PMDD REZONING JUSTIFICATION STATEMENT

Please fill out the following in COMPLETE DETAIL, a restatement does not satisfy code requirements

ZONING MAP AMENDMENTS (Section 13-36)	
1.	Is not contrary to the Comprehensive Plan. The current use is automotive sales and service.
2.	Will not create an isolated zoning district, which would be unrelated and incompatible with adjacent districts. There are multiple automotive sales and service facilities in this area.
3.	Will not substantially impact public facilities such as schools, utilities and streets. The current use is automotive sale and service. Only minor impacts to utilities and streets.
4.	Will be justified by external land use conditions. The current use is automotive sales and service.
5.	Will not create or excessively increase automobile and vehicular traffic congestion. The current use is automotive sale and service. Only minor impacts to local traffic.
6.	Will not create a storm drainage problem for other properties. We have matched the existing pervious to impervious ratio.
7.	Will not adversely affect surrounding living conditions. This is a commercial district and will not affect surrounding living conditions.
8.	Will not adversely affect environmental quality. The existing site is fully developed and this development will not affect the environmental quality.
9.	Will not adversely affect other property values. This development will increase other property values.
10.	Will not be a deterrent to improvement or development of other property. This development will not effect the development of other property.
11.	Will not constitute a special privilege to an individual owner. There are multiple automotive sales and service facilities in this area.
