- c) Contractor shall provide the City with seventy-two (72) hours written notice prior to the beginning of work under this Agreement and prior to any schedule change with the exception of changes caused by inclement weather.
- d) Contractor shall comply with any and all Federal, State, and local laws and regulations now in effect, or hereinafter enacted during the term of this Agreement,

which are applicable to the Contractor, its employees, agents or subcontractors, if any, with respect to the work and services described herein.

Contractor shall be responsible for payment of all deductibles and self-insurance retentions on Contractor's Liability Insurance policies.

**4) Time of Commencement**

The work to be performed under this Agreement shall be commenced after City execution of the Agreement and not later than ten (10) calendar days after the date that Contractor receives the City's Notice to Proceed, subject to any permitted extensions of time under the Contract Documents. Final completion shall be two hundred ten (210) calendar days from date of Notice to Proceed. For the purposes of this Agreement, completion shall mean the issuance of final payment.

During the pre-construction portion of the work, the parties agree to work diligently and in good faith in performing their obligations so that all required permits for the construction portion of the work may be obtained by the City in accordance with the Schedule included in the Contract Documents. In the event that any delays in the pre-construction or construction portion of the work occur, despite the diligent efforts of the parties and such delays are the result of force majeure or are otherwise outside of the control of either party, then the parties shall agree on an equitable extension of the time for substantial completion and any resulting increase in general condition costs.

**5) Contract Sum**

The City shall pay the Contractor in current funds for the performance of the work, subject to additions and deductions by Change Order as provided in the Contract Documents, the Contract Sum, inclusive of 10% contingency, of THREE HUNDRED AND NINETY-SIX THOUSAND, FIVE HUNDRED AND TWENTY-THREE Dollars and SIXTY cents (\$396,523.60).

**6) Payments**

invoiced. A retainage of five percent (5%) will be deducted from the monthly payment. Retainage monies will be released upon satisfactory completion and final inspection of the project.

**7) City's Contingency Allowance**

City reserves the right to utilize a ten (10) percent contingency allowance for unforeseen conditions, City-directed modifications and approved increases to Contractor's scope of work. The percentage shall be based upon the aforementioned Contract Sum. Payment under this allowance shall only be made for contingency change orders approved in writing by the City. Payment under this allowance shall be limited to the actual cost plus 5% profit for sub-contractor and 5% profit for General Contractor.

**8) Remedies**

**Damages**

The City reserves the right to recover any ascertainable actual damages incurred as a result of the failure of the Contractor to perform in accordance with the requirements of this Agreement, or for losses sustained by the City resultant from the Contractor's failure to perform in accordance with the requirements of this Agreement.

**Correction of Work**

If, in the judgment of the City, work provided by the Contractor does not conform to the requirements of this Agreement, or if the work exhibits poor workmanship, the City reserves the right to require that the Contractor correct all deficiencies in the work to bring the work into conformance without additional cost to the City, and / or replace any personnel who fail to perform in accordance with the requirements of this Agreement. The City shall be the sole judge of non-conformance and the quality of workmanship.

**9) Waiver of Liens**

Prior to final payment of the Contract Sum, a final waiver of lien shall be submitted by all suppliers, subcontractors, and/or Contractors who worked on the project that is the subject of this Agreement.

**10) Warranties**

**Warranty of Title**

Contractor warrants to the City that all goods and materials furnished under the contract will be new unless otherwise specified and that Contractor possesses good, clear, and marketable title to said goods and there are no pending liens, claims, or encumbrances whatsoever against said goods. All work not conforming to these requirements, including substitutions not properly approved and authorized may be considered defective.

**Warranty of Specifications**

Contractor warrants that all goods, materials and workmanship furnished, whether furnished by the Contractor or its subcontractors and suppliers, will comply with the specifications, drawings and other descriptions supplied or adopted.

**Warranty of Merchantability**

Contractor warrants all material and workmanship for a minimum of one (1) year from date of project completion and acceptance by the City. If within one (1) year after acceptance

by the City, or within such larger period of time as may be prescribed by law any of the work is found to be defective or not in accordance with the contract documents, the Contractor shall after receipt of a written notice from the City to do so, promptly correct the work unless the City has previously given the Contractor a written acceptance of such condition.

**11) Indemnification**

The Contractor shall indemnify and hold harmless the City, its elected and appointed officials, employees, and agents from any and all claims, suits, actions, damages, liability, and expenses (including attorneys' fees) in connection with loss of life, bodily or personal injury, or property damage, including loss of use thereof, directly or indirectly caused by, resulting from, arising out of or occurring in connection with the operations of the Contractor or its officers, employees, agents, subcontractors, or independent Contractors, excepting only such loss of life, bodily or personal injury, or property damage solely attributable to the gross negligence or willful misconduct of the City or its elected or appointed officials and employees. The above provisions shall survive the termination or expiration of this Agreement and shall pertain to any occurrence during the term of this Agreement, even though the claim may be made after the termination or expiration hereof.

Nothing contained herein is intended nor shall be construed to waive City's rights and immunities under the common law or Florida Statutes 768.28, as amended from time to time.

a) Definitions:

"Contractor" means a person or entity that has entered or is attempting to enter into a contract with a public employer to provide labor, supplies, or services to such employer in exchange for salary, wages, or other remuneration.

2. All persons (including subvendors/subconsultants/subcontractors) assigned by Vendor/Consultant/Contractor to perform work pursuant to the contract with the Department. Any challenge to termination under this provision must be filed in the Circuit Court no later than 20 calendar days after the date of termination. If this contract is terminated for a violation of the statute by the Contractor, the Contractor may not be awarded a public contract for a period of 1 year after the date of termination.
