## **Objectives**

To serve as a member of the Coconut Creek Environmental Advisory Board by advising the city commission on all matters concerning the environment, including pollution controls on ground and surface water and air.

## **Education**

Associate Nursing Science, Brooklyn College, City University of New York  
Bachelor of Health Services Administration Florida Atlantic University  
Licensure: Certified Nephrology Nurse, Certified Hemodialysis Practitioner,  
Licensed Risk Manager

## **Experience**

I have served on the Coconut Creek Environmental Advisory Board from 2008-2015 and this current year 2017/18. I have participated each of these years in the Arbor Day Tree Giveaway Event, sharing my love of the environment with our community.

I attended the Coconut Creek Vision 2020 Assembly and participated in the Broward County Marine Waterway Cleanup at the Community Center in previous years, assisting at the exhibit table.

I am an active member of the Community Emergency Response Team (CERT)

I am currently serving on the Coconut Creek Environmental Board

## **Skills**

As an instructor of registered nurses, I have always been required to promote proper disposal of medical waste and adhere to environmental safety. As a private citizen, I have always maintained water conservation, promoted waterway beautification as a SCUBA diver, enjoyed the outdoors by protecting the cleanliness of the areas, encouraging friends, neighbors and relatives to do likewise. I gained my love of nature and its beauty as a child from my father and have been environmentally conscious my entire life before it was "politically correct".
