My name is Roger "Rusty" Shattuck. I live at 4860 Swans Manor. I have been a resident of Coconut Creek for the past two and a half years. Prior to retiring and moving to Coconut Creek my wife and I lived in the Melbourne/Cocoa Beach area of Florida.

Most of my work experience has been in the area of residential housing construction. I owned a modular home company prior to moving to Florida. When I moved to Florida, I obtained a position as a manager for an asset management company, I worked with banks assisting with the refurbishment of foreclose homes.

Next, I worked for a large residential home construction company. Here I was responsible for the building of single-family homes. I was promoted to manager of the company's customer service department. From here I was promoted to Manager of Training. In this position I was responsible with the training new construction personnel in the proper building techniques. Finally, I was promoted to the position of Special Projects Manager. In this position I was responsible for overseeing many different projects for the company.

My final 6 years of working prior to retirement was with my wife in her Real Estate Brokerage company. I had my Florida Real Estate salesman license for many years so this provided me the opportunity to assist my wife in her business.

We moved to Coconut Creek after retirement to be near our sons, daughter-in-laws, and grandkids.
