Dear Mr. Hamm,

The East Coast Technical Assistance Center (ECTAC) is pleased to inform you that Lyons Creek Middle School has been selected as an Exceeding Expectations Award School. Your school was selected based on a combination of criteria consisting of 2016 FSA scores as well as observations and interviews that occurred during the site visit.

As a celebration of your accomplishment, ECTAC invites you to participate in the Exceeding Expectations Conference on September 12 and 13, 2017, at the Omni Orlando Resort ChampionsGate, 1500 Masters Boulevard, Championsgate, FL 33896.

Small group breakout sessions with presentations made by the Exceeding Expectations Award Schools are an important part of the Exceeding Expectations Conference. Each Award School is asked to present in a small group session which will be repeated one time. Most schools present once each day, but due to scheduling restraints, a few will have two presentations on Tuesday. There will also be a banquet on Tuesday night, September 12, to honor the Award Schools.

TELEPHONE
(407) 320-0244

Presentation topics for the small group sessions will be based on specific strengths that were identified by the visitation teams during the school site visits. These sessions will consist of a 30-40 minute presentation by the school followed by a discussion with the attendees to last a total of one hour. An ECTAC staff member will contact you after March 2017, to discuss possible presentation topics and content for the program booklet.
