2.1 "Cone of Silence" means a prohibition on any communication regarding a particular Request for Proposals (RFP), Request for Qualifications (RFQ), Invitation for Bid (IFB), or other competitive solicitation between:

- (a) Any person who seeks an award therefrom, including a potential vendor or vendor's representative, and
- (b) The City Commission, City Attorney, City Manager, and all City employees, and any non-employees appointed to evaluate or recommend selection in such procurement process.

The Cone of Silence shall not apply to communications with the Procurement Official to obtain clarification or information concerning the subject solicitation. Any such contact with anyone other than the Procurement Official may be considered grounds for disqualification. The City shall not be responsible for oral interpretations given by any City employee or its representative. For purposes of this section, "vendor's representative" means an employee, partner, director, or officer of a potential vendor, or consultant, lobbyist, or actual or potential subcontractor or subconsultant of a vendor, or any other

individual acting through or on behalf of any person seeking an award.

2.2 The Cone of Silence shall be applicable to each RFP, RFQ, IFB, or other competitive solicitation during the solicitation and review of responses. At the time of issuance of the solicitation, the Procurement Official shall include in any advertisement and public solicitation for goods and services a statement disclosing the requirements of this section.

2.3 The Cone of Silence shall terminate at the time the City awards or approves a contract, votes to reject all bids or responses, or otherwise takes action which ends the solicitation and review process.

The written communication shall include a reference to the RFP, RFQ, IFB, or other competitive bid document number.

2.5 Any violation of this rule shall be investigated by the Procurement Official and the City Attorney's Office and/or the City Manager's Office and may result in

disqualification of said violating potential vendor or any recommendation for award, or any RFP award, or IFB, or RFQ award to said violating potential vendor or vendor's representative being deemed void or voidable. The potential vendor or vendor's representative determined to have violated this rule, shall be subject to penalties up to and including debarment. In addition, to any other penalty provided by law, violation of this rule by a City employee shall subject the employee to disciplinary action up to and including termination.

3. Bid Forms

By submission of a response, Bidder affirms that no alteration of any kind has been made to this solicitation.
- 3.2 The bid forms must be used by the Bidder. Failure to do so may cause the bid to be rejected. The forms shall be submitted in good order and all blanks must be completed.

All work performed for the Contractor by a sub-contractor shall be pursuant to an appropriate agreement between the Contractor and the sub-contractor.

5. Qualifications of Bidders

- 5.1 Bids will only be considered from firms normally engaged in providing the types of commodities/services specified herein. The City reserves the right to inspect the Bidder's facilities, equipment, personnel, and organization at any time, or to take any other action necessary to determine Bidder's ability to perform. The Procurement Official reserves the right to reject bids where evidence or evaluation is determined to indicate inability to perform.
- 5.2 No bid will be accepted from, nor will any contract be awarded to any person who is in arrears to the City, upon any debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to City, or who is deemed responsible or unreliable by the City.
- 5.3 As part of the bid evaluation process, City may conduct a background investigation including a record check by the Coconut Creek Police Department. Bidder's submission of a bid constitutes acknowledgment of the process and consent to such investigation. City shall be the sole judge in determining Bidder's qualifications.

6. Specifications

- 6.1 The apparent silence of the Specifications as to any detail, or the apparent omission from the Specifications of a detailed description concerning any point, shall be regarded as meaning that only material and workmanship of the finest quality are to be used. All interpretations of the Specifications shall be made on the basis of this statement.
- 6.2 For the purpose of evaluation, the Bidder must indicate any variance or exceptions to the stated Specifications no matter how slight. Deviations should be explained in detail. Absence of variations and/or corrections will be

interpreted to mean that the Bidder meets all the Specifications in every respect.

- 6.3 Any manufacturers' names, trade names, brand names, information and/or catalog numbers used herein are for the purpose of describing and establishing a general standard of quality, performance and characteristics and are not intended to limit or restrict competition. The Bidder may offer any brand which meets or exceeds the Specifications for any item(s). If bids are based on equivalent products, indicate on the Bid Form the manufacturer's name and catalog number. Bidder shall submit with his bid complete and descriptive literature and/or specifications. The Bidder should also explain in detail the reason(s) why and submit proof that the proposed equivalent will meet the Specifications and not be considered an exception thereto. The determination of equivalency shall rest solely with the City. If Bidder fails to name a substitute, it will be assumed that Bidder is bidding on and will be required to furnish commodities identical to bid standards.
- 6.4 If the model number for the make specified in the bid document is incorrect, or no longer available and replaced with an updated model with new specifications, the Bidder shall enter the correct model number on the bid form. In the case of an updated model with new specifications, Bidder shall provide adequate information to allow the City to determine if the model bid meets the City's requirements.

7. Addendum

- 7.1 If the Bidder should be in doubt as to the meaning of any of the bid documents, or is of the opinion that the plans and/or specifications contains errors, contradictions or reflect omissions, Bidder shall submit a written request directed to the Procurement Division to be forwarded to the appropriate person or department for interpretations or clarification. Interpretations or clarifications deemed necessary by the Procurement Division in response to such questions will be issued on official addendum.

- 7.2 The issuance of written addendum is the only official method whereby interpretation, clarification, changes or additional information can be given. If any addendum is issued, the City will attempt to notify all known prospective Bidders. Addenda to the solicitation will be posted on the eBid System. It is the Bidder's responsibility to check the eBid System or contact the Procurement Official prior to the bid submittal deadline to ensure that the Bidder has a complete, up-to-date package.

8. Prices Bid

- 8.1 Prices shall be shown in both unit amounts and extensions whenever applicable. In the event of discrepancies existing between unit amounts and extension or totals, unit amounts shall govern.
- 8.2 Discrepancies in the multiplication of units of work and unit prices will be resolved in favor of the unit prices. Discrepancies between the indicated sum of any column of figures and the correct sum thereof will be resolved in favor of the correct sum.
- 8.3 All applicable discounts shall be included in the bid price for materials and services and will be considered as determining factors in recommending an award in case of tie bids. Discounts extended to City shall include but not be limited to those discounts normally extended to governmental agencies as well as the private sector.
- 8.4 Chain discounts are not acceptable and will not be considered in determining an award. Bidders may bid only one (1) discount for each item on the bid form. Firm discounts and prices are to be quoted for the term of the contract.
- 8.5 Bidder warrants by virtue of bidding that prices, terms and conditions in the bid will be firm for acceptance for a period of ninety (90) calendar days from the date of bid opening unless otherwise stated by the City.
- 8.6 The bid price shall include all permit fees, royalties, license fees and other costs arising from the use of such

design, device or materials in any way involved in the work as well as all costs of packaging, transporting and delivery to the designated location within the City of Coconut Creek.

- 8.7 All prices quoted shall be F.O.B. destination, freight prepaid (Bidder pays and bears freight charges, Bidder own goods in transit and files any claims), unless otherwise stated in Special Conditions.

9. Examination of Bid Documents

- 9.1 Before submitting a bid, each Bidder must (a) examine the bid documents thoroughly; (b) consider federal, state, county, and local laws, ordinances, rules and regulations that may in any manner affect cost, progress, performance, or provision of the commodities and/or services; (c) study and carefully correlate Bidder's observations with the bid documents, and (d) notify the Procurement Division of all conflicts, errors, and discrepancies in the bid documents. Failure to familiarize himself/herself with applicable laws will in no way relieve him/her from responsibility.

- 9.2 The submission of a bid will constitute an incontrovertible representation by Bidder that Bidder has complied with every requirement of the bid document, that without exception, the bid is premised upon performing the services and/or furnishing the commodities and materials and such means, methods, techniques, sequences or procedures as may be indicated in or required by the bid documents, and that the bid documents are sufficient in scope and detail to indicate and convey understanding of all terms and conditions of performance and furnishing of the goods and/or services.

10. Modification and Withdrawal of Bids

- 10.1 Proposals may be modified or withdrawn **prior** to the due date for submitting electronic proposals. Proposals may be retracted from the eBid System. Retracting a response allows the Consultant to change all or part of the response that was previously submitted. Retracting a response **does**

not delete the response currently entered; however, by retracting your response, it is no longer submitted. You must click "Submit Response" on the Response Submission Tab for your retracted bid to be submitted again.

- 10.2 Withdrawal of a proposal will not prejudice the rights of a Consultant to submit a new proposal prior to the proposal opening date and time. No proposal may be withdrawn or modified after the date of proposal opening has passed.

- 10.3 If within twenty-four (24) hours after proposals are opened, and Consultant files a duly signed, written notice with the Procurement Office, and within five (5) calendar days thereafter demonstrates to the reasonable satisfaction of City, by clear and convincing evidence, that there was a material and substantial mistake in the preparation of its proposal, or that the mistake is clearly evident on the face of the proposal, but the intended correct proposal is not similarly evident, Consultant may withdraw its proposal and any bid security will be returned, if applicable.

11. Submission and Receipt of Bids

To receive consideration, bids must be received prior to the due date and time. Unless otherwise specified, Bidders should use the bid forms provided in the bid document. Any erasures or corrections on the bid must be initialed by Bidder. All information submitted by the Bidder shall be printed, typewritten or filled in with pen and ink before electronic submission. Bids shall be signed in ink. When a particular IFB or RFP requires physical copies of bids or proposals they may be included in a single envelope or package properly sealed and identified. Bids will be electronically unsealed in the presence of Bidders, the public, and City staff. Bidders and the public are invited and encouraged to attend bid openings, but are not required. Bids will be tabulated and made available on the eBid System for review by Bidders and the public in accordance with applicable regulations.

12. Acceptance or Rejection of Bids

- 12.1 Bidder warrants, by virtue of bidding, his bid and the prices quoted in his bid will

be firm for acceptance by the City for a period of ninety (90) calendar days from the date of bid opening, unless otherwise stated in the bid document. However, any bid may be electronically retracted up until the time set for bid opening. Any bids not so electronically retracted shall upon opening, constitute an irrevocable offer for goods and services until accepted by City Commission Award.

12.2 A Bidder may not withdraw his bid before the expiration of ninety (90) calendar days from the date of bid opening. A Bidder may withdraw his bid after the expiration of ninety (90) calendar days from the date of bid opening by delivering written notice of withdrawal to the Procurement Official prior to award of contract by the City of Coconut Creek.

12.3 The City reserves the right to reject the bid of any Bidder if the City believes that it would not be in the best interest of the City to make an award to that Bidder, whether because the bid is not responsive or the Bidder is unqualified or fails to meet any other pertinent standard or criteria established by the City.

12.4 The City of Coconut Creek reserves the right to waive formalities in any bid and further reserves the right to take any other action that may be necessary in the best interest of the City. The City further reserves the right to reject any or all bids, with or without cause, to waive technical errors and informalities or to accept the bid which in its judgment, best serves the City of Coconut Creek.

13. Opening of Bids

14. Award of Contract

14.1 If the contract is to be awarded, it will be awarded to the most responsible and responsive Bidder for the base bid whose evaluation by City indicates to City that the award will be in the best

17. Estimated Quantities/Warranties of Usage

No warranty is given or implied by the City as to any components listed in the bid document and are considered to be estimates for the purpose of information only. The City reserves the right to accept all or any part of the bid and to increase or decrease quantities of Bidder's bid to meet additional or reduced requirements of the City.

21. References

Any material misrepresentation in the Contractor's response could result in termination of the Agreement, or any other appropriate administrative sanctions and/or legal actions.

In cases in which exceptions are rejected, the City may require the Bidder to furnish the services or goods originally described, or negotiate an alternative acceptable to the City.

27. Cancellation for Unappropriated Funds

The obligation of the City for payment to a Contractor is limited to the availability of funds appropriated in a current fiscal period, and continuation of the contract into a subsequent fiscal period is subject to appropriation of funds, unless otherwise authorized by law.

28. Independent Contractor

Where any of these are in conflict, the more stringent requirement shall be followed. The Successful Proposer's failure to thoroughly familiarize himself with the aforementioned safety provisions shall not relieve him from compliance with the obligations and penalties set forth therein.

32. Indemnity/Hold Harmless

The parties agree that one percent (1%) of the total compensation paid to Contractor for the work of the contract shall constitute specific consideration to Contractor for the indemnification to be provided under the Contract. The Contractor shall indemnify and hold harmless the City Commission, the City of Coconut Creek, and its agents and employees from and against all claims, damages, losses and expenses including attorney's fees arising out of or resulting from the performance of the work provided that any such claim, damage, loss or expense (1) is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property (other than the work itself) including the loss of use resulting therefrom, and (2) is caused in whole or in part by any negligent act or omission of the Contractor, any subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, regardless of whether or not it is caused in part by a party indemnified hereunder.

In any and all claims against the City, or any of their agents or employees by any employee of the Contractor, any subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the indemnification obligation under this Paragraph shall not be limited in any way by any limitation on this amount or type of damages compensation or benefits payable by or for the Contractor or any subcontractor under Workers' Compensation Acts, Disability Benefit Acts or other Employee Benefit Acts. Nothing in this section shall affect the immunities of the City pursuant to Chapter 768, Florida Statutes, as amended from time to time, nor shall it constitute an agreement by the City to indemnify Contractor, its officers, employers, subcontractors or agents against any claim or cause of action.

33. Public Entity Crimes Statement

Pursuant to Paragraph 2(a) of Section 287.133, *Florida Statutes*, a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid for a contract to provide any goods or services to a public entity; may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and, may not transact business with any public entity in excess of the threshold amount provided in Section 287.017 for Category TWO (\$35,000) for a period of thirty-six (36) months from the date of being placed on the convicted vendor list.

34. Public Records

Consultant shall keep such records and accounts and require any and all Consultants and subconsultants to keep records and accounts as may be necessary in order to record complete and correct entries as to personnel hours charged to the project and any expenses for which Consultant expects to be reimbursed. Such books and records will be available at all reasonable times for examination and audit by City and shall be kept for a period of three (3) years after the completion of all work to be performed pursuant to this Agreement. Incomplete or incorrect entries in such books and records will be grounds for City's disallowance of any fees or expenses based upon such entries.

City is a public agency subject to Chapter 119, Florida Statutes. To the extent Consultant is a Consultant acting on behalf of the City pursuant to Section 119.0701, Florida Statutes as may be amended from time to time, Consultant shall comply with all public records laws in accordance with Chapter 119, Florida Statute. - a) Keep and maintain all records that ordinarily and necessarily would be required by the City in order to perform the services.
- b) Upon request from the City's custodian of public records, provide the City with a copy of the requested records or allow the records to be inspected or copies within a reasonable time at a cost that does not exceed the costs provided in Chapter 119, Florida Statute, or as otherwise provided by law.
- c) Ensure that public records that are exempt or confidential and exempt from public records disclosure are not disclosed except as authorized by law for the duration of the Agreement term and following completion of the contract if the Consultant does not transfer the records to the City.
- d) Upon completion of the services within this Agreement, at no cost, either transfer to the City all public records in possession of the Consultant or keep and maintain public records required by the City to perform the services. If the Consultant transfers all public records to the City upon completion of the services, the Consultant shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Consultant keeps and maintains public records upon completion of the services, the Consultant shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the City, upon request from the City's custodian of public records, in a format that is compatible with the information technology systems of the City.

If Consultant does not comply with this Section, the City shall enforce the Agreement provisions in accordance herewith and may unilaterally cancel this Agreement in accordance with state law.

35. Drug-Free Workplace Programs

Preference shall be given to businesses with Drug-Free Workplace Programs. Whenever two (2) or more bids which are equal with respect to price, quality and service are received by the City for the procurement of commodities or contractual services, a bid received from a business that completes the attached Drug-Free Workplace form certifying that it is a Drug-Free Workplace shall be given preference in the award process.

36. Collusion

The Bidder certifies that its bid is made without previous understanding, agreement, or connection either with any previous firms or corporations offering a bid for the same items, or with the City. The Bidder also certifies that its bid is in all respects fair, without outside control, collusion, fraud, or otherwise illegal action.

37. Audit Rights

All studies, data analysis, methodologies, and recommendations should incorporate best practices and innovative approaches in municipal impact fee programs that will maintain the City's high standards for excellence, sustainability, and fiscal stewardship. They should also be consistent with the policies, objectives, and levels of service (LOS) standards in the City's Comprehensive Plan, Land Development Code, and the Florida Impact Fee Act. All conclusions of law must be reviewed and approved by legal counsel with relevant expertise, employed or subcontracted by Successful Consultant, and a separate legal opinion letter as to legal compliance of all recommended impact fees must be included as part of the final report.
