Now therefore, in consideration of the mutual covenants hereinafter set forth, the City and Contractor agree as follows:

**1) The Contract Documents**

The contract documents consist of this Agreement, conditions of the contract (General, Supplementary and other Conditions), drawings, specifications of Bid No. 08-10-16-11, all addenda issued prior to, and all modifications issued after execution of this Agreement. These contract documents form the Agreement, and all are as fully a part of the Agreement if attached to this Agreement or repeated therein.

The Contractor shall perform all work for the City required by the contract documents and Bid No. 08-10-16-11, as set forth below:

- a) Contractor shall furnish all labor, materials, and equipment necessary as indicated in the specifications herein.
- b) Contractor shall supervise the work force to ensure that all workers conduct themselves and perform their work in a safe and professional manner. Contractor shall comply with all OSHA safety rules and regulations in the operation of equipment and in the performance of the work. Contractor shall at all times have a competent field supervisor on the job site to enforce these policies and procedures at the Contractor's expense.
- c) Contractor shall provide the City with seventy-two (72) hours written notice prior to the beginning of work under this Agreement and prior to any schedule change with the exception of changes caused by inclement weather.
- d) Contractor shall comply with any and all Federal, State, and local laws and regulations now in effect, or hereinafter enacted during the term of this Agreement, which are applicable to the Contractor, its employees, agents or subcontractors, if any, with respect to the work and services described herein.

**3) Insurance**

Contractor shall obtain at Contractor's expense all necessary insurance in such form and amount as required by the City's Risk Manager before beginning work under this Agreement including, but not limited to, Workers' Compensation, Commercial General Liability, and all other insurance as required by the City, including Professional Liability when appropriate. Contractor shall provide to the City's Risk Manager certificates of all insurances required under this section prior to beginning any work under this Agreement. The Contractor will ensure that all subcontractors comply with the above guidelines and will retain all necessary insurance in force throughout the term of this Agreement.

Contractor shall indemnify and hold the City harmless for any damages resulting from failure of the Contractor to take out and maintain such insurance. Contractor's Liability Insurance policies shall be endorsed to add the City as an additional insured. Contractor shall be responsible for payment of all deductibles and self-insurance retentions on Contractor's Liability Insurance policies.

**4) Time of Commencement**

The work to be performed under this Agreement shall be commenced after execution of the Agreement and not later than 30 days after the date that Contractor receives Notice to Proceed and Purchase Order.

Prior to final payment of the Contract Sum, a final waiver of lien shall be submitted by all suppliers, subcontractors, and/or Contractors who worked on the project that is the subject of this Agreement.

**8) Warranty**

In the event that defect occurs during this time, Contractor shall perform such steps as required in Technical Specifications and Terms and Conditions. Contractor shall be responsible for any damages caused by defect to affected area or to interior structure.

All portions of the Project are to be completed according to the schedule. Once all work has been completed on a grouping of roadway segments, and the City has indicated, in writing, the final acceptance of landscaping, irrigation, brick paving, and electrical work within said grouping, maintenance of the said roadways will be entirely the responsibility of the City. Contractor will be responsible for the coordination of all work to complete specific grouping of roadways before other groupings are commenced.

The one (1) year warranty period for the Project does not begin until final acceptance of the entire project has been given and the Payment and Performance Bonds are released.

**9) Indemnification**

The Contractor shall indemnify and hold harmless the City, its elected and appointed officials, employees, and agents from any and all claims, suits, actions, damages, liability, and expenses (including attorneys' fees) in connection with loss of life, bodily or personal injury, or property damage, including loss of use thereof, directly or indirectly caused by, resulting from, arising out of or occurring in connection with the operations of the Contractor or its officers, employees, agents, subcontractors, or independent Contractors, excepting only such loss of life, bodily or personal injury, or property damage solely attributable to the gross negligence or willful misconduct of the City or its elected or appointed officials and employees. The above provisions shall survive the termination of this Agreement and shall pertain to any occurrence during the term of this Agreement, even though the claim may be made after the termination hereof.

Nothing contained herein is intended nor shall be construed to waive City's rights and immunities under the common law or Florida Statutes 768.28, as amended from time to time.

**10) Non-Discrimination**

That Contractor shall for itself, its personal representatives, successors in interests, assigns, subcontractors, and sub-lessees, as a part of the consideration hereof, hereby covenant and agree that:

- a) No person on the ground of race, color, religion, sex, national origin, age, marital status, political affiliation, familial status, disability, sexual orientation, pregnancy, or gender identity or expression shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the performance of services described herein; and
- b) Contractor, its personal representatives, successors in interests, assigns, subcontractors, and sub-lessees shall not discriminate against any employee or applicant for employment to be employed in the performance of this Agreement with respect to hiring, tenure, terms, conditions or privileges of employment, or any matter directly or indirectly related to employment because of race, color, religion, sex, national origin, age, marital status, political affiliation, familial status, disability, sexual orientation, pregnancy, or gender identity or expression.

That in the event of a proven breach of the above non-discrimination covenant, City shall have the right to terminate the Agreement as if this Agreement had never been made.

**11) Independent Contractor**

Contractor is an independent Contractor under this Agreement. Personal services provided by the Contractor shall be by employees of the Contractor and subject to supervision by the Contractor, and not as officers, employees, or agents of the City. Personnel policies, tax responsibilities, social security and health insurance, employee benefits, purchasing policies and other similar administrative procedures applicable to services rendered under this Agreement shall be those of the Contractor.
