PERSONAL:

I am a married father of two and have been a resident of Coconut Creek since 2003. My daughter completed her college education after obtaining her Master of Science in Statistics and my son is a senior at UCF in Orlando.

COACHING EXPERIENCE:

In 2008, I enrolled my daughter and son to play ball with Coconut Creek Little League, which at the time ran both the baseball and softball programs for the City. I coached my son in baseball, and coached girls softball from 2008 through 2023, when I decided to stop coaching to make time for other things. Although I'm no longer coaching, I'm still involved in softball and baseball, occasionally giving batting and pitching lessons to young players.

Monarch High School Coconut Creek, FL Head Softball Coach 2016 – 2023

I was the head softball coach at Monarch High School from 2016 through 2023. During our 2018-2019 softball season, we won our District Championship and also won our Regional Quarterfinal game. We were District Champion runner-ups during our 2021-2022 season. During my tenure at Monarch, our team accomplished many firsts, including first-ever wins against St. Thomas Aquinas and Coral Springs Charter.

Coconut Creek Girls Softball Vice-President 2009 - 2014

In 2009, seeing a need for an independent girls softball league in Coconut Creek, I joined several fellow Creek residents and became one of the founding fathers of **Coconut Creek Girls Softball**. My role on the Board was originally as Coaches Coordinator and then Vice-President. Our inaugural season was in 2010, and that year, our program was recognized by the City as the official softball league of the City of Coconut Creek. By 2011, the program had doubled in size, and by 2012, we experienced another 40% increase in enrollment. The softball league continues in the City, something I am extremely proud of and am honored to have been involved in. In 2014, I stepped down from the Board after my daughter entered high school and was no longer playing recreational softball.

Coconut Creek Crush Travel Softball
Vice-President
2010 - 2013

In 2010, I joined two other Coconut Creek Girls Softball Board members to form **Coconut Creek Crush Travel Programs**. Our goal was to start a softball travel program in the City for girls wishing to play on a higher competitive level. We started with one 12U travel team. The program grew, with multiple travel teams playing in the 10U, 12U and 14U age groups. During my four years coaching with Crush, we became a strong, competitive, successful team, winning many travel tournaments. Our program produced some great softball players, many of whom went on to play college ball.

The following are some highlights during my tenure as a Crush travel coach:

Crush 12U:

- June 2011:** First place win in Thunder In Sunrise, the first tournament Crush 12U ever played in.
- March 2012:** Second place finish in March Madness tournament.
- May 2012:** First Place win in Lake Lytal Memorial Day tournament. Crush 12U went undefeated in six games played that weekend.
- June 2012:** Second place finish in Boca I Heart Father's Day Classic. Crush 12U went 5-1 that weekend.
- July 2012:** USSSA World Series: Crush 12U placed 7th out of 42 teams competing from all over the country, earning a spot in the USSSA "Elite 8".

Crush 14U:

- April 2013:** First place win in April Fool's Slam Jam.
- April 2013:** First place win in Royal Rumble. Crush went undefeated in 4 games that weekend.
- May 2013:** First place win in Lake Lytal Memorial Day tournament. Crush took this tournament two years in a row, going undefeated in five games played that weekend.
- May 2013:** Second place finish in Briana Cox Memorial Day tournament.
- June 2013:** Second place finish in USSSA State Championship.
- August 2013:** Crush 14U was honored by the Commissioners of Coconut Creek for their outstanding achievements.
- Dec. 2013:** Second place finish in Snowball Classic.

Boca Blazers
Assistant Travel Coach
2009

In 2009, my daughter Emily joined her first travel softball team, the 10U Boca Blazers. At the time, Coconut Creek did not offer travel softball, and this team was part of the City of Boca Raton's softball program. There were three coaches on this team when we joined, and I was initially recruited by the head coach to help keep the scorebook. Before long, I was asked to stay in the dugout during games, and I eventually became the assistant coach and coached third base.

Statement of Interest – Parks and Recreation Advisory Board

Dear City Commissioners,

I am excited to apply for a position on the Coconut Creek Parks and Recreation Advisory Board. As a resident of Coconut Creek for the past four years and a longtime visitor to its parks and events for nearly a decade, I have developed a deep appreciation for the city's commitment to maintaining vibrant, accessible, and well-preserved recreational spaces for the community.

With a degree in Tourism Management, an Executive Certificate in Hospitality and Tourism Management, and experience in destination branding, marketing communications and event management, I have successfully developed strategies to increase public awareness and programs that enhance visitor experiences. My background in tourism, combined with my participation in the city's Citizen's Academy, has given me valuable insight into municipal planning and community development. I am eager to apply my expertise to support Coconut Creek's long-term recreational goals.

Beyond my professional experience, I have a strong personal investment in our parks and green spaces. I have actively participated in park cleanup initiatives, and I am passionate about preserving our natural areas for future generations to enjoy. I am particularly excited to see the city's first ADA-compliant playground come to life at the Recreation Complex, reflecting Coconut Creek's dedication to inclusivity and accessibility.

Serving on this board would be an opportunity to give back to a city that I love and contribute to making Coconut Creek an even more enjoyable place to live. I look forward to the possibility of working alongside fellow community members to enhance our parks, recreational programs, and green spaces.

Thank you for your time and consideration. I look forward to supporting the board's mission.

Sincerely,
Olga J. Pietzsch Murphy

I am re-applying to serve on the Coconut Creek Parks and Recreation Board

■ Experience

- I am currently on the Parks and Rec advisory board. I have gained valuable insight by attending the meetings and seeing the manner in which the future of our parks department is planned for the current and future of our residents of all ages. I have found the NRPA membership emails valuable as well. I believe I can continue to help make a positive impact as a part of the board as the staff of the Parks Dept. is open to suggestions and encourages thoughts and ideas from us as citizens and board members.
- I have coached Competitive Girls softball at the recreational level in Coconut Creek as well as highly competitive travel teams on the college exposure level for 10+ years. These teams played throughout the state of Florida as well as the Southeastern and the Northeastern states. During these years I saw firsthand a variety of municipal parks and fields. My experience should help with new ideas to help continue to make our city's parks the standard in our area. I would like to become more involved in the Creek Pickle Ball Community as it is one of the fastest growing racquet sports nationwide. My wife and I have also played in the Coconut Creek Pickleball leagues. As the game has progressed, I have played on a variety of courts both public and private and I willingly share insights as Coconut Creek expands its' awareness in keeping up with the needs of the community
- In my Leisure time, I also enjoy the outdoors- walking, bicycle riding, scuba diving and fishing. These activities make me appreciate how our city balances the need for parks and green space while continuing to grow and develop while maintaining small-town charm

Education, Skills and Employment

I earned a Bachelor Degree in Business Administration from SUNY Utica and an Associates in Business Administration from Alfred State College. In 1986, I moved to the Fort Lauderdale area where I became self employed in the retail camera and one-hour photo field. In the past 15+ years, we have adapted to the digital age where we print and custom frame not only photos but artwork as well. We also print and frame for galleries and museums, as well as printing banners for schools and municipalities. I am proficient in the use of both Mac and PC computer platforms, MS Office, Adobe Photoshop and more.

I have been married to Robbin VanHemel for 28 years and have 2 daughters, Amber (26) and Lauren (24).

Amber has recently completed her Masters Degree at Massachusetts Institute of Technology, and Lauren is currently studying law at University of Florida.

In closing, this resume is brief and may not be structured to normal resume standards, but this is a result of not updating a resume for decades. Additional references etc. available upon request.
