Objectives

To serve as a member of the Coconut Creek Environmental Advisory Board

Education

Associate Nursing Science, Brooklyn College, City University of New York
Bachelor of Health Services Administration Florida Atlantic University
Licensure Certified Nephrology Nurse, Licensed Risk Manager

Experience

I have served on the Coconut Creek Environmental Advisory Board from 2008-2014 and this current year 2016. I have participated each of these years in the Arbor Day Tree Giveaway Event, sharing my love of the environment with our community.

I attended the Coconut Creek Vision 2020 Assembly and participated in the Broward County Marine Waterway Cleanup at the Community Center, at the exhibit table.

I am an active member of the Community Emergency Response Team (CERT)

I am currently the Vice Chair of the Coconut Creek Environmental Board

Skills

As an instructor of registered nurses, I have always been required to promote proper disposal of medical waste and adhere to environmental safety. As a private citizen, I have always maintained water conservation, promoting waterway beautification, especially as a SCUBA diver, enjoying the outdoors by protecting the cleanliness of the areas and encouraging friends, neighbors and relatives to do likewise. I gained my love of nature and its beauty early in life and have been environmentally conscious my entire life before it was "politically correct".
