Award for Outstanding Achievement in Popular Annual Financial Reporting

The Government Finance Officers Association of the United States and Canada (GFOA) has given an Award for Outstanding Achievement in Popular Annual Financial Reporting to the City of Coconut Creek for its Popular Annual Financial Report for the fiscal year ended September 30, 2014.

The award for Outstanding Achievement in Popular Annual Financial Reporting is a prestigious national award recognizing conformance with the highest standards for preparation of state and local government popular reports.

POPULAR ANNUAL FINANCIAL REPORT

About the PAFR

The Popular Annual Financial Report (PAFR) is a brief summary of the City's financial results and is intended to increase knowledge throughout the community of Coconut Creek's financial condition through the use of a readily accessible and easily understandable format.

The financial information presented in the PAFR is derived from the City's Comprehensive Annual Financial Report (CAFR) but is presented here in summarized form. The CAFR outlines the City's financial position and operating activities for fiscal year 2015 in great detail. The CAFR is prepared in conformance with accounting principles generally accepted in the United States (GAAP) and also includes financial statements audited by Marcum, LLP. The financial information in this report focuses mainly on the City's governmental activities and is presented using the current financial resources measurement focus and the modified accrual basis of accounting. Governmental activities are those primarily supported by tax dollars for services such as parks and recreation, public safety, and physical environment.

This report is presented in two sections. The first provides an overview of the City and its government form and structure. The second part provides a brief analysis of the City's various revenue streams and how they are spent, as well as economic information about the City. It is unaudited and not presented in GAAP format.

Letter From The City Manager

Dear Citizens of Coconut Creek,

I am pleased to present the ninth annual Popular Annual Financial Report (PAFR) for the year ended September 30, 2015. This report, prepared for the non-financial reader, contains valuable and summarized information to let you know how the City is doing financially and to showcase the City's various programs and projects. Through easier, more user friendly financial reporting, the PAFR exemplifies Coconut Creek's commitment to maintaining communications with you, our citizens, and preserving public confidence in the governing body.

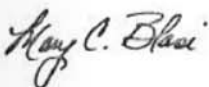

In partnership with a visionary City Commission, a professional and dedicated staff, and a caring supportive citizenry, the City has been spearheading many exciting initiatives in the areas of sustainable development, economic development, building infrastructure, process management and technology enhancements to provide more efficient services. During fiscal year 2015, we completed several capital improvement projects including median beautification on Lyons Road between Copans Road and the Sawgrass Expressway, education corridor improvements on Coconut Creek Parkway, and the development of Oak Trails Passive Park on NW 74th Street. In addition, the City is proud to have recently completed extensive renovations at Fire Station 94 in the northern part of the City, field lighting at Gerber Park, and canal dredging in South Creek.

Other projects still in progress include a new Fire Station 50 in the southern part of the City, renovation and expansion of Windmill Park, renovation of City Hall, and playground replacement at Sabal Pines Park. The City also continued to assist families with minor home repairs and purchase assistance through state and federal grant funding and assisted businesses with economic incentives such as commercial rehabilitation and rent subsidy programs. Along the way, we have been recognized with numerous state and national awards for service excellence including being designated a Top Workplace in Broward County by the Sun Sentinel and ranked #1 in the country recognizing achievements in preventing childhood obesity through *Let's Move!* Cities, Towns and Counties. Other numerous awards were received in the areas of communications, finance, our green environment, and parks and recreation.

As you read this year's PAFR, know that prudent and effective use of your tax dollars to provide vital services and to improve community infrastructure continues to be the City's top priority. The financial information presented here was obtained from the audited financial statements included in the Comprehensive Annual Financial Report (CAFR) that provides complete financial disclosure. Both reports may be viewed on and downloaded from the City's website at www.coconutcreek.net/fin/taxes-and-finances-in-the-city.

On behalf of the City Commission and the City's professional staff, I thank you for taking the time to read our Popular Annual Financial Report. We welcome your comments and ideas about this report and encourage you to provide feedback to the City's Finance Department at 954-973-6730 or kbrooks@coconutcreek.net.

Sincerely,

Mary C. Blasi
City Manager

"On behalf of the City Commission and the City's professional staff, I thank you for taking the time to read our Popular Annual Financial Report."

Awards and Certifications

Coconut Creek strives to bring safer and updated play areas for our residents and to provide a wider variety of amenities in our parks. The City was honored for the fourth consecutive time with the Playful City USA Designation. The national recognition program honors cities and towns across the country for making their cities more playable. In the past year, the City developed a new five acre park, Oak Trails Park, which hosts a large free play area and walking trails with exercise stations. In 2015, The City introduced classes in yoga, boot camps and interval training at many neighborhood parks. Coconut Creek continues to provide free annual events for kids to learn various sports and learn about all of the amenities our parks offer through "Day of Play" and "National Kids to Parks Day."

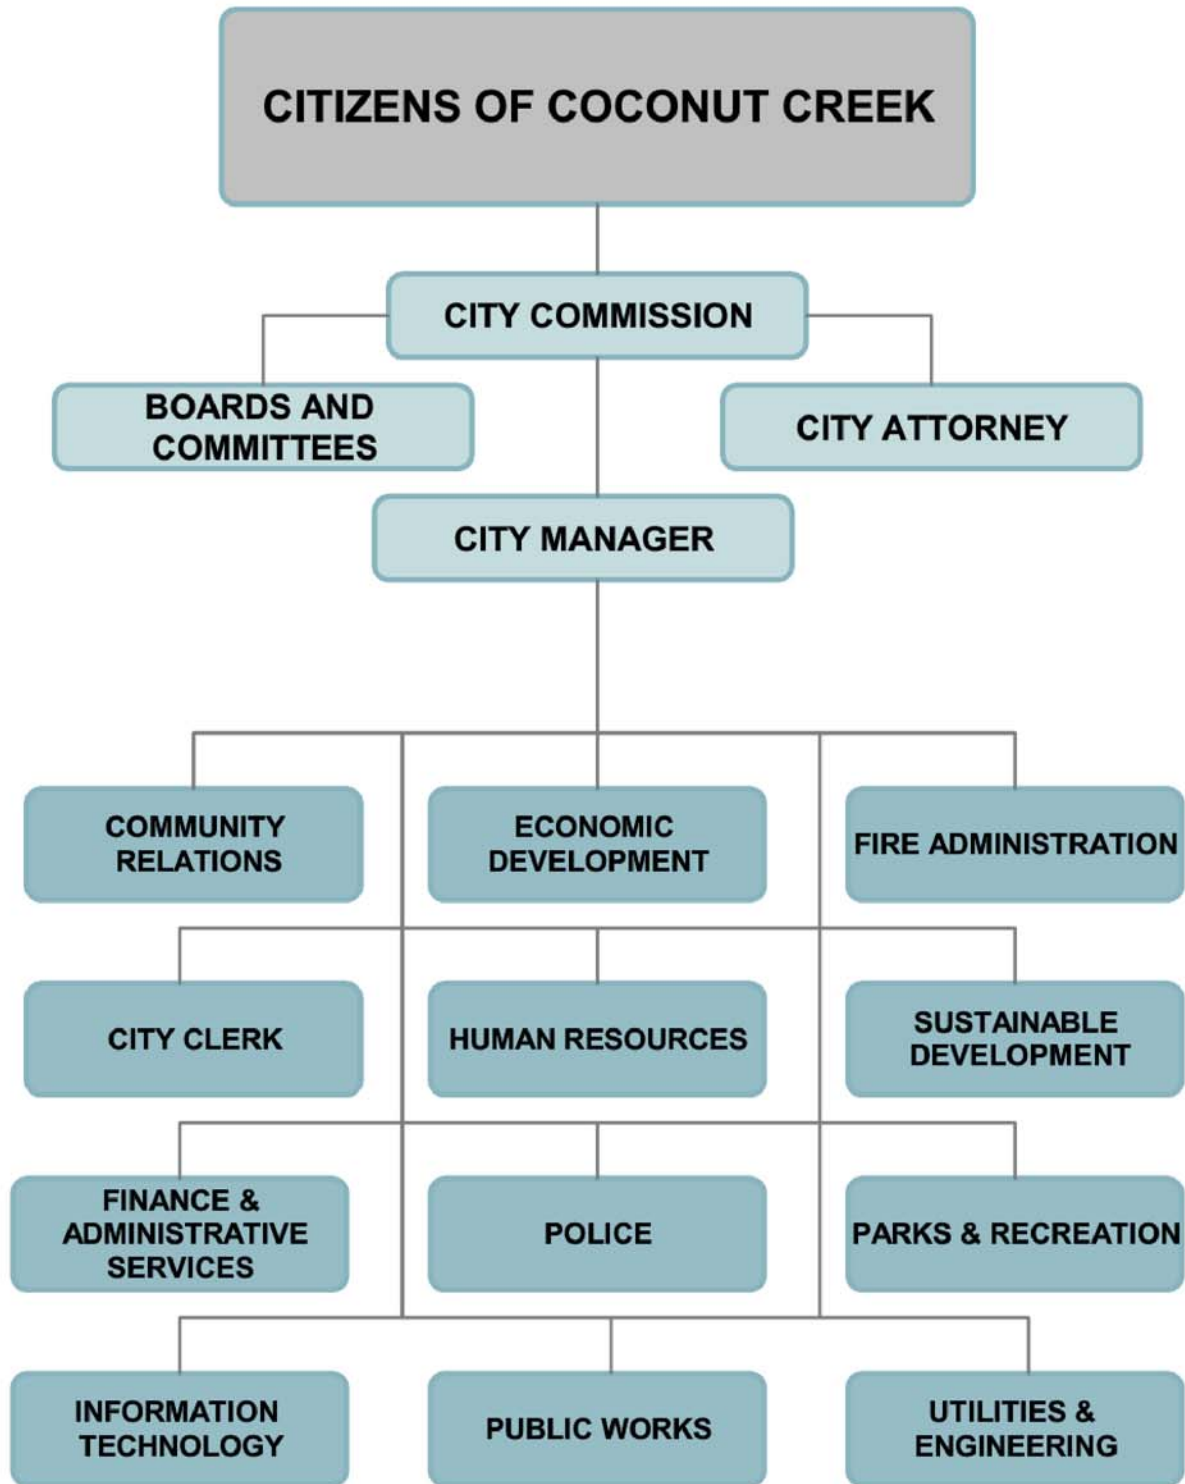

In 2015, the City of Coconut Creek was designated a Top Workplace in Broward County. The Sun Sentinel Top Workplaces Program recognizes companies that have a working environment that allows them to outperform peers. The Top Workplaces designation is based on surveys of thousands of employees in businesses, nonprofits and government agencies in Broward, Palm Beach and Miami-Dade counties.

The American Planning Association Small Town and Rural Planning (STAR) Division awarded the City of Coconut Creek with the 2016 John Keller Award for an Outstanding Planning Initiative for the Coconut Creek Tree Canopy Replacement Program. The Awards Committee was incredibly impressed with this planning effort, and felt it embodied the best of small town planning initiatives. The program addressed a real need in the community and successfully used resources to enable residents to make improvement to their property for a fraction of the normal cost. The many benefits realized by the program include increased green infrastructure, improvements to clean air, and visual street level improvements from a larger tree canopy.

Governmental Structure

City Commission

City Commission meetings are held on the second and fourth Thursday of each month.

Coconut Creek operates with a commission-manager form of government. This structure combines the strong political leadership of elected officials, in the form of City Commissioners, with the strong managerial experience of an appointed City Manager.

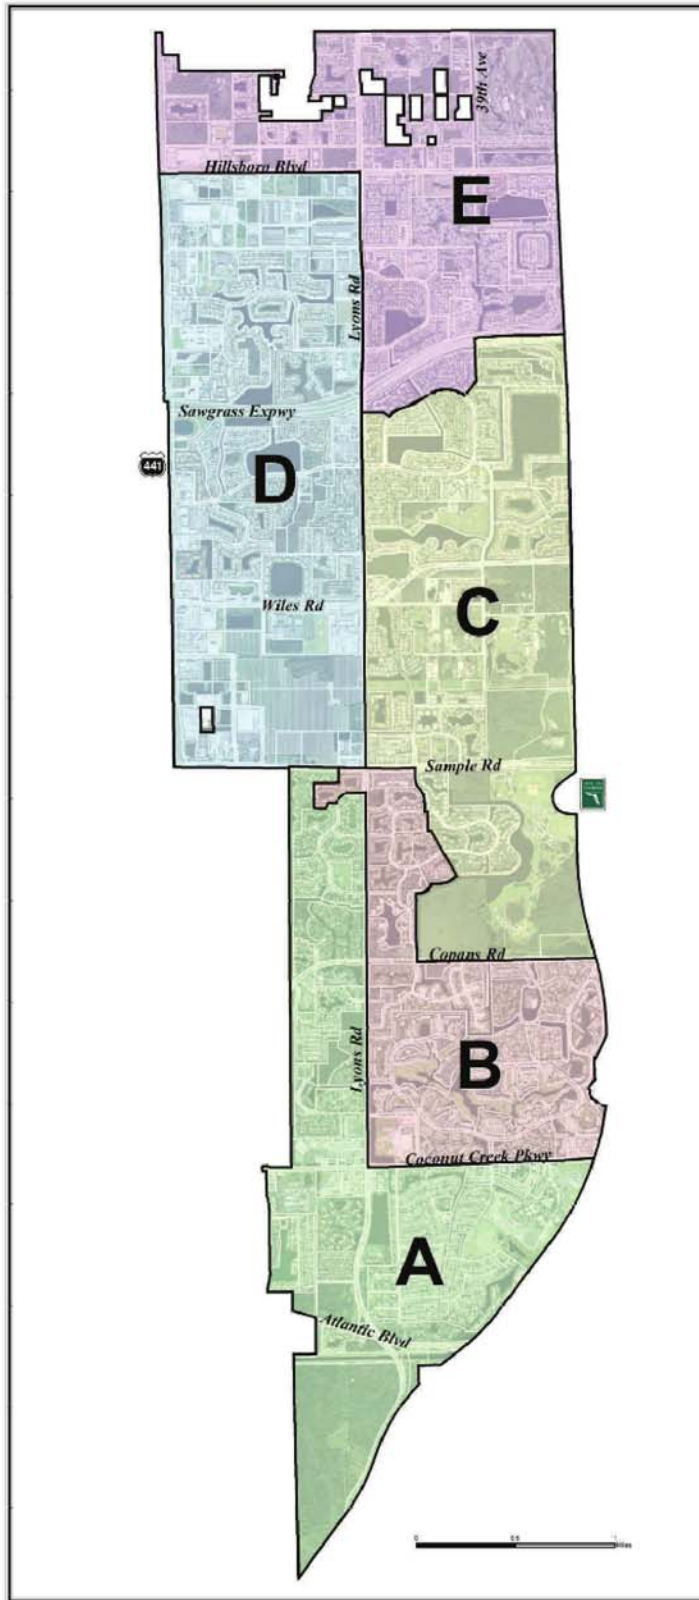

Each Commissioner is elected "at large" for a four-year term. Annually, in March of each year, a Mayor and Vice Mayor are selected by the five Commissioners to serve in those capacities for a one-year term.

The Commission represents all of the citizens of Coconut Creek and has responsibility for setting municipal policies not designated by state legislation, such as adopting ordinances and resolutions, voting on appropriations, approving the budget, and setting tax and fee rates. The Mayor presides at meetings of the Commission and is recognized as head of the City Government for all official functions. The Vice Mayor serves as acting Mayor in the absence of the Mayor.

Community Programs

Annual Arbor Day Free Tree Giveaway

Once a year the City hosts our annual Arbor Day Celebration and free tree giveaway. Residents have the opportunity to visit several education stations and receive information on topics such as proper tree pruning, tree care, wildlife habitats, and butterfly gardening. This year marked the 15th year of this popular annual event, and more than 600 trees and 1,400 plants were distributed to residents.

Community Emergency Response Team (CERT)

Overseen by the Fire Administration Division, the CERT Team began nine years ago. In that time, they have taught disaster readiness and response to over 350 residents. Seventy active members are assigned to twelve teams located throughout the City. The members also assist the City leaders at large City gatherings such as the annual Butterfly Festival and 5K Butterfly Run.

All interested residents are encouraged to join the CERT team. For further information call 954-973-6706

Special Events Assistance Program

The City offers a Special Events Assistance Program that is designed to help non-profit organizations host a variety of activities that are held in the City. The Program is grouped into four broad categories: Cultural; Parks & Recreation; Educational; and Business. Assistance may be provided in the form of a grant or in-kind service. The qualifying event is expected to showcase the City's facilities and resources while contributing to the City's image as a premier residential and business community. Interested organizations can contact our Community Relations Division at 954-973-6722.

Citizen's Academy

The goal of the Citizen's Academy is to develop civic "ambassadors" within Coconut Creek who can become trusted and reliable sources of information for their neighbors.

The nine-week Academy meets once per week and teaches residents how City government and individual departments operate. The City is pleased to announce 261 Academy graduates to date. For further information contact the Community Relations Division at 954-973-6722.

Coconut Creek Culture Series

This year the City partnered with Nova Southeastern University (NSU) to offer monthly Lifelong Learning Courses entitled "Coconut Creek Culture Series." Topics ranged from wellness to history. All classes were free to Coconut Creek residents and taught by NSU professors. The series will continue next year. Information on upcoming topics and dates are available on the City's website: www.coconutcreek.net.

Communication

Yvonne Lopez, Community Relations Director and John Hartzell, Media Production Specialist hold Communicator Awards received for various video productions.

CreekTV, Comcast Channel 78, is the City's hometown station.

This was a banner year for CreekTV.

The station won a Gold Award of Excellence, 3 Silver Awards of Distinction from Communicator Awards, and a Bronze statuette from Telly Awards.

- SAFE Program - self defense for women in our community

Parks & Recreation

The Parks & Recreation Department operates 18 City parks and nine greenways. Outdoors, 167.1 acres of parks and athletic fields and 13.9 acres of greenways await your enjoyment. Indoors, the City offers two fitness centers and two recreation centers. Amenities include gymnasiums; tennis, bocce, basketball, volleyball and racquetball courts; soccer, baseball, football and softball fields; picnic shelters; boat ramps; and playgrounds.

Let's Move!

The City of Coconut Creek's Parks and Recreation Department has embraced the national *Let's Move!* initiative which provides our community with opportunities to fight obesity and look towards healthy futures. The City joined the national *Let's Move!* initiative in 2012. Since then, the City has achieved five gold medals and was ranked among the #1 *Let's Move!* cities in America. During this school year, the Parks and Recreation Department offered a new *Let's Move!* Creek Club program available to middle school aged children from 4:00pm-6:00pm at the Recreation Complex. This program provided assistance with homework, creative and constructive recreation activities, and organized sports activities.

Mary Blasi, City Manager and Janet Hull,
Parks and Recreation Supervisor

Coconut Creek was one of 75 cities invited to the White House for a Let's Move! workshop.

New Programs for 2015

The Coconut Creek Fitness Center now offers two new classes that promote health and wellness to our residents. Spinning® is an indoor cycling class which provides an intense cardio workout. Fitness in the Parks is a free exercise program that brings a variety of fitness activities to many of Coconut Creek's beautiful parks.

Indoor Pickleball was introduced at the Community Center in September. Pickleball is a paddle sport which combines elements of badminton, tennis and table tennis. Open gym pickleball is free for all Senior Center members, Senior Fitness Center members, and Coconut Creek Silver Sneakers members.

In 2015, the Parks and Recreation department introduced new programs for the special needs community. Activities offer participants time for socialization, self-expression, and building self-confidence in a fun and supportive environment. These programs, led by Certified Therapeutic Recreation Specialists, are open to participants ages 3 and up.

Sustainable Development

Economic Development

American Top Team (ATT) - World Class Training Facility

The existing American Top Team training facility in Coconut Creek expanded and relocated to a new state-of-the-art facility. The 39,270 square feet, 2-story fitness facility with dorm-style living units held a grand opening in April 2016. The first floor includes exercise space, locker rooms, offices and a small child play area. The second floor includes dorm units plus ample common area for trainees and visitors.

Economic Development

Home Builder Headquarters in the City

D.R. Horton will open its Southeast Florida headquarters at 6123 Lyons Road in Coconut Creek. The national homebuilder will employ 40 to 50 people in a newly constructed 22,000-square-foot building. The company has approximately 100 Southeast Florida employees, which includes sales agents and construction managers, who will visit the Coconut Creek office several times a month.

Green Initiatives

This year, the City of Coconut Creek earned a gold level designation under the Florida Green Building Coalition (FGBC) Green Local Government Certification Program. The City received the highest score of all FGBC certified local governments within Broward County and the fifth highest scoring local government in Florida. This certification resulted from the City's numerous cost savings and environmental initiatives which included establishing a City Green Plan; increasing bicycle lanes; and implementing recycling stations for plastic, glass, and aluminum containers in all public areas.

Capital Improvements

A grant was received from the Florida Department of Transportation in the amount of \$2.2 million for the Coconut Creek Educational Corridor—Phase III.

Coconut Creek Education Corridor—Phase III

This project included pedestrian and roadway improvements on Coconut Creek Parkway between Banks Road and the Turnpike. The cost of this project was in excess of \$2.3 million and was primarily funded by a grant from the Florida Department of Transportation in the amount of \$2.2 million. The project was completed in January 2015.

The City was awarded a grant for the South Creek Dredging Project in the amount of \$300,000 from the Broward County Cocomar District .

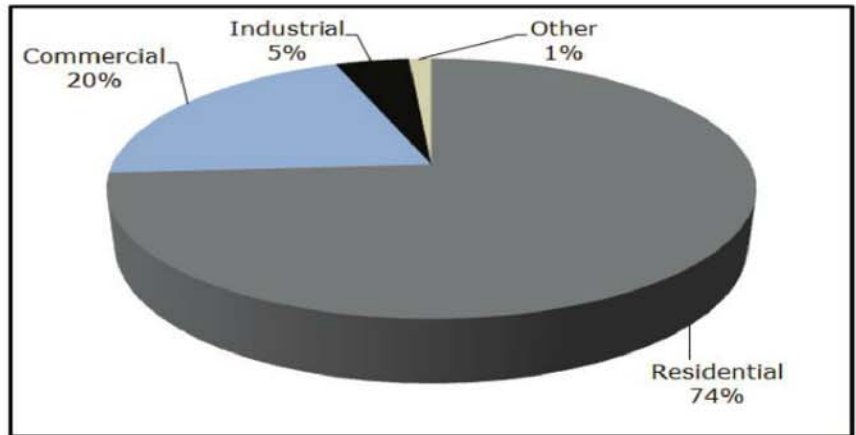

South Creek Dredging

The purpose of this project was to improve stormwater drainage and canal water quality, and also restoring canal depths to select banks. The project impacted 118 properties; 46 of those properties had erosion issues and benefited from lake bank stabilization. A grant from the Broward County Cocomar District in the amount of \$300,000 offset approximately half of the project costs. The project was completed in August 2015

Property Taxes

The Broward County Property Appraiser's Office establishes the assessed values of real and taxable property on the tax roll every year. This is accomplished by examining real estate market activity, and by physical inspection of properties and applying all applicable exemptions. The assessed values are used to calculate and set levy rates by the taxing districts these include: Broward County, the School District, Coconut Creek, and other smaller districts, including North Broward Hospital District, South Florida Water Management District, Cocomar Water Management District, Children's Services Council, and Florida Inland Navigation District.

Total Assessed Property Values by Type

The chart above illustrates the Total Assessed Property Values by Type for Coconut Creek. Residential Property represents 74% of the total assessed property values. Other properties include agricultural, institutional, and governmental properties.

The illustration below depicts how each one dollar of property tax revenue collected is distributed to the various taxing entities. The City of Coconut Creek receives \$.28 of each \$1.00 collected from the taxpayers in the City.

Property tax is the City's single largest source of revenue in the Governmental Funds.

*Other includes North Broward Hospital District, South Florida Water Management District, Children's Services Council, Florida Inland Navigational District, and Cocomar Water Management District.

Property Taxes

What the Average Homeowner Pays to the City

Coconut Creek provides a wide range of City services to its residents. The amount of property tax paid to the City by the owner of a single family home with an average market price of \$180,000 is \$67.49 per month. The checkbook below shows how the monthly cost is distributed among the City departments.

Important dates for tax information to property owners

Mid-August:

The Broward County Property Appraiser (BCPA) mails "Notices of Proposed Taxes" (also called a "TRIM Notice") to all property owners. This notice also includes the market and assessed value of the owner's property for the current and prior year. The BCPA can be reached at 954-357-6830 or www.bcpa.net.

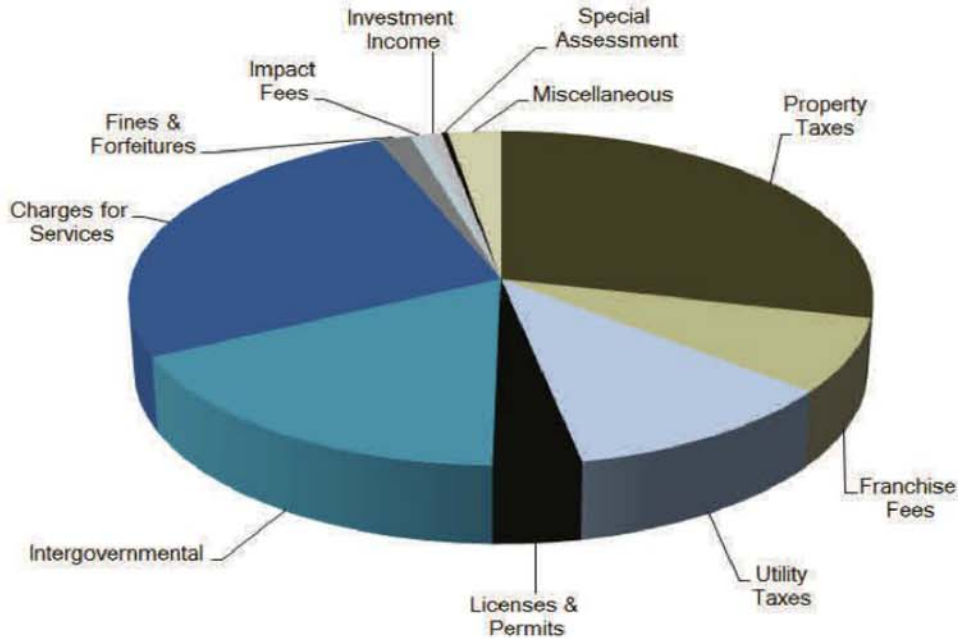

Early November

The Broward County Revenue Collector mails the tax bills to property owners of record. Tax bills become delinquent if not paid in full before April 1 of the following year. The Broward County Revenue Collector can be reached at 954-831-4000, or by email at revenue@broward.org.

Governmental Funds - Revenues

(where the money comes from)

The information below describes the City of Coconut Creek's revenues for 2015. Revenues received totaled \$61.6 million.

Miscellaneous (2.55%) Revenues from sources not classified elsewhere.

Fines & Forfeitures (1.59%) Revenues derived from fines and penalties imposed for the commission of statutory offences, and violation of lawful administrative rules and regulations.

Impact Fees (.88%) Fees paid by developers, that are an equitable and appropriate means to help finance the capital costs of additional and expanded facilities needed to serve new development.

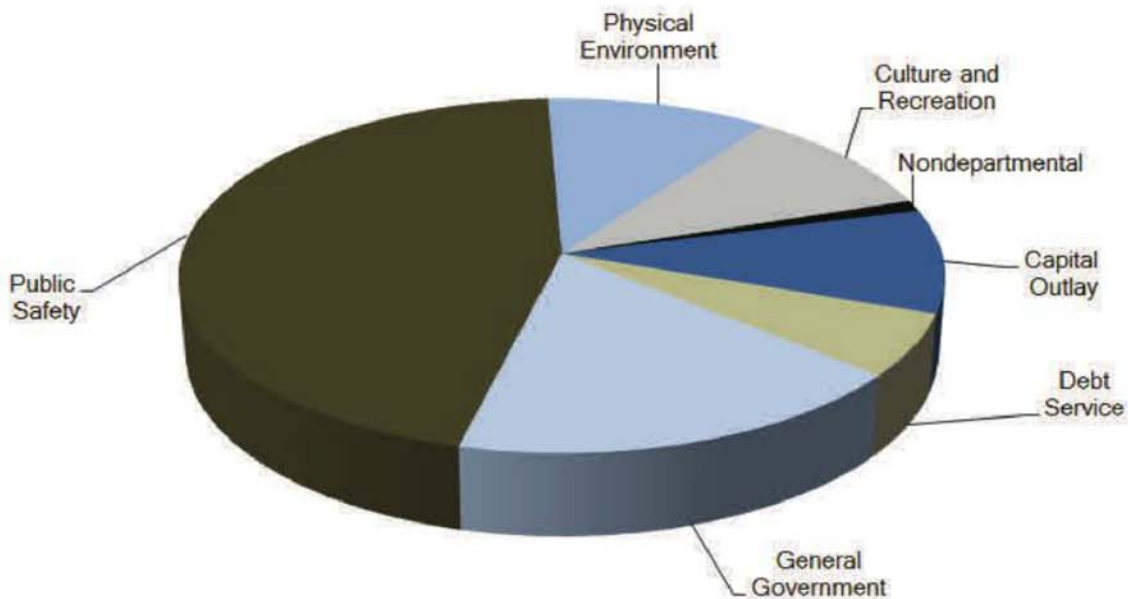

Investment Income (.67%) Income derived from capital gains, dividends, and other activities related to the investment of City funds.

Special Assessment (.31%) Fees paid for a public improvement project to convert existing aerial electrical distribution lines to underground distribution lines within a specific area of the City.

Governmental Funds - Expenditures

(where the money goes)

The information describes illustrates the City of Coconut Creek's expenditures for 2015. Expenditures totaled \$57.6 million.

- Public Safety (45.50%)** Expenditures associated with providing public safety services including police, fire, emergency medical services, building inspections, and code enforcement.
- General Government (17.72%)** Expenditures that are incurred for administrative services including the City Commission, City Manager, City Attorney, Finance, Information Technology, Human Resources, City Clerk, Engineering, Risk Management, and Planning.
- Physical Environment (10.64%)** Expenditures relating to the management of natural and man made resources, programs, and services.
- Culture and Recreation (9.95%)** Expenditures that are incurred to provide services through parks and recreation programs.
- Capital Outlay (9.49%)** Expenditures that result in the acquisition of, or addition of, capital assets, specifically fixed assets over \$1,000 and intended to last more than one year, or physical assets of the City (streets, water, sewer, public buildings, and parks).
- Debt Service (5.72%)** Expenditures relating to the payment of principal and interest on borrowed money according to a predetermined payment schedule.
- Non-departmental (0.98%)** Expenditures that are not classified elsewhere.

General Fund - Revenues (where the money comes from)

The General Fund is the primary operating fund of the City of Coconut Creek. It is used to account for all financial resources except those required to be accounted for in another fund. These activities are funded principally by property taxes from individuals and businesses, and charges for services.

 Property Taxes increased \$0.81 million primarily due to reassessments and new construction.

 Franchise Fees and Utility Taxes increased \$0.09 and \$0.19 million, respectively, primarily due to additional Florida Power & Light residential and commercial customers and consumption.

 Intergovernmental revenue increased \$1.3 million primarily due to a one-time distribution from the Broward Solid Waste Disposal District.

 Charges for Services revenue increased \$1.4 million primarily due to a \$0.40 increase in emergency medical services (EMS) transport fees; \$0.60 in fire assessment fees and \$0.23 in contracted police services.

 Licenses and Permits revenue decreased \$0.7 primarily due to the timing of new development.

Revenues	2015	2014

The City is Also Your Utility Company

The City of Coconut Creek manages a water, wastewater and storm-water utility system. The City's utilities are grouped as Enterprise Funds and account for their transactions in a way similar to private business.

Where does my water come from?

The City purchases water in bulk at wholesale prices from Broward County and subsequently sells the water to our customers.

How was the City's rate structure designed?

To ensure adequate revenues to cover current and future costs associated with growth, and on-going replacement and maintenance of infrastructure.

What areas does the City service?

The City provides water and treats wastewater for all residents NORTH of Coconut Creek Parkway. Residents in the southeast area of the City of Parkland also receive water and wastewater services from Coconut Creek. Residents SOUTH of Coconut Creek Parkway receive water and wastewater services from the City of Margate.

For additional information contact the Utility Billing Department at 954-973-6742.

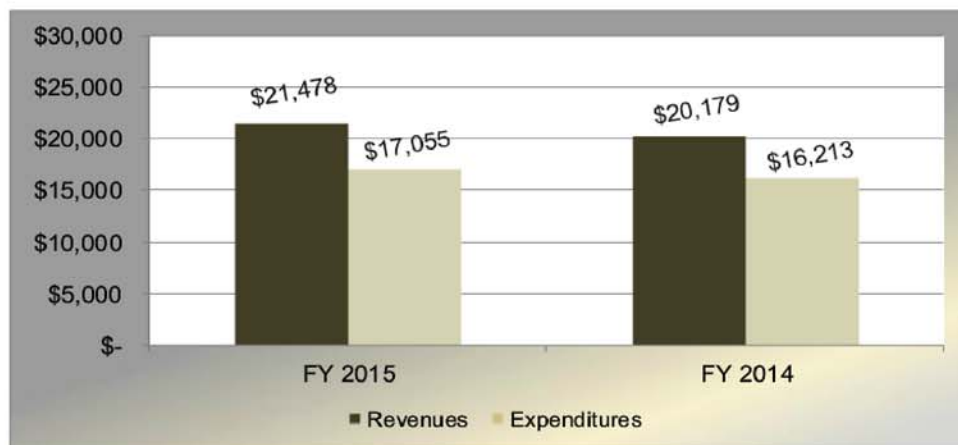

How are my utilities charged?

Customers pay for water, wastewater and stormwater on a monthly bill.

Payments can be :

- Mailed to the PO Box indicated on your payment stub
- Made on-line using Visa or Master-Card
- Placed in the drop-box in front of City Hall
- Made in person at City Hall
- Made by automatic debit from your bank account via our Automatic Funds Transfer (AFT) program

Current and Other Assets - Assets that one can reasonably expect to convert to cash, sell or consume within one year.

Capital Assets - Long term investments in land, buildings, equipment, improvements, infrastructure, and construction in progress.

Current and Other Liabilities - Primarily debts that can be paid off in one year or less, which includes accounts payable, accrued payroll, accrued interest payable, the current portion of revenue notes payable, and compensated absences.

Long Term Obligations - Represents debt obligations of the City not payable within the next twelve months. It includes revenue notes payable, net pension liability, compensated absences, and Other Post-Employment Benefits.

Deferred Inflows and Outflows of Resources - Represents acquisition (inflows) and consumption (outflows) that are applicable to future reporting periods.

Net Position - Reflects the City's net worth.
Net Position=Assets-Liabilities

The City has a solid financial position with 25.4% of Net Position, or \$54.7 million, as Unrestricted.

The Unrestricted portion of Net Position may be used to meet the City's on-going obligations to its citizens and creditors.

Investment Portfolio

The market value of the City's cash and investments as of September 30, 2015 is as follows (in thousands):

INVESTMENTS:	Investment Maturities (In Years)					Total
	Fair Value	Less than 1	1 to 3	3 to 5	5 to 10
