PAYMENT METHODS

VISA PURCHASING CARD (reference informational flyer on following page):

The City of Coconut Creek has implemented a Visa Procurement Card (P-Card) Program through SunTrust Bank. The City's preference is to pay for goods/services with the P-Card. This program allows the City to expedite payment to our vendors. Some of the benefits of the P-Card Program to the vendor are: payment received within 72 hours of receipt and acceptance of goods, reduced paperwork, issue receipts instead of generating invoices, resulting in fewer invoice problems, and deal directly with the cardholder (in most cases).

Vendors accepting payment by the P-Card may not require the City (Cardholder) to pay a separate or additional convenience fee, surcharge or any part of any contemporaneous finance charge in connection with a transaction. Such charges are allowable, however must be included in the total cost of the bid. Vendors are not to add notations such as "+3% service fee" in their bid response. All bid responses shall be inclusive of any and all fees associated with the acceptance of the P-Card.

Vendors agreeing to accept payment by P-Card must presently have the capability to accept Visa or take whatever steps necessary to implement the ability before the start of the agreement term.

EFT

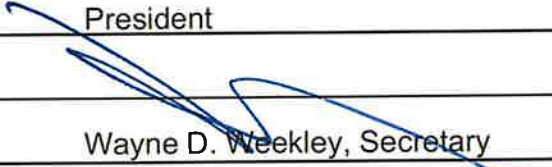

The City of Coconut Creek's Electronic Funds Transfer (EFT) Program allows the City to process payments to vendors electronically, directly to their financial institution of choice. With EFT payments, funds are deposited to vendor's bank account and are available the date the bank receives them. There will be no more waiting to receive payments in the mail, and no trips to the bank to make deposits. EFT payments also reduced the risk of misrouting, theft, and forgery. Additionally, an automated e-mail of the remittance advice will be sent to the e-mail specified by the vendor.

PAPER CHECK

Paper checks can also be processed by the City for vendor payments.

Completion Time: 280 Calendar Days

Work shall be commenced in accordance with the Agreement date and shall be completed within 280 calendar days as stipulated in the Notice to Proceed.
