## **PAYMENT METHODS**

### **VISA PURCHASING CARD** (reference informational flyer on following page):

The City of Coconut Creek has implemented a Visa Procurement Card (P-Card) Program through SunTrust Bank. The City's preference is to pay for goods/services with the P-Card. This program allows the City to expedite payment to our vendors. Some of the benefits of the P-Card Program to the vendor are: payment received within 72 hours of receipt and acceptance of goods, reduced paperwork, issue receipts instead of generating invoices, resulting in fewer invoice problems, and deal directly with the cardholder (in most cases).

Vendors accepting payment by the P-Card may not require the City (Cardholder) to pay a separate or additional convenience fee, surcharge or any part of any contemporaneous finance charge in connection with a transaction. Such charges are allowable, however must be included in the total cost of the bid. Vendors are not to add notations such as "+3% service fee" in their bid response. All bid responses shall be inclusive of any and all fees associated with the acceptance of the P-Card.

Vendors agreeing to accept payment by P-Card must presently have the capability to accept Visa or take whatever steps necessary to implement the ability before the start of the agreement term.

### **EFT**

The City of Coconut Creek's Electronic Funds Transfer (EFT) Program allows the City to process payments to vendors electronically, directly to their financial institution of choice. With EFT payments, funds are deposited to vendor's bank account and are available the date the bank receives them. There will be no more waiting to receive payments in the mail, and no trips to the bank to make deposits. EFT payments also reduced the risk of misrouting, theft, and forgery. Additionally, an automated e-mail of the remittance advice will be sent to the e-mail specified by the vendor.

### **PAPER CHECK**

## Why You Should Accept City of Coconut Creek's Purchasing Card

### The Challenge

To optimize working capital, buying organizations are requesting that their suppliers accept purchasing cards for payment. By replacing their paper-based accounts payable process with an electronic purchasing card solution, buyers reduce their overall payables cost and suppliers reduce their collection expenses. As a supplier you will be able to accept credit card payments while minimizing your acceptance costs.

### The Solution

We would like for you to begin accepting the SunTrust Purchasing Card. Payments made with a purchasing card provide faster receipt of funds, as they are deposited electronically to your checking account. We have partnered with SunTrust to negotiate preferred product and pricing solutions that fit the needs of Business-to-Business (B2B) purchasing card acceptance.

### Here's How It Works

SunTrust will provide a computer-based solution that allows you to get the best effective rate for B2B card acceptance. A computer-based application is necessary to authorize and settle transactions at the best available interchange rate, as typical point-of-sale terminals do not have the capability to send the additional required enhanced data with the purchasing card transactions.

### What's In It For You

With our B2B solution you will receive payments quicker than through the manual paper-based process. You can also:

- Achieve cost reductions in mail handling, depositing payments and collection
- Have your funds deposited electronically
- Receive payments faster and improved cash flow
- Gain greater visibility to manage cash flow through online reporting
- Increase accounting efficiency
- Receive competitive processing rates and fees
- Eliminate returned or lost checks processing and related expenses
- Experience reduced potential for fraud than with check payments
- Decrease days sales outstanding

### City of Coconut Creek Preferred Supplier Acceptance Pricing

We have created a program to allow you to qualify at the best effective rates either by software or through a web-based solution.

SunTrust Merchant Services Fee	0.20%	0.20%	0.20%

\*Rate provided by Visa

### Purchase Level 2

**INDEMNIFICATION CLAUSE**

The parties agree that one percent (1%) of the total compensation paid to Contractor for the work of the Contract shall constitute specific consideration to Contractor for the indemnification to be provided under the Contract. The Contractor shall indemnify and hold harmless the City Commission, the City of Coconut Creek, and their agents and employees from and against all claims, damages, losses and expenses including attorney's fees arising out of or resulting from the performance of the work provided that any such claim, damage, loss or expense (1) is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property (other than the work itself) including the loss of use resulting therefrom, and (2) is caused in whole or in part by any negligent act or omission of the Contractor, any subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, regardless of whether or not it is caused in part by a party indemnified hereunder.

In any and all claims against the City, or any of their agents or employees by any employee of the Contractor, any subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the indemnification obligation under this Paragraph shall not be limited in any way by any limitation on this amount or type of damages compensation or benefits payable by or for the Contractor or any subcontractor under Workers' Compensation Acts, Disability Benefit Acts or other Employee Benefit Acts. Nothing in this section shall affect the immunities of the City pursuant to Chapter 768, Florida Statutes, as amended from time to time, nor shall it constitute an agreement by the City to indemnify Contractor, its officers, employers, subcontractors or agents against any claim or cause of action. This section shall not be construed as consent to be sued by any third parties in any matter arising out of this Agreement. The foregoing indemnification and release shall survive the termination of this Agreement.
