this contract. The Contractor's insurance is subject to the approval of the City's Risk Manager. The certificates must list the City as ADDITIONAL INSURED and shall have no less than thirty (30) days written notice of cancellation or material change. Further modification of the insurance requirements may be made at the sole discretion of the City's Risk Manager if circumstances change or adequate protection of the City is not presented. Bidder, by submitting his bid, agrees to abide by such modifications.

17. Taxes

The City of Coconut Creek is exempt from all Federal Excise and Florida Sales Taxes on direct purchase of tangible property. An exemption certificate will be provided where applicable upon request. Contractors doing business with the City shall not be exempted from paying sales tax to their suppliers for materials to fulfill contractual obligations with the City, nor shall a Contractor be authorized to use the City's Tax Exemption Number in securing such materials.

18. Estimated Quantities/Warranties of Usage

No warranty is given or implied by the City as to any components listed in the bid document and are considered to be estimates for the purpose of information only. The City reserves the right to accept all or any part of the bid and to increase or decrease quantities of Bidder's bid to meet additional or reduced requirements of the City.

19. Samples and Demonstrations

Samples or inspection of product may be requested to determine suitability. Unless otherwise specified in the Special Terms and Conditions, samples shall be requested after the date of bid opening, and if requested should be received by the City within seven (7) working days of request. Samples, when requested, must be furnished free of expense to the City and if not used in testing or destroyed, will upon request of the Bidder, be returned within thirty (30) days of bid award at Bidder's expense. When required, the City may request full demonstrations of units prior to award. When such demonstrations are

requested, the Bidder shall respond promptly and arrange a demonstration at a convenient location. Failure to provide samples or demonstrations as specified by the City may result in rejection of a bid.

20. Delivery

Time will be of the essence for any orders placed as a result of this bid document. The City reserves the right to cancel any orders, or part thereof, without obligation if delivery is not made in accordance with the schedule specified by the Bidder and accepted by the City.

21. Verbal Instructions Procedure

No negotiations, decisions, or actions shall be initiated or executed by the Contractor as a result of any discussions with any member of the City Commission or its Staff, all other City employees, and any non-employee appointed to evaluate or recommend selection in the procurement process. Only those communications which are assigned by a person designated as authorized to bind the Contractor, will be recognized by the City as duly authorized expressions on behalf of Contractors.

22. References

As part of the bid evaluation process, the City may conduct an investigation of references, including a record check and/or consumer affairs complaints. Bidder's submission of a bid constitutes acknowledgment of the process and consent to investigate. The City is the sole judge in determining Bidders qualifications.

23. Costs Incurred by Bidders

All expenses involved with the preparation/and or presentation and submission of bids to the City, or any work performed in connection therewith, shall be the sole responsibility of the Bidder(s) and shall not be reimbursed by the City.

24. Permits, Fees and Notices (If Applicable)

24.1 The Contractor shall at his own expense obtain all necessary permits, pay all licenses, fees and taxes, required to comply with all local ordinances, county, state and federal laws, rules and regulation applicable to business to be carried on under the contract.

24.2 All City of Coconut Creek review fees, application fees, permit fees or inspection fees are waived as per Ordinance No. 139-94. All county, state or federal fees and permits shall be applied for and paid by the Bidder as necessary. Bidder must provide City with copy(s) of valid licensing by county/city agency for this type of work.

24.3 It is the Bidder's responsibility to have and maintain appropriate Certificate(s) of Competency and submit state registration (if required) for the work to be performed and valid for the jurisdiction in which the work is to be performed for all persons (including subcontractors) working on the project for whom a Certificate of Competency is required.

25. Penalties for Misrepresentation

Any material misrepresentation in the Bidder's response could result in termination of the Agreement, or any other appropriate administrative sanctions and/or legal actions.

26. Restriction on Disclosure and Use of Data

All proposals received by the City will become the sole property of the City. Confidential financial information obtained by the City from a Bidder is exempt from public disclosure to the extent allowed by law.

27. Exceptions to the Bid

Bidders must clearly indicate any exceptions they wish to take to any of the terms in this bid, and outline what alternative is being offered. The City, at its sole and absolute discretion, may accept or reject the exceptions. In cases in which exceptions are rejected, the City may require the Bidder to furnish the services or goods originally described, or negotiate an alternative acceptable to the City.

28. Cancellation for Unappropriated Funds

The obligation of the City for payment to a Contractor is limited to the availability of funds appropriated in a current fiscal period, and continuation of the contract into a subsequent fiscal period is subject to appropriation of funds, unless otherwise authorized by law.

29. Independent Contractor

The Contractor is an independent Contractor under this Agreement. Personal services provided by the Bidder shall be by employees

of the Contractor and subject to supervision by the Contractor, and not as officers, employees, or agents of the City. Personnel policies, tax responsibilities, social security, health insurance, employee benefits, procurement policies unless otherwise stated in the bid document, and other similar administrative procedures applicable to services rendered under this contract shall be those of the Contractor.

Contract(s) may be awarded on the basis of initial offers received, without discussion. Therefore, each initial offer should contain the Proposer's best terms from a monetary and technical standpoint. Pursuant to Paragraph 5(b) of Section 287.055, Florida Statutes, the City, at its sole discretion, reserves the right to enter into contract negotiations with the number one ranked, responsive, responsible Proposer. If the City and said Proposer cannot negotiate a Successful Contract, the City may terminate said negotiations and begin negotiations with the number two ranked, responsive, responsible Proposer. This process will continue until a contract acceptable to the City has been executed or all proposals are rejected. No Proposer shall have any rights against the City arising from such negotiations or termination thereof.

16. Award of Contract

16.1 Responses will be electronically unsealed in a public forum and read aloud. A Selection Committee will evaluate the proposals based on the criteria stated herein. The City is the sole judge in evaluation considerations. It is the City's intent to award the contract to one (1) Proposer; however, the City reserves the right to award in any fashion, in its sole determination, if the City deems it is in its best interest.

16.2 The Contract will be awarded only to a responsible and responsive Proposer(s) licensed and qualified by experience to do the work specified. The Proposer shall submit, prior to award of Contract, satisfactory evidence of his experience in like work and that he is fully prepared with the necessary organization, capital, and equipment to complete the scope of

work. Proposer shall be insured, licensed, and certified by all applicable local, county, and state agencies.

- 16.3 All Proposers will be notified in writing when the City Commission makes an award. The Contract award, if any, shall be made to the Proposer whose proposal shall be deemed by the City Commission to be in the best interest of the City. The City Commission's decision of whether to make the award is in the best interest of the City and shall be final.
- 16.4 The Proposer warrants to the City that it is not insolvent, it is not in bankruptcy proceedings or receivership, nor is it engaged in or threatened with any litigation, arbitration or other legal or administrative proceedings or investigations of any kind which would have an adverse effect on its ability to perform its obligations under the Contract.
- 16.5 This signed proposal is considered an offer on the part of the Proposer, which offer shall be considered accepted upon approval by the City Commission of Coconut Creek. Within ten (10) days after receiving Notice of Award, the Successful Proposer shall submit a revised Certificate of Insurance naming the City of Coconut Creek as additional insured for all liability policies for approval by the City's Risk Manager.

17. Contract Term

- 17.1 The initial contract period shall be for three (3) years. The City reserves the right to extend the contract for three (3) additional one (1) year periods, providing both parties agree to the extension; all the terms, conditions and specifications remain the same; and such extension is approved by the City. Successful Proposer shall give written notice to the City not less than ninety (90) days prior to renewal date of any adjustment in the initial Contract amount. Contract renewal shall be based on satisfactory performance, mutual acceptance, and determination that the Contract is in the best interest of the City.
- 17.2 In the event services are scheduled to end because of the expiration of this contract, the Proposer shall continue the service upon the request of the Contract Administrator. The extension period shall not extend for more than ninety (90) days beyond the expiration date of the existing contract. The Proposer shall be compensated for the service at the rate(s) in effect when the City invokes this extension clause.

Since most of the vending machine sales are from City Employees, the City will not require a commission on sales in order to keep costs lower.

19. Cost Adjustments

- 19.1 Costs for all products proposed under this contract shall remain firm for the initial contract period. Costs for subsequent years and any extension term years shall be subject to an adjustment only if increases occur in the industry. However, unless very unusual and significant changes have occurred in the industry, such increases shall not exceed five

percent (5%) per year or, whichever is less, the latest yearly percentage increase in the All Urban Consumers Price Index (CPI-U) (All Items), for the Miami-Ft. Lauderdale, FL area, as published by the Bureau of Labor Statistics, U.S. Department of Labor. The yearly increase or decrease in the CPI shall be the latest index published and available ninety (90) days prior to the end of the contract year then in effect compared to the index for the same month one (1) year prior. Any requested price increase shall be fully documented and submitted to the City at least ninety (90) days prior to the contract anniversary date. Any approved cost adjustments shall become effective upon the anniversary date of the contract. In the event the CPI or industry costs decline, the City shall have the right to receive from the Proposer a reasonable reduction in costs that reflect such cost changes in the industry.

- 19.2 The City may, after examination, refuse to accept the adjusted costs if they are not properly documented, increases are considered to be excessive, or any decreases are considered to be insufficient. In the event the City does not wish to accept the adjusted prices and the matter cannot be resolved to the satisfaction of the City, the contract can be cancelled by the City upon giving thirty (30) days written notice to the Proposer.

VISA PURCHASING CARD:

The City of Coconut Creek has implemented a Visa Procurement Card (P-Card) Program through SunTrust Bank. The City's preference is to pay for goods/services with the P-Card. This program allows the City to expedite payment to our vendors. Some of the benefits of the P-Card Program to the vendor are: payment received within 72 hours of receipt and acceptance of goods, reduced paperwork, issue receipts instead of generating invoices, resulting in fewer invoice problems, deal directly with the cardholder (in most cases).

Vendors accepting payment by the P-Card may not require the City (Cardholder) to pay a separate or additional convenience fee, surcharge or any part of any contemporaneous finance charge in connection with a transaction. Such charges are allowable, however must be included in the total cost of their response. Vendors are not to add notations such as "+3% service fee" in their response. All responses shall be inclusive of any and all fees associated with the acceptance of the P-Card.

Vendors agreeing to accept payment by P-Card must presently have the capability to accept Visa or take whatever steps necessary to implement the ability before the start of the agreement term.

Purchasing Card Acceptance

Why You Should Accept City of Coconut Creek's Purchasing Card

The Challenge

To optimize working capital, buying organizations are requesting that their suppliers accept purchasing cards for payment. By replacing their paper-based accounts payable process with an electronic purchasing card solution, buyers reduce their overall payables cost and suppliers reduce their collection expenses. As a supplier you will be able to accept credit card payments while minimizing your acceptance costs.

The Solution

We would like for you to begin accepting the SunTrust Purchasing Card. Payments made with a purchasing card provide faster receipt of funds, as they are deposited electronically to your checking account. We have partnered with SunTrust to negotiate preferred product and pricing solutions that fit the needs of Business-to-Business (B2B) purchasing card acceptance.

Here's How It Works

SunTrust will provide a computer-based solution that allows you to get the best effective rate for B2B card acceptance. A computer-based application is necessary to authorize and settle transactions at the best available interchange rate, as typical point-of-sale terminals do not have the capability to send the additional required enhanced data with the purchasing card transactions.

What's In It For You

With our B2B solution you will receive payments quicker than through the manual paper-based process. You can also:

- Achieve cost reductions in mail handling, depositing payments and collection
- Have your funds deposited electronically
- Receive payments faster and improved cash flow
- Gain greater visibility to manage cash flow through online reporting
- Increase accounting efficiency
- Receive competitive processing rates and fees
- Eliminate returned or lost checks processing and related expenses
- Experience reduced potential for fraud than with check payments
- Decrease days sales outstanding

INDEMNIFICATION CLAUSE

(Page 1 of 1)

The parties agree that one percent (1%) of the total compensation paid to Vendor for the work of the contract shall constitute specific consideration to Vendor for the indemnification to be provided under the Contract. In any and all claims against the City, or any of their agents or employees by any employee of the Vendor, any subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the indemnification obligation under this Paragraph shall not be limited in any way by any limitation on this amount or type of damages compensation or benefits payable by or for the Vendor or any subcontractor under Workers' Compensation Acts, Disability Benefit Acts or other Employee Benefit Acts.
