**CT&A Project No. 05-0061-0040-2**  
**April, 2018**

### **Purpose:**

The purpose of this report is to summarize the Community Outreach efforts made by the development team for the WoodSpring Suites at Strada project. As per the request of the City of Coconut Creek, the applicant reached out to Wynmoor, South Creek neighborhood and CocoParc Condominiums.

### **Summary:**

The public outreach effort for this project was completed on April 4th, 2018 and consisted of the following efforts and meetings.

- Meeting with the Board of the Wynmoor Community Council
- Meeting with the CocoParc Condominium Board
- Information mailout to all South Creek residents within 1,500 feet of the subject site requesting comments
- Invitation sent to all South Creek residents within 1,500 feet of the subject site and all property owners within the CocoParc condominium requesting attendance at a Community meeting
- Hosted a Community Meeting at the Coconut Creek Community Center

### **Wynmoor:**

Dennis Mele, attorney for the applicant, met with the Board of the Wynmoor Community Council on March 15, 2018. Mr. Mele presented the project to the Board. They had questions regarding the brand and locations in the area. They also had questions about certain operational aspects of the hotel. It was a positive meeting. After the meeting Mr. Mele sent a copy of the graphics that I showed at the meeting to Jacqueline Railey, President of the Wynmoor Community Council.

### **South Creek Neighborhood:**

As per the applicants understanding of the City requirement, a mailer was prepared and mailed to all property owners within the South Creek neighborhood residents that were located within 1,500 feet of the eastern property line of Strada. The 1,500 foot distance was directed by the City and it included 104 property owners. The mailer was also posted on Facebook by a recipient of the notice which resulted in some calls and emails from residents located outside of the notification area. The mailer offered the residents the ability to voice comments and concerns by contacting Joseph Handley, CTA, by either calling or emailing. A total of 11 residents responded. Overall, the residents that responded were not in favor of the project due to the following main reasons:

1. Believed undesirable clientele would be attracted to the facility and would jeopardize the children of the area schools and community center
2. Believed it would result in additional traffic to an already congested Lyons Road.
3. Believed the City is too built up as it is and does not need any additional development.

A copy of the mailing list, the mailing area map, and the Public Notice are included as Exhibit 'A'. The specific comments received by the property owners and our responses to those comments, if applicable, are attached as Exhibit 'B'.

Following the response to the mailer, the City notified the applicant that a Community Meeting is required. A mail invitation notice was sent to the South Creek neighborhood residents that were located within 1,500 feet of the eastern property line of Strada as well as to every property owner within the CocoParc Condominium. This resulted in 378 property owners being sent an invitation. The invitation was sent on March 27<sup>th</sup> and notified the residents of the Community Meeting to be held from 5:30pm – 7pm at the Coconut Creek Community Center. Please see the mailing list, and the Community Meeting notice as Exhibit 'C'.

The meeting was structured with 5 stations including a welcoming/introduction table as well as a separate station covering a different aspect of the development such as Site, Building and Landscape Design Building Operations/Management. The stations were staffed by representatives from the development team including:

1. Stephanie Knebel, Senior Entitlement Manager, WoodSpring Suites
2. Alicia Lewis, Greenspoon Marder LLP
3. Joseph Handley, Vice President, Planning and Landscape Architecture, CTA
4. Scott Peavler, Senior Landscape Architect, CTA
5. Alan Goldberg, Property Owner
6. Aaron Packard, Director of Development, WoodSpring Suites
7. Jim Randolph, Regional Director of Operations, WoodSpring Suites
8. Ronald Austin, General Manager, Deerfield Beach Florida, WoodSpring Suites
9. Jeff Benayad, General Manager, South Orlando, WoodSpring Suites

Each resident was greeted as they entered and were required to sign-in. See Sign-In Sheet as Exhibit 'D'. The format was explained and they were asked to fill out a comment card before they left. See Exhibit 'E'. They were informed that there were representatives from both the development team and WoodSpring Suites, including operations personnel, able to address any concern that they might have. They were encouraged to discuss any concern with the representatives present.

Eleven (11) residents attended the Community meeting. Several of the residents that attended had previously called or emailed their concerns. The concerns raised were the same concerns that had been raised previously. Those concerns and the general information that was provided to the residents was as follows:

### **COMMUNITY OUTREACH SUMMARY RESIDENT QUESTIONS AND CONCERNS**

1. **COMMUNITY SAFETY.** Community residents shared concerns and first-hand experiences as guests at other extended stay hotel brands that extended stay hotel guests are undesirable clientele that might propose safety concerns specifically to schools, and community center summer camps.

*Response: Information was provided to clarify anticipated hotel guest mix and efforts to ensure security for all.*

- A. GUEST DEMOGRAPHICS – WoodSpring Suites hotels, on average, stay two-to-three weeks. They are, often, traveling business and medical professionals, those making new homes in the area, and those temporarily displaced from their homes by fire or other causes. They earn above the national average income and support the community by eating in restaurants and shopping in grocery and retail stores.
- B. GUEST POLICIES – Copies of our Guest Rules and Policies and Guest Guide, outlining guest requirements (minimum ages, occupancy limits, ID review, room access conditions, etc.) and expectations (noise, parking, conduct) and clarifying our zero-tolerance policies, designed to ensure comfort for all guests and neighbors, were shared. Hotel and brand employees shared examples with guests and general policy compliance. Examples of how our hotels work with local law enforcement – to report concerns and for help when on-site staff cannot manage issues or laws were broken – were also discussed.
- C. HOTEL COMPLIANCE – Our proposed project complies with Crime Prevention Through Environmental Design (CPTED) principles and meets any and all relevant city codes for design, parking, lighting, noise, etc.

2. TRAFFIC AND PARKING CONGESTION. A commonly-shared concern was that the hotel would lead to a rise in traffic congestion on local streets, specifically Lyons Road.

*Response: To address these concerns various information and insights were shared including:*

- A. HOTEL COMPLIANCE – Verbal summaries of our required parking study (this project is not based on changing land usage and did not therefore, under Coconut Creek codes, require a traffic study) was shared showcasing that proposed parking would handle guest car demand – adding no notable strain on neighborhood parking.
- B. GUEST POLICIES – As stated above, copies of our full guest policies, rules, and expectations that include parking, allowed vehicles/types, and other considerations were shared with participants.
- C. TRAFFIC INSIGHTS – Using trip generation rates from the Broward County Trip Rates by Land Use tables, showed the anticipated volume of traffic for our extended stay hotel project was far lower than other businesses that might be developed in the area:

<b>TRAFFIC COMPARISON</b>	
<i>Uses same building footprint (12,470 sq. ft.)</i>	
<u>USE</u>	<u>PM Peak Hour</u>
<i>122 room hotel</i>	<i>86</i>
<i>3-story office</i>	<i>91</i>
<i>4-story office</i>	<i>112</i>
<i>1-story retail</i>	<i>136</i>
<i>Restaurant (sit down)</i>	<i>124</i>
<i>Restaurant (fast food)</i>	<i>239</i>

3. LACK OF “NEED” FOR A HOTEL IN THE AREA: Some residents spoke of this hotel project as part of their larger concern around overall development of the area and – as some perceive – too much development. We were challenged on a “need” for any hotel in the area, much less an extended stay hotel.

*Response: To address this concern, we shared insights including:*

- A. GUEST DEMOGRAPHICS – *Data was shared from a local assessment that spotlighted a need for an extended stay hotel from those spending winters in Coconut Creek, traveling medical professionals working at Firstat Nursing Services, and contractors for employers like Citrix Systems and Broward Transportation & Wheel as well as those needing a place to stay while looking for a new home in the area.*
- B. MUTUAL INVESTMENT – *WoodSpring chose this site for a \$12MM project that provide construction work to local contractors and jobs for hotel staff as well as tax revenue for the city. Our guests will eat and shop locally and support local businesses and entertainment venues.*
- C. HOTEL COMPLIANCE – *Our proposed hotel complies with the long-term vision for development of the area including the original Planned Commercial Development (PCD) outline first published in 2005.*

4. PROJECT-SPECIFIC CONCERNS ABOUT OUR PROPOSED HOTEL: While many of the concerns shared at the neighborhood meeting were about traffic, parking, needs, and safety concerns in general – there were certainly some residents that had questions or misgivings about our specific hotel proposal.

*Response: WoodSpring was able to share specific aspects of our business model.*

- A. HOTEL OWNERSHIP – WoodSpring Suites, as an extended stay hotel brand, was acquired by Choice Hotels International in February 2018. The “brand” went to Choice Hotels while ownership of over 100 formerly “corporate” hotels went to a newly-formed entity, Brookwood Hotels, an initiative under Brookfield – who own over 150 hotels worldwide. The management of the hotel is slated to go to Nationwide Hotel Management, another organization created through the sale of the brand from WoodSpring Hotels. The group has dozens of employees with hundreds of combined years of experience managing extended stay hotels specifically over 115 WoodSpring Suites locations.
- B. SOCIAL MEDIA AND CONSUMER FEEDBACK – With over 230 WoodSpring Suite locations in 36 states, there are thousands of examples of shared consumer feedback about their stay. While many share negative content, it is worth noting that our brand-wide favorability (based on internal reviews, TripAdvisor reviews, Expedia Group reviews and posts/media/reviews shared through Facebook, Google My Business, and Bing Places) is 81% favorable with newer hotels performing above that average. The closest WoodSpring Suites – in Davie, Florida, for instance – enjoys four-out-of-five “bubbles” on TripAdvisor.
- C. PET-FRIENDLY POLICIES – In mid-2017, WoodSpring Suites became a pet-friendly hotel brand. All hotels welcome most cats and dogs as pets as well as appropriate service, assistance, and emotional support animals. Full copies of our pet and animal policies including registration forms, fee schedules, and rules and expectations – including weight and number of animal restrictions, mandates around animal health, pet “relief” area plans, and excitement for a proposed city Dog Park that our guests and their canines might enjoy, etc. were shared with event participants including insights that, on average, each of our hotels only has about six animals staying within at any time.
- D. HOTEL AND GROUNDS DESIGN – Our proposed, four-story hotel is just 4-stories tall. This is two-stories lower than is allowed under the current PCD. This change helps allay some concerns about the size and impact of our hotel including as it relates to neighboring condominiums. We also clarified that while we will have a fitness center and guest laundry room available - the project will be a limited-service hotel without a restaurant, bar, lounge, or alcohol sales and will not feature any meeting or conference space. Finally, there was discussion around our compliance with light pollution restrictions and our intention to, with approval, to buffer our property line with appropriate landscaping.

5. Next steps for this project include:

- **On-going communication**, including follow-up, with event attendees and other community members
- Attending and participating in the **May 2018 Planning and Zoning Board** meeting
- Presence at one, or both, of the **City Commission** meetings in **June 2018**

### CocoParc Condominium:

A meeting was held on Monday, April 2nd with the three board members and the property manager. One of the residents was also in attendance. Mr. Joseph Handley of CTA, Mr. Scott Peavler of CTA and Ms. Alicia Lewis of Greenspoon Marder attended for the applicant. Ms. Lewis presented the project along with CTA. The following is a summary of the comments of the board and the resident as well as the responses from the development team.

1. The resident asked in WoodSpring Suites took any government vouchers.  
*Response: WoodSpring Suites does not accept any section 8 or other vouchers but does accept FEMA vouchers for stays during emergency situations.*
2. The Board stated that they had a concern about the cut through walk traffic that occurs from the Dave Thomas center through Strada onto their property. They suggested that we continue the existing chain link fence along the school to the east along our mutual property line. They would like to know if it could be built by WoodSpring Suites.  
*Response: The applicant said that they would consider it and would let them know following the community meeting.*
3. The Board had a concern over the lighting. They wanted to make sure the hotel was not lighting up their property.  
*Response: The applicant explained that the only light fixtures in the rear of the hotel are the bollards to light up the sidewalk. There are no building mounted fixtures. In addition, per City Code, our light spillage must be zero at the property line.*
4. The Board noted that they are glad something is being developed as it is better than having vacant property.  
*Response: None required.*
5. The Board wanted to know when we would be getting a building permit and the construction time.  
*Response: We were hoping to have a building permit by the end of the year and the construction time would be approximately 10 months.*
6. The Board asked about the construction times during the week.  
*Response: We would comply with the City Code for permitted work hours.*

**Re: WoodSpring Hotel at Strada**  
**CITY OF COCONUT CREEK PROJECT NO. PZ-17120003**

Dear Neighbor:

This letter is to notify you of a proposed development within the existing Strada development located at the southwest corner of Coconut Creek Parkway and Lyons Road. The hotel is proposed in the far back corner of the site in the southwest corner. Previously, a 4 story hotel was approved in this location but the developers of that hotel decided not to move forward. We are now excited to have a national hotel brand, WoodSpring Suites Extended Stay Hotel, interested in constructing a 122 room hotel in the same location as the previously approved hotel. We believe that this is the perfect location for this hotel and will provide a much needed housing opportunity for the City.

I have attached an aerial, site plan and building elevations for your reference.

The City has requested that we reach out to all South Creek property owners located within 1,500 feet of the hotel site to notify you of the proposed development in case you have any concerns.

If you do have any concerns, you can mail, email or call me with your concerns or comments. We would like to have all comments by March 19, 2018.

**Subject:** Coconut Creek Hotel concerns

Dear Mr. Handley,

As a resident of the City of Coconut Creek, I would like to raise my concerns regarding the construction of a Extended-Stay Hotel in our City. I live within few miles of the proposed construction site and can tell you that it will bring major problems to us, starting with traffic but more importantly regarding the safety of our children and seniors in the area. I know I am not the only resident with similar concerns and hope that you will bring this to the table when further discussions about the project are being held.

Please feel free to contact me to let me know when City meetings are held so I can attend and personally voice my concerns.

Thank you,

Aloha Balza

Good Afternoon Mr. Handley!

I am writing to you regarding the project proposal of the WoodSprings Hotel in the corner of Lyons Road and Coconut Creek Pwky. I am a resident of Coco Palm Condo houses and I want to oppose this project. It will bring traffic and crime to our community. It will be much better if some other types of businesses occupy that location but not a hotel. My family and I want to voice our concerns about this project.

Thank you!

**Subject:** Woodspring Hotel City of Coconut Creek

Dear Mr. Handley,

I am writing in response to the Public Notice letter I received regarding this matter. As long time residents of 20 years in the South Creek neighborhood a hotel in this family neighborhood area is not what this city needs in my opinion. I have seen this area grow from sleepy small town to bustling city. Some changes good and some not so good. This area is more of a family neighborhood and does not need the aspect of an extended stay hotel where it seems to cater to more transient lower income clientele who use it as housing. Safety would be concern as well as crime. It also appears that pets will be allowed. I have a concern about that because we don't know the temperament or if the animal had their rabies shots. There is already plenty of hotels in the area, east on Coconut Creek Parkway across the turnpike on Atlantic Ave Extension also West on Coconut Creek Parkway just South on ST Rd7/441. Up on SR7 and the Sawgrass there is an Hampton Inn and Marriott. The city is at its capacity already that it can not keep up with enforcing code at the Publix shopping center. The shopping center is in shambles and dirty and the homeless are continually hanging out there, as well as the Walgreen's disgustingly dirty.

The Publix food store has reached its limit it seems they sometimes can not keep up with demand and I notice when i shop later in the day items are out of stock. It is only food store in area for too many people. There also are no immediate restaurants in area. The influx of traffic would be horrendous adding that many more people in area, it takes an hour now to go up and down Lyons road at rush hour. The city has hotels and needs to clean up what they have and enforce code. Adding more people and traffic to any already taxed system is not what this city needs. South Creek needs some restaurants and stores for all the people who already reside here. South Creek is a small community neighborhood and does not need a hotel so close where you don't know who is coming and going. In my experience I have seen bad outcomes at these extended stay hotels ruining neighborhoods my vote is NO, do not go forward with this.

Sincerely,

Darryl Nagel

**Subject:** EXTENDED STAY HOTEL PROPOSED DEVELOPMENT IN COCONUT CREEK

Good afternoon Mr. Handley,

Re: HOTEL PROPOSED DEVELOPMENT IN COCONUT CREEK

I have been a resident of Coconut Creek for the last 16 years. I have seen the city grow with new developments, some of which many people disagree with as they will only bring more traffic, all kinds of individuals, some of which are not into the best interest of our city, and we are also concerned about the collapse of our limited services with so many new people coming and going. I'm talking about the apartment complexes built and being built, and now your proposed 122 rooms hotel.

I have seen your letter about this new proposed development in the Coconut Creek Parkway area where our children go to school and parks and many of us disapprove of this new development. We want to keep our children safe, the traffic under control, and our services to be sufficient for the permanent residents in the area.

Your letter is dated March 12, 2018 and you state that "if you do have any concerns, you can mail, email or call me with your concerns or comments. We would like to have all comments by March 19, 2018." To give the people of Coconut Creek one week to voice our concerns is absurd! I only saw the letter today because someone posted it on a website, so that's why I'm sending this e-mail today. On top of the letter it says "public notice", I have no idea where it was posted but we didn't see it!

I'm sure you don't live in the neighborhood otherwise you wouldn't be proposing this project. We are proud of our city and we like living here, but these developments are not good for our families.

Sincerely,

Nitza Ramos

**Subject:** Proposed Extended Stay in Coconut Creek

Hello Mr. Handley,

I am writing in regards to a letter I received from you regarding the proposed building of an extended stay hotel in South Creek.

I am completely opposed to the site of this extended stay. Your proposed location is directly behind 2 schools, across the street from the community center and several parks. It is also across from the neighborhood that is home to an elementary school, and across the corner from a high school (so within extreme proximity to 4 schools). In addition, it is proposed to be 4 stories high and backs up to a neighborhood.

I lived in an extended stay hotel for 3 months while we were house hunting. I learned very quickly that extended stay hotels do not attract the best clientele. We witnessed things we never, ever should have seen.

I am concerned that attracting that type of clientele extremely close to 4 schools, one of which being an elementary school, is not safe for the children in our community. I personally take my young child to the Community Center and parks directly across the street from this location.

I am also concerned about the increased traffic congestion in that area as the major intersection there already has many issues and accidents almost daily. Your hotel will increase traffic in an area.

I am also concerned for the residential neighborhood that this location will back up to. Your hotel is a proposed 4 stories, the tree line will not protect the privacy of the residents directly behind it; not to mention the noise and lights.

Not only am I concerned about safety and traffic, if this location brings increased crime, it will hurt my property value. I also feel that an extended stay hotel would increase the transient population.

Your letter states that you believe this location is a "perfect" location for a hotel. I can assure you that myself and many of my neighbors do not share your opinion. Would you want to put an extended stay hotel across the street from your children?

While I respect your opinion and appreciate you notify us, I have to state that I do not feel this is a good fit for our community

Kindest Regards,  
Sarah Phelps

## MEMORANDUM

To: City of Coconut Creek

From: Joseph Handley, Vice President, Planning and Landscape Architecture  
Craven Thompson and Associates

Date: March 15, 2018

Subject: Record of Voicemail from Amanda Tang (954) 263-3690

---

Received a voicemail from Ms. Amanda Tang. She did not get a notice but found out through her neighbors. She lives at 1812 NW 48 Terrace which is located approximately 2,600 feet northwest of the site. She does not live in South Creek.

Stated she has children that attend the camp at the Community Center and she is extremely concerned about their safety. She said the hotel will have drug dealers and prostitutes and the kids are right across the street. She strongly opposes the hotel. She wanted to know when the public hearings are scheduled and requested a return call.

I returned her call and spoke to her. She reiterated her concerns about the hotel patrons and the children. She also was concerned about additional traffic and would prefer to have a restaurant built. I told her we were tentatively scheduled for the April 11<sup>th</sup>, 2018 Planning and Zoning Board hearing. I told her I would follow up after we are confirmed to let her know. She appreciated the return call and information.

## MEMORANDUM

To: City of Coconut Creek

From: Joseph Handley, Vice President, Planning and Landscape Architecture  
Craven Thompson and Associates

Date: March 14, 2018

Subject: Record of Voicemail from Frank Andrews

---

Received a voicemail from Mr. Frank Andrews. He did not identify himself or his address. Identification came from caller ID.

Stated the City is overbuilt and he opposed the hotel due to the additional traffic. Said the hotel would compound the school traffic that occurs twice daily from the 3 schools. Did not think the site was the 'perfect' site for the hotel nor was he 'excited' about the hotel development. Does not want the hotel to be built.

## MEMORANDUM

Date: March 19, 2018

Subject: Record of Voicemail from Jamie Redman (954) 829-3968

---

Received a voicemail from Jamie Redman, 4320 NW 12 Street. She was opposed to the hotel due to traffic and overcrowding of the schools. She asked for a return call which I did. She reiterated the traffic and stated that her children cannot attend Coconut Creek schools due to overcrowding. She said the hotel would make the overcrowding worse. I explained to her the clientele for the hotel (relocated professionals, home owners who are remodeling, visitors to residents, etc) but she did not believe that was the case. She asked to be notified of any upcoming meetings. I told her that she will be receiving another mailer with the date and time for the meeting. She said that spring break is from March 26 to April 2 and does not think we should have the meeting during that period.

From: Joseph Handley, Vice President, Planning and Landscape Architecture  
Craven Thompson and Associates

Date: March 15, 2018

Subject: Record of Voicemail from Rebecca Warren (954) 531-8793

---

Received a voicemail from Rebecca Warren. She is adamant that the hotel should not be constructed due to close proximity to the school. She stated that they are not allowed to be within a close proximity to the schools by law so the hotel cannot be built. She said she was within the South Creek neighborhood. She is not on the mail out list.

## MEMORANDUM

From: Joseph Handley, Vice President, Planning and Landscape Architecture  
Craven Thompson and Associates

Date: March 15, 2018

Subject: Record of Voicemail from Ronald Troum (954) 956-7201

---

Received a voicemail from Mr. Ronald Troum. He did not get a notice but found out through his neighbors. He did not leave his address but lives outside of the 1,500 foot notice area.

Stated he is totally against the hotel for two reasons. The first is the overcrowding and traffic as that area is totally congested. The second is the type of hotel. Believes the extended stay hotel doesn't attract the nicest people and is concerned about the type of clientele.

## COMMUNITY MEETING

Dear Neighbor:

We are hosting a community meeting for the proposed WoodSpring Suites Hotel to be located within the Strada development. The Strada development is located at the southwest corner of Coconut Creek Parkway and Lyons Road and the hotel is proposed at the southwest corner of Strada.

The community meeting is to be held from 5:30 pm to 7:00 pm on April 4<sup>th</sup>, 2018 at the Coconut Creek Community Center. The Community Center is located at 1100 Lyons Road.

The community meeting will include a number of staffed stations that will enable the resident to discuss the project with team members to learn more about the facility that is being proposed.

I have attached an aerial, site plan and building elevations for your reference.

We hope to see you at the community meeting.

school, the high school. Extended stays may bring undesired people to our city, ~~is~~ putting a burden on our police department. And I don't want undesired people being able to easily access my children at the park or during summer school. I mean drugs, prostitution, etc. This is a community, not a commercial area. ~~This~~ Also this puts large increase of traffic in an already overcrowded area.

It seems the city asks opinions so we feel they do what residents want & then do whatever they want.

Coconut creek is building out all available land with no concern for existing residents.

A hotel is a concern for traffic, drugs, prostitution.

## HI, NEIGHBOR. WE'RE WOODSPRING SUITES – AN EXTENDED STAY HOTEL

As of April, 2018, there are more than 235 WoodSpring Suites extended stay hotels in 36 states around the country. Brookwood Hotels, the largest franchisee of the brand, owns about 100 hotels, all managed Nationwide Hotel Management. Our Coconut Creek, FL project would add to that portfolio.

A typical WoodSpring Suites guest is college educated and earns above the national average. They stay, on average, for two-to-three weeks while relocating or temporarily displaced from their homes by fire or other damages, spending time helping family with medical challenges and newborns, traveling for business including sales, medical staffing, construction, etc., enjoying seasonal travel, studying, or serving in the military.

Our hotels offer three suite layouts to accommodate one-to-four guests each. Our Coconut Creek project will be a **100% smoke-free hotel** with **pet-friendly hotel** rooms available. Room amenities for this project include:

- Queen-sized beds (one or two per suite)
- Kitchens with stove, microwave, full-sized refrigerator and freezer, dishwashers, and kitchen essentials
- A desk and table, with upholstered chairs, for working and dining
- Leather love seats and ottomans in select rooms
- 40" flat-screen televisions with expanded, digital cable and a movie channel
- Free parking and free basic wi-fi for every guest
- Storage spaces, including a hanging bar, for clothes, luggage, and other travel items

We also offer accessible suites—with modified kitchens and bathrooms including transfer and roll-in showers—for guests with special needs.

## DESIGNED TO MINIMIZE SAFETY AND SECURITY CONCERNS

The approved design for WoodSpring Suites Coconut Creek will conform to CPTED (Crime Prevention Through Environmental Design) best-practices. CPTED uses data to reinforce proof-points that influence decisions and behaviors to prevent criminal acts. Four proven principles working at our hotel include:

- 1. PRINCIPLE 1: “SEE AND BE SEEN”** – A person is less likely to commit a crime if they think someone may be watching. We ensure high visibility through:
  - Minimal landscaping and low, short plantings
  - Well-lit, well-marked parking lots
  - Straight, full sight lines from one end to the other in our well-lit corridors – with no recessed doors
- 2. PRINCIPLE 2: “NATURAL ACCESS CONTROL”** – Walkways, fences, lighting and landscaping guide guests and vehicles to and from entrances. We help keep guests moving with:
  - Visual access control at the front desk and main lobby
  - Mesh doors on trash and recycling enclosure
  - Guest card-only access to guest corridors with visible cameras at all entrances and exits
- 3. PRINCIPLE 3: “TERRITORIAL REINFORCEMENT”** – Physical design elements like pavement, landscaping, and signage create a “sphere of influence” that give guests a sense of proprietorship.
  - Low, short plantings in landscaped areas and at property line
  - Clear signage throughout the building for way-finding and identification of rooms and spaces
- 4. PRINCIPLE 4: “MAINTENANCE MANAGEMENT”** – “Broken Window Theory” suggests a poor upkeep and minor nuisances lead to more neglect and issues that, ultimately, lead to the decline of the property. Poorly-maintained assets “invite” criminal activity. Our hotels comply with strict brand standards and inspections that monitor and ensure appearance, upkeep, and safety:
  - “Walks” of entire hotel and grounds, twice daily, by General Manager and Hotel Staff including on-site maintenance technicians
  - Additional asset inspections include bi-weekly visits from Regional Directors of Operations, quarterly Asset Management evaluations, and semi-annual Senior Operations Leader tours.

**GUESTS COME AND GO – BUT YOU’LL HARDLY NOTICE.**

Our proposed WoodSpring Suites Coconut Creek project, like all WoodSpring Suites projects, is designed to fit in to our new neighborhood with minimum intrusion. You'll see that in our hotel and grounds design as well as in our guest policies and hotel considerations – including our parking lots.

**PARKING STUDY** – While our project does not change, under Coconut Creek considerations, the “use” of the property where we intend to build, we did not have to perform a full traffic study but our efforts to gain approval - from Coconut Creek - to build did require us to perform a parking study. Our approved findings clarified that there will be more-than-adequate off-street parking in our hotel lot that surrounds our building. That means little-to-no impact to those driving neighborhood streets or looking for parking nearby.

## CLEAN, QUIET, AND SAFE FOR OUR GUESTS AND OUR NEIGHBORS

Our proposed WoodSpring Suites Coconut Creek project will be consistent with our current brand prototype in terms of design and amenities:

**WILL OFFER –**

- 122 guest suites all with in-room kitchens
- 24/7 Fitness Center for 18+ guests
- 24/7 Guest Laundry Room and vending machines

**WILL NOT OFFER –**

- Restaurant, bar, lounge, or alcohol sales
- “Conference” or “event” center or spaces
- Swimming pool

**CHECK-IN PROCEDURES** – As with all national hotel chains, WoodSpring Suites requires all registered guests, 18+, to present photo-ID and review our guest policies, service animal and pet policies (as appropriate), and other stay conditions and guest expectations that must be reviewed and signed at check-in.

**HOTEL SECURITY** – To promote a safe, comfortable experience in our parking lots, hotel common spaces, and guest suites standard security measures and policies include:

- Closed-circuit, recorded (thirty-day archive) security cameras at all hotel entrances, common spaces, corridors, and elevator lobbies.
- Visual control of main entrance, lobby, and check-in desk during front desk hours.
- Guest card-only access to all guest corridors including exterior doors outside of the main lobby.

**NOISE** – WoodSpring Suites Coconut Creek will fully comply with **Coconut Creek Municipal Code Section 14-26** which prohibits “yelling, shouting, hooting, whistling, or signing on public streets, particularly between the hours of 11 PM and 7 AM, or at any time or place as to annoy or disturb the quiet, comfort or repose of persons in any office, dwelling, hotel, or other type of residence, or of any persons in the vicinity shall be deemed a violation. Our hotel staff is always available to respond to any noise disturbance anywhere on our property.

## WORKING WITH COCONUT CREEK TO BUILD OUR EXTENDED STAY HOTEL

The proposed site plan for **WoodSpring Suites Coconut Creek** meets or exceeds all requirements as set forth in the **City of Coconut Creek and Broward County Comprehensive Plan and Land Use Planning Standards**. Some specific compliance areas, often most important to our hotel neighbors include:

- 1. ORDINANCE 2005-051 PCD ZONING MODIFICATION (ADOPTED JAN. 12, 2006)**
  - The property where we intend to build is zoned **B-3** – permitting hotels with no special use approval.
  - Our project will not change the “use or intensity of the development.” As there is no change in property usage, a traffic study for the development or adjacent streets was not required under the ordinance.
  - Ordinance language allows hotels to be up to 72’ and six stories in height. Our proposed hotel is only 50’ and four stories high.
  - The language of the ordinance covers architectural design requirements. Our project complies with all relevant elements including, but not limited to, a stucco (smooth or textured) finish with compatible colors, elevations with peak roofs or with treatments on facades facing public rights-of-way, and concrete/clay “S” tile roofs.
  - Considerations for landscaping requirements for the hotel and development are met.
- 2. PARKING STUDY** – As stated, our project did not require a traffic study but a parking study, to ensure adequate local parking following full build-out of our intended project, showed that our off-street parking lot would mean little-to-no impact on parking availability or experience driving near the hotel.
- 3. DARK SKIES ORDINANCE** –The City of Coconut Creek mandates that light from our development not encroach on adjacent properties. Our planned hotel including guest room and public space windows, signage, and exterior lighting, will produce zero light bleed.
- 4. LIMITED SERVICES** – While we know our extended stay hotel guests will find all they need at our hotel – we will not offer any conference center or event space nor and on-site restaurant. Additionally, there will be no alcoholic beverage sales at our hotel.

- Using the WoodSpring Suites name and/or contact information for any personal or commercial purpose including ongoing mail service, including social media, Craigslist or other internet posts
- Engaging in any activity, including social media, Craigslist or other internet posts that might jeopardize the safety and relative privacy of any WoodSpring Suites guest or employee

<sup>1</sup> Exempted from this policy are law enforcement officers and designated military personnel who are on duty and required to carry firearms in the performance of their duties. Civilians, even those who are licensed and permitted to carry a firearm openly under local, state, or federal law, are not exempt from this policy.

<sup>2</sup> Service animals under the ADA, as amended, are accepted but must be disclosed upon entering the property to eliminate confusion with staff and other guests, and a separate document must be acknowledged.

## GUEST POLICIES:

**To ensure our promise of a Real, Reasonable, and Simple guest experience for all guests, we want to state the following:**

- Check-in is any time after 3 p.m. on the stated arrival date unless otherwise arranged at the property
- A valid government-issued photo ID is required for all transactions
- Any guests paying cash may be required to provide a valid credit card number or cash deposit, to cover incidentals, at check-in
- Room charges must be paid in advance
- No full or partial refunds will be issued to guests who check out, including those ejected from the property for violating these Guest Rules and Policies
- Pre-existing damages or room issues must be reported to the front desk immediately after registration to avoid responsibility and potential charges
- Guests must vacate their rooms before 11 a.m. on their registration expiration date to avoid a \$45 fee
- Those wishing to stay beyond their stated check-out date must make arrangements with the front desk prior to their registration expiration date
- Tobacco smoking is permitted only in designated areas on the property. Violation of our smoking policy will be met with a charge of \$250.
- Damage or destruction of hotel property by registered guests or their invitees may result in immediate termination of their stay, and repair or replacement of property will be charged to the guest
- Management reserves the right to enter and inspect guest rooms at any time
- Guests staying in rooms deemed to be unsanitary by management will have 24 hours to remedy the situation or will be asked to leave. Guests will be charged a minimum of \$25 for the services needed to return their room to guest-readiness standards.
- Any non-emergency incidents (including guest lock-outs) that require after-hours service will be charged to the guest at \$10/incident
- Safety cameras are used throughout the premises, and anyone on our property may be recorded
- If employees discover the modification or removal of safety measures, including window stops or smoke detectors, guest may be asked to leave immediately and will be charged for the restoration of the hotel's property
- As part of our commitment to guest safety, employees will not disclose the identity, room number or presence of a guest to anyone other than appropriate law enforcement. This includes the taking of or delivery of messages or indirect forwarding of phone calls. It is the responsibility of guests to communicate their presence and room number to any person they wish to receive calls or visits from.
- The hotel allows guests, with permission, to receive occasional packages and special deliveries at the property. We are not responsible for the packages or their contents or the storage of them.
- Hotel assumes no responsibility for any personal bodily injury incurred while using the gym facilities. If you use the Hotel gym facilities, you do so at your own risk.

8. Place and keep Animal-in-Room door magnet on outside door frame at all times.
9. Adhere to any and all local laws or ordinances pertaining to pets, including breed and/or size restrictions.

**Noisy, Aggressive, and/or Unattended Animals:** I understand that WoodSpring Hotels and the staff/management/ownership of this hotel has the right to ask me to remove my animal from the premises if: 1) the animal is out of control and I do not take effective action to control it; or 2) the animal is not housebroken.

“Out of control” includes but is not limited to situations when an animal becomes aggressive or destructive. Aggressive behavior includes, but it is not limited to: growling, baring teeth, barking excessively, lunging or charging, and nipping or biting. In this case, you are still welcome to stay without your animal and a list of boarding facilities will be provided to you. I also understand that my animal is to be with me at all times and is not to be left in the room unattended unless it is securely crated. If a service animal is found unattended and uncrated in the room, we will submit a warning. If the service animal continues to be left in the room unattended and uncrated, we have the right to ask the animal to be removed from our premises or to call animal control if we are unable to reach you. I understand that animals must be harnessed, leashed or tethered, unless these devices interfere with my service animal's work or my disability prevents me from using these devices. In that case, I understand that I must maintain control of my animal through voice, signal, or other effective controls. Unattended animals that are not crated may be removed from the Hotel without liability on the part of the hotel. The guest will assume any costs for such removal. **Animals must be removed from room or crated during housekeeping services.**

**Damage and Soiling:** I agree and accept full responsibility for any and all damages and/or soiling caused by my animal during my stay. I understand that the costs for the repair or additional cleaning requirements (including labor) will be charged to me accordingly.

By bringing an animal onto the hotel property I hereby agree to the hotel's animal policy and to indemnify the hotel and its management company for any injuries, damage or loss of revenue to the hotel or a third party caused by my animal. As the animal's owner/handler, I am responsible for any liability arising from my animal's actions.

I further agree that if I violate this policy I may be asked to vacate the Hotel.
