

Section 709. - Receipt of Return—Certificates of Election.

The results of voting at each polling place, when ascertained, must be certified by the County Supervisor of Elections to the City Clerk, who will transmit such return to the City Commission at the first regular meeting following receipt of the certified election results or at a special meeting called for such purpose. At such meeting the City Commission will receive the return, and the result as shown by such return will be entered into the minutes of the meeting. Members of the City Commission will continue to hold their offices and discharge the duties thereof until their successors are elected, as certified by the County Supervisor of Elections to the City Clerk, and duly sworn-in.
