The Environmental Advisory Board is comprised of five regular members and one alternate member who serve a one-year term. The members are appointed by the City Commission and given the responsibility of promoting environmental awareness and activities, acting as an educational liaison to the community for environmental matters that are important to the City. They will review and provide advisory comments for special projects, programs, legislation, and environmental awareness and improvement opportunities and continuously promote and support National Wildlife Federation certifications throughout the City.

To the extent practicable, board appointments shall be based on the applicant's experience with representing environmental interests, specialties, and qualifications in the fields of Architecture, Biology, Climate change, Education, Engineering, Environmental science, Forestry, Gardening, Geology, Horticulture, Law, Sustainability, Urban planning, or Waste disposal. Preference will be given to applicants who have completed Coconut Creek Citizen's Academy.

The board meets as needed. Appointments will be made at the April 23, 2020, City Commission Meeting.

## **Objectives**

To serve as a member of the Coconut Creek Environmental Advisory Board by advising the city commission on all matters concerning the environment, including pollution controls on ground and surface water and air.

#### **Education**

Associate Nursing Science, Brooklyn College, City University of New York Bachelor of Health Services Administration Florida Atlantic University Licensure: Certified Nephrology Nurse, Certified Hemodialysis Practitioner, Licensed Risk Manager

### **Experience**

I have served on the Coconut Creek Environmental Advisory Board from 2008-2015 and this current year 2019/2020. I have participated each of these years in the Arbor Day Tree Giveaway Event, sharing my love of the environment with our community; Butterfly Festival, sharing my love of community

I attended the Coconut Creek Vision 2020 Assembly and participated in the Broward County Marine Waterway Cleanup at the Community Center in previous years, assisting at the exhibit table.

I am an active member of the Community Emergency Response Team (CERT)

I am currently serving on the Coconut Creek Environmental Board

#### **Skills**

As an instructor of registered nurses, I have always been required to promote proper disposal of medical waste and adhere to environmental safety. As a private citizen, I have always maintained water conservation, promoted waterway beautification as a SCUBA diver, enjoyed the outdoors by protecting the cleanliness of the areas, encouraging friends, neighbors and relatives to do likewise. I gained my love of nature and its beauty as a child from my father and have been environmentally conscious my entire life before it was "politically correct".
