I can certainly make a unique contribution as a member of our Affordable Housing Advisory Committee.

I have been receiving housing assistance from BCHA (Broward County Housing Authority) for almost 20 yrs to date. During this time I have become knowledgeable of the HUD rules, regulations, and procedures. I have experienced first-hand the many variables and difficulties in finding affordable housing. Over the years I have researched many different resources trying to find housing for myself and my son while he was living with me. Additionally, I was able to secure housing for a homeless veteran when he was unable to through the Veterans Administration.

I most certainly understand the needs for affordable housing and the obstacles or barriers that need to be considered. I will combine my present knowledge with the established policies, procedures, ordinances, and land development regulations as outlined by the City of Coconut Creek to provide my best recommendations to the City Commission.

I don't have any recent work history. However, I have the following experience, that should serve relevant to the position:

2004-2006

I have had experience serving on a board when I was a member of the Broward Community College Computer Club. I received awards for my positions as Secretary, and Vice President for two consecutive years.

As well, I served on the board and advisory committee of CHADD (Children and Adults with Attention Deficit/Hyperactivity Disorder), Coral Springs Chapter, during my son's school years.

I worked directly with school board members, teachers, doctors, and the chapter President.

I kept the minutes of each meeting, as well as contributing by serving as a voice for a parent of a child with ADHD.

I look forward to getting the opportunity to work with the City of Coconut Creek.
