RE: City of Coconut Creek Landscape Maintenance Contract

We would like to inform the City of Coconut Creek of our company name change from Prestige Property Maintenance, Inc., the contractor for Landscape Maintenance Services 09-04-19-09, to Juniper Landscaping of Florida, LLC.

Prestige Property Maintenance, Inc. was acquired by Juniper Landscaping of Florida, LLC. in September 2018. The company is still in its on entity, but it operates as a landscape service that is owned by Juniper Landscaping of Florida, LLC. Therefore, we would like to change the company name on our billing and, if possible, our contract starting on November 1, 2022.

Please let us know if you have any questions or concerns.

Sincerely,

*Tom Jacob*

Branch Manager  
Juniper Landscaping of Florida, LLC.
