Block 1 Site Plan

Staff Recommendation:

City staff finds, subject to the conditions of approval, that the site plan application complies with the MainStreet at Coconut Creek PMDD, the City's Land Development Code, and the MainStreet Design Standards, and is consistent with the applicable goals, objectives, and policies of the City's Comprehensive Plan. City staff also finds that the site plan application, subject to the conditions of approval, complies with the site plan review requirements in Section 13-548 of the City of Coconut Creek Land Development Code and recommends approval subject to these conditions:

Plat

Staff Recommendation:

City staff has reviewed the application and finds the proposed plat application, based on the above overview and explanation, to be in compliance with Section 13-166 of the City of Coconut Creek Land Development Code, and is recommending approval as proposed subject to the conditions of approval:
