The Environmental Advisory Board is comprised of five regular members and one alternate member who serve a one-year term. The members are appointed by the City Commission and given the responsibility of promoting environmental awareness and activities, acting as an educational liaison to the community for environmental matters that are important to the City. They will review and provide advisory comments for special projects, programs, legislation, and environmental awareness and improvement opportunities and continuously promote and support National Wildlife Federation certifications throughout the City.

To the extent practicable, board appointments shall be based on the applicant's experience with representing environmental interests, specialties, and qualifications in the fields of Architecture, Biology, Climate change, Education, Engineering, Environmental science, Forestry, Gardening, Geology, Horticulture, Law, Sustainability, Urban planning, or Waste disposal. Preference will be given to applicants who have completed Coconut Creek Citizen's Academy.

The board meets as needed.
