THIS AGREEMENT, entered into this 12th day of February, year of 2004, by and between the STATE OF FLORIDA DEPARTMENT OF TRANSPORTATION, hereinafter referred to as the "FDOT", and CITY OF COCONUT CREEK, hereinafter referred to as the "MAINTAINING AGENCY";

WITNESSETH:

WHEREAS, the **MAINTAINING AGENCY** has the authority to enter into this Agreement and to undertake the maintenance and operation of lighting on the State Highway System, and the **FDOT** is authorized under Sections 334.044, Florida Statutes and 335.055, Florida Statutes to enter into this Agreement, and

WHEREAS, the **MAINTAINING AGENCY** has authorized its undersigned officers to enter into and execute this Agreement,

NOW, THEREFORE, in consideration of the premises and the mutual covenants contained herein, the **FDOT** and the **MAINTAINING AGENCY** hereby agree as follows.

1. Maintenance of Facilities

- a. The **MAINTAINING AGENCY** shall maintain all the lighting now or hereafter located on the State Highway System within the jurisdictional boundaries of the **MAINTAINING AGENCY**, hereinafter referred to as the "Facilities" throughout its expected useful life. For the purposes of this Agreement, the term Facilities shall be deemed to include, but not necessarily be limited to, lighting for roadways, as well as park and ride, pedestrian overpasses, and recreational areas owned by or located on the property of the **FDOT**, but shall exclude those systems listed in Exhibit "A" attached hereto and by this reference made a part hereof, and shall exclude lighting located in weigh stations, rest areas, or on Interstate highways.
- b. In maintaining the Facilities, the **MAINTAINING AGENCY** shall perform all activities necessary to keep the Facilities fully operating, properly functioning, with a minimum of 90% of the lights burning for any lighting type (ex. high mast, standard, underdeck, sign) or roadway system at all times for their normal expected useful life in accordance with the original design thereof, whether necessitated by normal wear and tear, accidental or intentional damage, or acts of nature. Said maintenance shall include, but shall not be limited to, providing electrical power and paying all charges associated therewith, routine inspection and testing, preventative maintenance, emergency maintenance, replacement of any component parts of the Facilities (including the poles and any and all other component parts installed as part of the Facilities), and locating (both vertically and horizontally) the Facilities, as may be necessary.
- c. All maintenance shall be in accordance with the provisions of the following:
 - (1) Manual of Uniform Traffic Control Devices; and,
 - (2) All other applicable local, state, or federal laws, rules, resolutions, or ordinances and **FDOT** procedures
- d. For lighting installed as part of an **FDOT** project, the **MAINTAINING AGENCY's** obligation to maintain shall commence upon the **MAINTAINING AGENCY's** receipt of notification from the **FDOT** that the **FDOT** has finally accepted the project, except for the obligation to provide for electrical power, which obligation to provide for electrical power shall commence at such time as the lighting system is ready to be energized, provided, however, that the **MAINTAINING AGENCY** shall not be required to perform any activities which are the responsibilities of **FDOT's** contractor.

Prior to any acceptance by the **FDOT**, the **MAINTAINING AGENCY** shall have the opportunity to inspect and request modifications/corrections to the installation(s) and the **FDOT** agrees to undertake those prior to acceptance so long as the modifications/corrections comply with the contract and specifications previously approved by both the **FDOT** and the **MAINTAINING AGENCY**.

STATE HIGHWAY LIGHTING, MAINTENANCE, AND COMPENSATION AGREEMENT

- a. The continuing obligations under this paragraph 1 beyond the first fiscal year hereof are subject to the voluntary negotiation of the amount to be paid as set forth in subparagraph 2b hereof.

2. Compensation and Payment

- a. The FDOT agrees to pay to the MAINTAINING AGENCY a lump sum of \$ 23,508.19 for the fiscal year in which this Agreement is signed (fiscal year as referenced in this Agreement shall be FDOT's fiscal year).
- b. For each future fiscal year, the FDOT and the MAINTAINING AGENCY shall agree on the amount to be paid prior to the fiscal year beginning. The FDOT will issue a work order confirming the amount and authorizing the performance of maintenance for each new fiscal year. The Work Order shall be an FDOT signed letter of authorization to the MAINTAINING AGENCY with a subject line containing the terms "State Highway Lighting Maintenance, And Compensation Agreement Work Order." The Work Order shall reflect the contract number, financial project number, FEID No. of the Maintaining Agency, the fiscal year, and the lump sum amount to be paid for the fiscal year indicated. The Work Order shall be signed by the MAINTAINING AGENCY and returned to FDOT. No payment will be made on Work Orders which are not properly signed and returned to FDOT prior to performing services.
- c. Invoices may be submitted anytime after May 1st of the fiscal year in which the services were provided, but no later than 180 days after the end of said fiscal year. Payment shall be made in one lump sum as provided in paragraph 4 hereof.
- d. Payment shall be made in accordance with Section 215.422, Florida Statutes.
- e. Bills for fees or other compensation for services or expenses shall be submitted in a format acceptable to the FDOT and in detail sufficient for a proper pre-audit and post-audit thereof.

3. Record Keeping

The MAINTAINING AGENCY shall keep records of all activities performed pursuant to this Agreement. The records shall be kept in a format approved by the FDOT.

Records shall be maintained and made available upon request to the FDOT at all times during the period of this Agreement and for three (3) years after final payment for the work pursuant to this Agreement is made. Copies of these documents and records shall be furnished to the FDOT upon request.

4. Invoicing

Upon receipt, the FDOT has five (5) working days to inspect and approve the goods and services. The FDOT has twenty (20) days to deliver a request for payment (voucher) to the Department of Financial Services. The twenty (20) days are measured from the latter of the date the invoice is received or the goods or services are received, inspected, and approved.

If a payment is not available within forty (40) days, a separate interest penalty at a rate as established pursuant to Section 215.422, Florida Statutes, shall be due and payable, in addition to the invoice amount, to the MAINTAINING AGENCY. Interest penalties of less than one (1) dollar shall not be enforced unless the MAINTAINING AGENCY requests payment. Invoices returned to a MAINTAINING AGENCY because of MAINTAINING AGENCY preparation errors shall result in a delay in the payment. The invoice payment requirements do not start until a properly completed invoice is provided to the FDOT.

A Vendor Ombudsman has been established within the Department of Financial Services. The duties of this individual include acting as an advocate for contractors/vendors who may be experiencing problems in obtaining timely payment(s) from a state agency. The Vendor Ombudsman may be contacted at (850) 410-9724 or by calling the Chief Financial Officer's Hotline, 1-800-848-3792.

The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. In the event this Agreement is in excess of \$25,000 and has a term for a period of more than one (1) year, the provisions of Section 339.135(6)(a), Florida Statutes, are hereby incorporated:

6. Force Majeure

Neither the MAINTAINING AGENCY nor the FDOT shall be liable to the other for any failure to perform under this Agreement to the extent such performance is prevented by an act of God, war, riots, natural catastrophe, or other event beyond the control of the non-performing party and which could not have been avoided or overcome by the exercise of due diligence, provided that the party claiming the excuse from performance has (a) promptly notified the other party of the occurrence and its estimate duration, (b) promptly remedied or mitigated the effect of the occurrence to the extent possible, and (c) resumed performance as soon as possible.

7. Miscellaneous

- b. The MAINTAINING AGENCY shall allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the MAINTAINING AGENCY in conjunction with this Agreement. Failure by the MAINTAINING AGENCY to grant such public access shall be grounds for immediate unilateral cancellation of this Agreement by the FDOT.
- c. This Agreement constitutes the complete and final expression of the parties with respect to the subject matter hereof and supersedes all prior agreements, understandings, or negotiations with respect thereto.
- d. This Agreement shall be governed by the laws of the State of Florida. Any provision hereof found to be unlawful or unenforceable shall be severable and shall not affect the validity of the remaining provisions hereof.
