Until its reorganization on March 13, 2029, the City Commission consists of five (5) District Commissioners, each primarily domiciled in the district in which he/she has filed his/her candidacy and is elected at large. All eligible electors in the City of Coconut Creek, without regard to their district of residency, may vote for only one (1) candidate for each office on the ballot. The candidate for each office who receives the greatest number of votes, among all the qualified candidates for a particular office, will be elected. When there is only one (1) qualified candidate for a given office, the candidate will be deemed to have voted for himself/herself and the person's name will not appear on the ballot. After an election and receipt of the certified election results, all newly elected and/or re-elected City Commission members will be sworn into office and seated at the next regularly scheduled Commission Meeting or a special meeting organized for such purpose.
