Dear Valued Corporate Coaches Motorcoach Customers:

We at Academy Bus are excited to announce that we have entered into an agreement with Corporate Coaches; located in both Ft. Lauderdale and Orlando to operate their motorcoach charters as of June 25th, 2016. Many of the current employees of Corporate Coaches have chosen to join Academy Bus; including both Mike Castro and Amber Queen.

Academy Bus, headquartered in Hoboken, NJ is a family owned company. Our operations include 17 full-service terminals; with four of these facilities located in Florida. The combined national fleet exceeds 1,100 buses and we are proud to be recognized as the largest family owned bus company in the United States. You and your passengers can rest assured that when travelling with Academy Bus, they are travelling with a company that far exceeds federal guidelines, employs the finest and most well trained drivers, and is supported by both a local and national management team with thousands of years of combined transportation experience.

Academy Bus is in receipt of your charter bookings from the Corporate Coach staff. We look forward to building a strong relationship with you, just as you had with Corporate Coaches.
