

Greystar will host a job fair at Cocomar Business Park after receiving a Certificate of Occupancy prior to the businesses opening. This is when the companies will be ready to recruit new employees. In addition, we will provide our agreed to group of local non-profit organizations and educational institutions to all the businesses in the park and share all job openings they have with those groups.

These local non-profit organizations and educational institutions include:

- Arc Broward
- Junior Achievement
- Career Source Broward
- Atlantic Technical College
- The Foundation for Independent Living
- Broward College
