I am applying to serve on the Coconut Creek Parks and Recreation Board

■ Experience

- I have coached Competitive Girls softball at the recreational level in Coconut Creek as well as highly competitive travel teams on the college exposure level for 10+ years. These teams played throughout the state of Florida as well as the Southeastern and the Northeastern states. During these years I saw firsthand a variety of municipal parks and fields. My experience should help with new ideas to help continue to make our city's parks the standard in our area. Currently, I am assisting the Monarch High softball team where I also help maintain the field at the school.

Education, Skills and Employment

I earned a Bachelor Degree in Business Administration from SUNY Utica and an Associates in Business Administration from Alfred State College. In 1986, I moved to the Fort Lauderdale area where I became self employed in the retail camera and one-hour photo field. In the past 15 years, we have adapted to the digital age where we print and custom frame not only photos but artwork as well. We also print and frame for galleries, as well as printing banners for schools and municipalities. I am proficient in the use of both Mac and PC computer platforms, MS Office, Adobe Photoshop and more.

I have been married to Robbin VanHemel for 21 years and have 2 children, Amber (19) and Lauren (17).

In closing, this resume is brief and may not be structured to resume standards, but this is a result of not updating a resume for decades. Additional references etc. available upon request
