**Educational Qualifications:**

**Business Administration Degree**

**Experience:**

I have spent 19 years working for global corporations and helping make excellent business decisions that make economic sense while maintaining the highest levels of service. I have steadily moved up in my career to where I now run an Information Technology Service Operations department that will shortly encompass the entire North and South American Regions for CSL Plasma with over 10K customer/colleagues. Over the course of this career I have learned how to excel at providing superior service while making financial decisions that creatively save costs. I am also a problem solver and I perhaps excel most at finding pragmatic solutions. I want to bring my experience and desire to be involved and help my fellow citizens to my newly (2015) adopted city.

**Other experience:**

- Current Vice President of Golden Raintree VI  
-No rise in rates or decrease in services during my tenure
- Graduate of 2017 Citizen's Academy
- Green initiatives in workplace that also cut costs – examples: switched department to all recycled paper products, green office products, eliminated paper forms.
- 19 years implementing technological innovations
- Mother, wife, home owner, pet owner, tax payer, citizen
