- 2.7.8 All proposals received from Consultants in response to this Request for Qualifications will become the property of City and will not be returned to the Consultants. In the event of Contract award, all documentation produced as part of the Contract shall become the exclusive property of the City.
- 2.7.9 As the best interest of the City may require, the right is reserved to reject any and all proposals or waive any minor irregularity or technicality in proposals received. The City will determine which Consultants are “responsible and responsive”.

If such a benefit has been received or will be received, this fact shall be disclosed with the proposal or as soon thereafter as it appears that such a benefit will be received. Failure to disclose the information prescribed above may result in suspension, debarment, or rescission of the Agreement made, or could affect payment pursuant to the terms of the Agreement.

2.18 Collusion

The Consultant certifies that its proposal is made without previous understanding, agreement, or connection either with any previous firms or corporations offering a proposal for the same items, or with the City. The Consultant also certifies that its proposal is in all respects fair, without outside control, collusion, fraud, or otherwise illegal action.

2.19 Anti-Discrimination

That Consultant shall for itself, its personal representatives, successors in interests, assigns, subcontractors, and sub-lessees, as a part of the consideration hereof, hereby covenant and agree that:

- a) No person on the ground of race, color, religion, sex, national origin, age, marital status, political affiliation, familial status, disability, sexual orientation, pregnancy, or gender identity or expression shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of or performance of services described herein; and

PART 6 – EVALUATION OF SUBMISSIONS AND CONTRACT AWARD

6.1 General

The City shall be the sole judge of its own best interest, the submission and the resulting negotiated agreement. In all instances, the City's decision will be final.

Due to the complexity of the projects, verifiable experience in Architecture, Landscape Architectural and Urban Design Services is an essential criterion for selection. As part of the package, firms are asked to submit statements of qualifications, experience, and references of other projects that have involved their respective firms.

The respondent understands that this RFQ does not constitute an agreement or a contract with the City. An official contract, or Agreement, is not binding until the submission is reviewed and accepted by the City Commission and by all parties.

A standard City of Coconut Creek Consultant Contract Agreement will form the basis of the contract between the successful Consultants and the City. Consultant's additional terms and conditions may be added to the Agreement.

6.2 Selection Procedure

All Statements of Qualifications received by the specified deadline will be reviewed by the Selection Committee for content, completeness, qualifications, and experience. After those firms deemed the most qualified are selected, further evaluation and interviews of the selected firms may be conducted as part of the final selection process. However, the City of Coconut Creek reserves the right to complete the selection process without proceeding to an interview phase, and may choose to select Consultants based upon the information supplied in the Statement of Qualifications. The City of Coconut Creek reserves the right to waive any informality in any submittal and to reject any or all submittals.

6.3 Evaluation Criteria

Following the opening of the qualification submissions, the Selection Committee, comprised of qualified City staff or other persons selected by the City, will evaluate the submittals and rank them in the order of the most responsive Consultant. Proposals will be evaluated and ranked in accordance with the criteria listed below:

Criteria

6.4 Oral Presentations (if applicable)

The City may require the top short-listed Consultants to give oral presentations in support of their proposals or to exhibit or otherwise demonstrate the information contained therein prior to a recommendation being presented to the City Commission. Should the City require such oral presentation, the Consultant will be notified seven (7) days in advance.

6.5 Negotiations

After the Selection Committee ranks the firms, the Purchasing Analyst will request, accept and consider proposals for the compensation to be paid under the contract during competitive negotiations with the top ten (10) ranked firms. Staff will present the results of the negotiations to the City Commission with its recommendation. If the City Commission determines that staff is unable to negotiate a satisfactory contract with the firms considered to be the most qualified at a price the City determines to be fair, competitive and reasonable, then negotiations with that firm, or firms, shall be formally terminated. Should the City be unable to negotiate a satisfactory contract with the selected firms, the City may select additional firm(s) in order of their competence and qualifications, and continue negotiations until an agreement is reached with the additional firm(s). However, the City reserves the right to reject all qualifications, waive any irregularities and solicit and re-advertise for other qualifications.

6.6 Contract Award

6.6.1 Through the CCNA process, the City wishes to identify all firms interested in this project and then shorten that list of interested firms down to ten (10) highly qualified Consultants. This RFQ is intended as the means to identify these highly qualified Consultants. The City of Coconut Creek anticipates entering into a contract for specific projects with the respondents who submits the qualifications judged by the City to be the most advantageous to the City.

6.6.2 Responses will be electronically unsealed in a public forum and read aloud. A Selection Committee will evaluate the proposals based on the criteria stated herein. The City is the sole judge in evaluation considerations. It is the City's intent to award the contract to ten (10) Consultants; however, the City reserves the right to award to less than ten Consultants if the City deems it is in its best interest.

6.6.3 The Contract will be awarded only to responsible and responsive Consultants licensed and qualified by experience to do the work specified. The Consultants shall submit, prior to award of Contract, satisfactory evidence of his/her experience in like work and that he/she is fully prepared with the necessary organization, capital, and equipment to complete the scope of work. Consultants shall be insured, licensed, and certified by all applicable local, county, and state agencies.

6.6.4 All Consultants will be notified in writing when the City Commission makes an award. The Contract award, if any, shall be made to the Consultants whose proposal shall be deemed by the City Commission to be in the best interest of the City. The Commission's decision shall be final.

6.6.5 This signed proposal is considered an offer on the part of the Consultant, which offer shall be considered accepted upon approval by the City Commission of Coconut Creek. Within ten (10) days after receiving Notice of Award, the Successful Consultant shall submit a revised Certificate of Insurance naming the City of Coconut Creek as Additional Insured for all liability policies for approval by the City's Risk Manager.

6.7 Work under the Contract

Awarded firms shall be placed into a pool of qualified Consultants. This term contract does not guarantee work nor does the order in which firms were ranked during the selection process dictate the assignment of City projects. Individual projects shall be assigned based on firm qualifications and what is in the best interest of the City.

6.8 Term of Contract

The initial Contract period shall be for three (3) years beginning on October 13, 2016 or upon Commission award. The City reserves the right to renew the contract for two (2) additional one (1) year periods, providing both parties agree to the renewal; all the terms, conditions and specifications remain the same; and such extension is approved by the City. Successful Proposer shall give written notice to the City not less than ninety (90) days prior to renewal date of any adjustment in the initial Contract amount. Contract renewal shall be based on satisfactory performance, mutual acceptance, and determination that the Contract is in the best interest of the City.

6.9 Extension Clause

In the event services are scheduled to end because of the expiration of this contract, the Consultant shall continue the service upon written request of the Purchasing Administrator. The extension period shall not extend for more than ninety (90) days beyond the expiration date of the existing contract. The Consultant shall be compensated for the service at the rate in effect when this extension clause is invoked by the City.

6.10 Cost Adjustments

Costs for all services purchased under this Contract shall remain firm for the initial contract period. Costs for subsequent years and any extension term years shall be subject to an adjustment only if increases occur in the industry. However, unless very unusual and significant changes have occurred in the industry, such increases shall not exceed five percent (5%) per year or, whichever is less, the latest yearly percentage increase in the Employment Cost Index (ECI), Total Compensation, Private Industry, Professional, Scientific, and Technical Services, Not Seasonally Adjusted as published by the Bureau of Labor Statistics, U.S. Department of Labor. The yearly increase or decrease in the ECI shall be the latest index published and available ninety (90) days prior to the end of the contract year then in effect compared to the index for the same quarter one (1) year prior. Any requested price increase shall be fully documented and submitted to the City at least ninety (90) days prior to the contract anniversary date. Any approved cost adjustments shall become effective upon the anniversary date of the contract. In the event the ECI or industry costs decline, the City shall have the right to receive from the Consultant a reasonable reduction in costs that reflect such cost changes in the industry.

The City may, after examination, refuse to accept the adjusted costs if they are not properly documented, increases are considered to be excessive, or any decreases are considered to be insufficient. In the event the City does not wish to accept the adjusted prices and the matter cannot be resolved to the satisfaction of the City, the contract can be cancelled by the City upon giving thirty (30) days written notice to the Consultant.

PART 7 – VISA CREDIT CARD – PAYMENT METHOD

7.1 The City of Coconut Creek has implemented a Visa Procurement Card (P-Card) Program through SunTrust Bank. The City's preference is to pay for goods/services with the P-Card. This program allows the City to expedite payment to our vendors. Some of the benefits of the P-Card Program to the vendor are: payment received within 72 hours of receipt and acceptance of goods, reduced paperwork, issue receipts instead of generating invoices, resulting in fewer invoice problems, and deal directly with the cardholder (in most cases).

Vendors accepting payment by the P-Card may not require the City (Cardholder) to pay a separate or additional convenience fee, surcharge or any part of any contemporaneous

finance charge in connection with a transaction. Such charges are allowable, however must be included in the total cost of their response. Vendors are not to add notations such as "+3% service fee" in their response. All responses shall be inclusive of any and all fees associated with the acceptance of the P-Card.

Vendors agreeing to accept payment by P-Card must presently have the capability to accept Visa or take whatever steps necessary to implement the ability before the start of the agreement term.

Purchasing Card Acceptance

Why You Should Accept City of Coconut Creek’s Purchasing Card

The Challenge

To optimize working capital, buying organizations are requesting that their suppliers accept purchasing cards for payment. By replacing their paper-based accounts payable process with an electronic purchasing card solution, buyers reduce their overall payables cost and suppliers reduce their collection expenses. As a supplier you will be able to accept credit card payments while minimizing your acceptance costs.

The Solution

We would like for you to begin accepting the SunTrust Purchasing Card. Payments made with a purchasing card provide faster receipt of funds, as they are deposited electronically to your checking account. We have partnered with SunTrust to negotiate preferred product and pricing solutions that fit the needs of Business-to-Business (B2B) purchasing card acceptance.

Here’s How It Works

SunTrust will provide a computer-based solution that allows you to get the best effective rate for B2B card acceptance. A computer-based application is necessary to authorize and settle transactions at the best available interchange rate, as typical point-of-sale terminals do not have the capability to send the additional required enhanced data with the purchasing card transactions.

What’s In It For You

With our B2B solution you will receive payments quicker than through the manual paper-based process. You can also:

- Achieve cost reductions in mail handling, depositing payments and collection
- Have your funds deposited electronically
- Receive payments faster and improved cash flow
- Gain greater visibility to manage cash flow through online reporting
- Increase accounting efficiency
- Receive competitive processing rates and fees
- Eliminate returned or lost checks processing and related expenses
- Experience reduced potential for fraud than with check payments
- Decrease days sales outstanding
