Re: ***Letter of Transmittal***
American Top Team - Artwork

Dear Mr. Stoudenmire,

This letter accompanies the required documentation being submitted as requested for our formal approval of the proposed public artwork to be placed on the American Top Team property.

American Top Team has chosen Luis Fernandez (Iugufelo) to design fabricate an art piece for their property. Luis is the artist whom created the Butterfly statue that is installed at the adjacent Hampton Inn & Suites.

Sincerely,

A handwritten signature in blue ink, appearing to read "Matt Forget", is written over a faint, light blue circular stamp.

Matt Forget, Architect
