The Environmental Advisory Board is comprised of five regular members and one alternate member who serve a one-year term. The members are appointed by the City Commission and given the responsibility of promoting environmental awareness and activities, acting as an educational liaison to the community for environmental matters that are important to the City. They will review and provide advisory comments for special projects, programs, legislation, and environmental awareness and improvement opportunities and continuously promote and support National Wildlife Federation certifications throughout the City.

To the extent practicable, board appointments shall be based on the applicant's experience with representing environmental interests, specialties, and qualifications in the fields of Architecture, Biology, Climate change, Education, Engineering, Environmental science, Forestry, Gardening, Geology, Horticulture, Law, Sustainability, Urban planning, or Waste disposal. Preference will be given to applicants who have completed Coconut Creek Citizen's Academy.

The board meets as needed. Appointments will be made at the April 23, 2020, City Commission Meeting.

Oops, I thought that was covered by question 3.

Well, I don't have any relevant experience aside from casual domestic gardening and a general interest in Sustainability and finding a balance between growth and environmental preservation.

I'm simply a concerned citizen who wants to become more involved on a civic level.

3. Do you have a background in representation of environmental interests, specialties and qualifications in Architecture, Biology, Climate change, Education, Engineering, Environmental science, Forestry, Gardening, Geology, Horticulture, Law, Sustainability, Urban planning, or Waste disposal?

Yes  No

Sincerely,
