RE: Interlocal Agreement for Temporary Debris Management Sites

Dear Municipal Managers:

On February 27, 2018, the Board of County Commissioners approved the attached shell Interpositional Agreement (ILA), which enables municipalities to utilize the County's Temporary Debris Management Site locations following disastrous events.

In order to allow for proper planning for this year's hurricane season, government entities must execute the ILA by March 31, 2018. The ILA will become effective upon execution and will terminate on November 30, 2022. Upon mutual written consent, the ILA can be extended for two additional five-year terms.

If you would like to participate, please print three hard copies of the attached agreement, complete and execute Page 11 of each, and send all three original copies to:

Broward County Solid Waste and Recycling Services
Attn: Jeff Turpin
1 N. University Drive, Suite 400
Plantation, FL 33324.

If you have any questions, please contact Jeff Turpin at 954-474-1849.

Sincerely,
