NO OUTS IN OUR COMMUNITY

WE ARE CONCERNED AND YOU SHOULD BE TOO!

A 122 room, 4-story, inexpensive extended-stay is trying to move into our neighborhood on the corner of Coconut Creek Parkway and Lyons. Extended-stays are known to bring crime & attract criminal activity!

**WE NEED YOU! TELL OUR COMMISSIONERS NO!
JUNE 28, 7PM, CITY HALL**

Extended-stays like WoodSpring...

- ... are tremendous drains on police services!
- ... severely impact vehicular traffic in an already crowded area!
- ... do NOT do background checks! Could a sex offender or violent criminal move-in right next to your home, 7-schools, Community Center and shopping centers?

Subject: Against Proposed Woodspring

I am writing to you as a concerned resident to voice my absolute disapproval and with the possible building of the Woodspring Extended Stay, in the location of Coconut Creek Parkway and Lyons. All that hotel will bring is trash to our neighborhoods. I do not want to go into a lengthy email, I just want to provide my feelings against this hotel, and I will be attending the meeting on June 28 at 7:00pm at City Hall to donate my 3 minutes of time to the individuals who are speaking on behalf of the residents whom are against this. I just hope that as our elected city officials, you make the right moves in regards to making sure the residents get their voices heard, and this is not just for business and money making purposes.

Thank you for your time and attention.

Subject: Extended Stay Hotel Proposal

Dear Mayor, Vice Mayor and Commissioners,

My name is Tatiana Carpenter and I have resided at 1825 NW 49th Avenue, Coconut Creek for the past 22 years. My husband Scott and I have raised our two children in this great community and I credit my children growing up well and developing into decent people to the support from this community. It would be a shame to see this family town bring in an extended stay hotel business that has no business here.

I attended the meeting where the proposed Woodspring Extended Stay Hotel was approved by the Planning and Zoning Board 4 to 1. I applaud board member Jerry Poole for voting NO. It seemed to me that the other board members knew how they were going to vote before the presentation. Some were staring at their nails and picking at their hands and some had already even met with the Woodspring representative. Even some of the employees of the Planning and Zoning Department seemed extremely friendly and supportive of the developer representative.

The land was approved for an 86 room hotel back in 2005. A lot has changed in 13 years (like the traffic jam that occurs at rush hour on Lyons Road and Coconut Creek Parkway) and the approval was for a smaller hotel than the one being proposed now for 122 rooms. The "extended stay" verbiage added to this kind of property delineates the kind of business that it is and a search on this type of property on the internet leaves a lot to be desired, as it attracts a kind of clientele that will create problems for our city and devalue what we currently have. This is not a hotel, as originally approved. Not in size, not in the context of the word HOTEL.

I am sure that if the proposal was not for a 122 room extended stay hotel I would not be writing you this letter requesting that you please consider all the facts before making a decision on this proposed business for our city. It makes me wonder why the developer would try to increase the number of rooms originally approved for by 36 rooms. We are not situated in a tourist area nor are we an industrialized city that requires a place for people to stay for extended periods of time, which is the claim for the type of clientele they are looking to attract. The city has two hotels already with ratings of 4 or more stars. To bring this extended stay type hotel to this area:

- will increase the already taxed traffic to the Coconut Creek and Lyons Road intersection
- it would attract the wrong kind of people to the area (prostitutes, drug traffickers, homeless)
- it would provide a choice for people that cannot afford or be approved for different type of housing
- our taxes will be raised to cover the expense of additional police needed to patrol crime in the area
- our home values will decrease

The representative for the developer assured everyone at the meeting that our concerns were not valid. He did this after raising his right hand and swearing to tell the truth. Truly sad what people will do for money. The biggest question we have is what does the city gain by having this extended stay hotel in our city. Is the expected tax revenue so great that it offsets all the negative impacts to us the residents? I hope our commissioners will sincerely evaluate and do what is best for the residents of this community.

Respectfully,

Tatiana and Scott Carpenter

Dear Mayor Joshua Rydell,

My name is Linda Barrio, my husband and I are long time residents of South Creek community. We are both "very much against the proposed building of Woodsprings Extended Stay hotel in our city. The reasons are many, but, most importantly is the added crime, traffic, loitering, less than desirable persons who will be added to this great city!

Please, consider our request to "Not" let this happen.

Thank you,

Mr. and Mrs. Albert Barrio

Dear Sheila Rose,

I started a petition to you titled *No Hotel*. So far, the petition has 269 total signers.

You can post a response for us to pass along to all petition signers by clicking here:
http://petitions.moveon.org/target_talkback.html?tt=tt-132861-custom-87721-20280606-y_dq0i

The petition states:

"I am most definitely NOT in favor of a hotel of any type being built behind Walgreen's at the SW corner of Lyons Road and Coconut Creek Parkway. This would increase traffic which is already heavier than it has ever been on Lyons Road. An extended residence hotel also will bring in an element to our area that is not needed. Additionally, this is an area with local schools and is already over crowded. We have no need for a hotel in this space. No Hotel....Please!"

There is no upside for the community because whatever revenue is collected in taxes will likely have to go for additional law enforcement. Similar hotels from this developer and other extended stay hotels routinely bring in crime and a primarily undesirable element to the community we cherish.

This extended stay is an apartment house in disguise allowing any length of stay for under \$50 a night. This would make it the least expensive place in our area. It has no management on site 24/7 like a hotel would. It allows pets but sight has not planned park for their needs. Even the kitchen has no supplies, pots, pans, plates glasses etc. Owners suggested they are not responsible for crime committed by their patrons off premises. Not in favor of this hotel chain.

This is an ill advised extended stay hotel. It is not necessary and is most likely going to attract extra traffic which is already highly trafficked especially during the arrival of snowbirds. This is a residential area with a high school not far away. This will attract possibly a wrong element. We need to think of our residents first and money secondly

During our travels for work we were often put up in extended stay hotels. I don't recommend it. I often saw fights, evidence of drug use, beer and liquor bottles along with other trash in the parking areas. My husband was approached by a prostitute on more than one occasion. I challenge the members of the council to spend a full week-including a weekend- in an extended stay hotel. How are you going to keep drugs, prostitutes, pedophiles, sex offenders and other criminals out of there? As there are 4 schools in the area and a community center across the street from the site, how are you going to guarantee the safety of the children in those schools and at that center? Would you want a pedophile or rapist living next to you and your children?

There are already 2 hotels in Coconut Creek. A third hotel is not necessary, particularly not an extended stay hotel, which will without a doubt bring increased crime to our city. The proposed location of this hotel is terrible - across the street from the community center, near an elementary school and residential neighborhoods. Our town is already bursting at the seams, our schools are overcrowded, traffic on Lyons Road is a nightmare, and the number of traffic accidents has increased substantially in the past few years. We love our city. Please VOTE NO to this proposed extended stay hotel.

Subject: 279 signers: No Hotel petition

Dear Sheila Rose,

I started a petition to you titled *No Hotel*. So far, the petition has 279 total signers.

You can post a response for us to pass along to all petition signers by clicking here:
http://petitions.moveon.org/target_talkback.html?tt=tt-132861-custom-87721-20280608-ApKX29

The petition states:

"I am most definitely NOT in favor of a hotel of any type being built behind Walgreen's at the SW corner of Lyons Road and Coconut Creek Parkway. This would increase traffic which is already heavier than it has ever been on Lyons Road. An extended residence hotel also will bring in an element to our area that is not needed. Additionally, this is an area with local schools and is already over crowded. We have no need for a hotel in this space. No Hotel....Please!"

Dear Sheila Rose, Director of Sustainable Development,

We are pleased to present you with this petition affirming this statement:

"I am most definitely NOT in favor of a hotel of any type being built behind Walgreen's at the SW corner of Lyons Road and Coconut Creek Parkway. This would increase traffic which is already heavier than it has ever been on Lyons Road. An extended residence hotel also will bring in an element to our area that is not needed. Additionally, this is an area with local schools and is already over crowded. We have no need for a hotel in this space. No Hotel...Please!"

Attached is a list of individuals who have added their names to this petition, as well as additional comments written by the petition signers themselves.

There is no upside for the community because whatever revenue is collected in taxes will likely have to go for additional law enforcement. Similar hotels from this developer and other extended stay hotels routinely bring in crime and a primarily undesirable element to the community we cherish.

This extended stay is an apartment house in disguise allowing any length of stay for under \$50 a night. This would make it the least expensive place in our area. It has no management on site 24/7 like a hotel would. It allows pets but sight has not planned park for their needs. Even the kitchen has no supplies, pots, pans, plates glasses etc. Owners suggested they are not responsible for crime committed by their patrons off premises. Not in favor of this hotel chain.

This is an ill advised extended stay hotel. It is not necessary and is most likely going to attract extra traffic which is already highly trafficked especially during the arrival of snowbirds. This is a residential area with a high school not far away. This will attract possibly a wrong element. We need to think of our residents first and money secondly

During our travels for work we were often put up in extended stay hotels. I don't recommend it. I often saw fights, evidence of drug use, beer and liquor bottles along with other trash in the parking areas. My husband was approached by a prostitute on more than one occasion. I challenge the members of the council to spend a full week-including a weekend- in an extended stay hotel. How are you going to keep drugs, prostitutes, pedophiles, sex offenders and other criminals out of there? As there are 4 schools in the area and a community center across the street from the site, how are you going to guarantee the safety of the children in those schools and at that center? Would you want a pedophile or rapist living next to you and your children?

There are already 2 hotels in Coconut Creek. A third hotel is not necessary, particularly not an extended stay hotel, which will without a doubt bring increased crime to our city. The proposed location of this hotel is terrible - across the street from the community center, near an elementary school and residential neighborhoods. Our town is already bursting at the seams, our schools are overcrowded, traffic on Lyons Road is a nightmare, and the number of traffic accidents has increased substantially in the past few years. We love our city. Please VOTE NO to this proposed extended stay hotel.

Dear Sheila Rose,

I started a petition to you titled No Hotel. So far, the petition has 313 total signers.

You can post a response for us to pass along to all petition signers by clicking here:

http://petitions.moveon.org/target_talkback.html?tt=tt-132861-custom-87721-20280611-6HH57k

The petition states:

"I am most definitely NOT in favor of a hotel of any type being built behind Walgreen's at the SW corner of Lyons Road and Coconut Creek Parkway. This would increase traffic which is already heavier than it has ever been on Lyons Road. An extended residence hotel also will bring in an element to our area that is not needed. Additionally, this is an area with local schools and is already over crowded. We have no need for a hotel in this space. No Hotel....Please!"

To download a PDF file of all your constituents who have signed the petition, including their addresses, click this link: http://petitions.moveon.org/deliver_pdf.html?job_id=2316710&target_type=custom&target_id=87721

Dear Sheila Rose, Director of Sustainable Development,

We are pleased to present you with this petition affirming this statement:

"I am most definitely NOT in favor of a hotel of any type being built behind Walgreen's at the SW corner of Lyons Road and Coconut Creek Parkway. This would increase traffic which is already heavier than it has ever been on Lyons Road. An extended residence hotel also will bring in an element to our area that is not needed. Additionally, this is an area with local schools and is already over crowded. We have no need for a hotel in this space. No Hotel....Please!"

Attached is a list of individuals who have added their names to this petition, as well as additional comments written by the petition signers themselves.

Sincerely,
Ronald Troum

There is no upside for the community because whatever revenue is collected in taxes will likely have to go for additional law enforcement. Similar hotels from this developer and other extended stay hotels routinely bring in crime and a primarily undesirable element to the community we cherish.

This extended stay is an apartment house in disguise allowing any length of stay for under \$50 a night. This would make it the least expensive place in our area. It has no management on site 24/7 like a hotel would. It allows pets but sight has not planned park for their needs. Even the kitchen has no supplies, pots, pans, plates glasses etc. Owners suggested they are not responsible for crime committed by their patrons off premises. Not in favor of this hotel chain.

This is an ill advised extended stay hotel. It is not necessary and is most likely going to attract extra traffic which is already highly trafficked especially during the arrival of snowbirds. This is a residential area with a high school not far away. This will attract possibly a wrong element. We need to think of our residents first and money secondly

During our travels for work we were often put up in extended stay hotels. I don't recommend it. I often saw fights, evidence of drug use, beer and liquor bottles along with other trash in the parking areas. My husband was approached by a prostitute on more than one occasion. I challenge the members of the council to spend a full week-including a weekend- in an extended stay hotel. How are you going to keep drugs, prostitutes, pedophiles, sex offenders and other criminals out of there? As there are 4 schools in the area and a community center across the street from the site, how are you going to guarantee the safety of the children in those schools and at that center? Would you want a pedophile or rapist living next to you and your children?

There are already 2 hotels in Coconut Creek. A third hotel is not necessary, particularly not an extended stay hotel, which will without a doubt bring increased crime to our city. The proposed location of this hotel is terrible - across the street from the community center, near an elementary school and residential neighborhoods. Our town is already bursting at the seams, our schools are overcrowded, traffic on Lyons Road is a nightmare, and the number of traffic accidents has increased substantially in the past few years. We love our city. Please VOTE NO to this proposed extended stay hotel.

Subject: 348 signers: No Hotel petition

Dear Sheila Rose,

I started a petition to you titled *No Hotel*. So far, the petition has 348 total signers.

You can post a response for us to pass along to all petition signers by clicking here:
http://petitions.moveon.org/target_talkback.html?tt=tt-132861-custom-87721-20280613-LjUpWJ

The petition states:

"I am most definitely NOT in favor of a hotel of any type being built behind Walgreen's at the SW corner of Lyons Road and Coconut Creek Parkway. This would increase traffic which is already heavier than it has ever been on Lyons Road. An extended residence hotel also will bring in an element to our area that is not needed. Additionally, this is an area with local schools and is already over crowded. We have no need for a hotel in this space. No Hotel....Please!"

To download a PDF file of all your constituents who have signed the petition, including their addresses, click this link: http://petitions.moveon.org/deliver_pdf.html?job_id=2317843&target_type=custom&target_id=87721

Dear Sheila Rose, Director of Sustainable Development,

We are pleased to present you with this petition affirming this statement:

"I am most definitely NOT in favor of a hotel of any type being built behind Walgreen's at the SW corner of Lyons Road and Coconut Creek Parkway. This would increase traffic which is already heavier than it has ever been on Lyons Road. An extended residence hotel also will bring in an element to our area that is not needed. Additionally, this is an area with local schools and is already over crowded. We have no need for a hotel in this space. No Hotel....Please!"

No hotel! Building an extended stay right next to a high school (and the many other communal schools) will acerbate the dangers posed by child predators. This is certainly not the correct location for a new hotel. Please reconsider the detrimental impact this will have on our community!

I thought this area was part of the educational strip? I am all for development when it makes sense so if you ask yourself if this is needed the answer is no! We have 2 motels within a 5 mile radius both are not at capacity and unfortunately are becoming the extended stay hotels you are trying to build? One is just off the turnpike and the othe is on 441 Margate. We have 5 schools with in a 5 mile radius not to mention a beautiful park so ask yourselves is the really the best use of this parcel? Let s put some more work into this project and come up with a better solution we know better and we can do BETTER for our Coconut Creek Residents

If you want to put another hotel up, put it up in the north end of the city where the other hotels are, it doesn t make sence to have a hotel around nothing but schools and it s not even right off the turnpike, whereas the hotels in the north end are right off the sawgrass.

There is no upside for the community because whatever revenue is collected in taxes will likely have to go for additional law enforcement. Similar hotels from this developer and other extended stay hotels routinely bring in crime and a primarily undesirable element to the community we cherish.

This extended stay is an apartment house in disguise allowing any length of stay for under \$50 a night. This would make it the least expensive place in our area. It has no management on site 24/7 like a hotel would. It allows pets but sight has not planned park for their needs. Even the kitchen has no supplies, pots, pans, plates glasses etc. Owners suggested they are not responsible for crime committed by their patrons off premises. Not in favor of this hotel chain.

This is an ill advised extended stay hotel. It is not necessary and is most likely going to attract extra traffic which is already highly trafficked especially during the arrival of snowbirds. This is a residential area with a high school not far away. This will attract possibly a wrong element. We need to think of our residents first and money secondly

During our travels for work we were often put up in extended stay hotels. I don't recommend it. I often saw fights, evidence of drug use, beer and liquor bottles along with other trash in the parking areas. My husband was approached by a prostitute on more than one occasion. I challenge the members of the council to spend a full week-including a weekend- in an extended stay hotel. How are you going to keep drugs, prostitutes, pedophiles, sex offenders and other criminals out of there? As there are 4 schools in the area and a community center across the street from the site, how are you going to guarantee the safety of the children in those schools and at that center? Would you want a pedophile or rapist living next to you and your children?

There are already 2 hotels in Coconut Creek. A third hotel is not necessary, particularly not an extended stay hotel, which will without a doubt bring increased crime to our city. The proposed location of this hotel is terrible - across the street from the community center, near an elementary school and residential neighborhoods. Our town is already bursting at the seams, our schools are overcrowded, traffic on Lyons Road is a nightmare, and the number of traffic accidents has increased substantially in the past few years. We love our city. Please VOTE NO to this proposed extended stay hotel.

Dear Sheila Rose,

I started a petition to you titled No Hotel. So far, the petition has 416 total signers.

You can post a response for us to pass along to all petition signers by clicking here:
http://petitions.moveon.org/target_talkback.html?tt=tt-132861-custom-87721-20280615-nsQVyA

The petition states:

"I am most definitely NOT in favor of a hotel of any type being built behind Walgreen's at the SW corner of Lyons Road and Coconut Creek Parkway. This would increase traffic which is already heavier than it has ever been on Lyons Road. An extended residence hotel also will bring in an element to our area that is not needed. Additionally, this is an area with local schools and is already over crowded. We have no need for a hotel in this space. No Hotel....Please!"

To download a PDF file of all your constituents who have signed the petition, including their addresses, click this link: http://petitions.moveon.org/deliver_pdf.html?job_id=2318712&target_type=custom&target_id=87721

Dear Sheila Rose, Director of Sustainable Development,

We are pleased to present you with this petition affirming this statement:

"I am most definitely NOT in favor of a hotel of any type being built behind Walgreen's at the SW corner of Lyons Road and Coconut Creek Parkway. This would increase traffic which is already heavier than it has ever been on Lyons Road. An extended residence hotel also will bring in an element to our area that is not needed. No Hotel. This will impact CC in a negative way. There will be no background checks for residents allowing sex offenders and violent criminals to move in right next to our schools and community. Traffic will increase. It will drain our police officers. This will not be safe for our families.

NO HOTEL. If this hotel is approved, registered sex offenders would be able to stay there, and that is in violation of the proximity of the schools that are located within the distance to the hotel. This should not be approved. Not safe for our families.

Put in shops and restaurants to stimulate the economy of this RESIDENTIAL area. Build a hotel in business and industrial areas - not across from a neighborhood park. The city of coconut creek already needs to address the crime and prevalence of homeless people in this area - this will only compound those real concerns for the residents. We just moved here and are already talking about moving elsewhere in the near future because we re so disappointed and uncomfortable with the crime and homelessness in the area - despite many calls to the non-emergency police line and city hal to ask about the are before we purchased. Please do not allow this hotel to go up, we beg of you.

Ours is a neighborhood of families and retired adults. Building another hotel in our area is not only unnecessary, since we already have several next to the turnpike entrance, but it will add to an already congested hi traffic area. Please consider those of us who live and work in Coconut Creek before you bring another unnecessary possible crime magnet into our homes.

I thought this area was part of the educational strip? I am all for development when it makes sense so if you ask yourself if this is needed the answer is no! We have 2 motels within a 5 mile radius both are not at capacity and unfortunately are becoming the extended stay hotels you are trying to build? One is just off the turnpike and the other is on 441 Margate. We have 5 schools within a 5 mile radius not to mention a beautiful park so ask yourselves is this really the best use of this parcel? Let's put some more work into this project and come up with a better solution we know better and we can do BETTER for our Coconut Creek Residents

If you want to put another hotel up, put it up in the north end of the city where the other hotels are, it doesn't make sense to have a hotel around nothing but schools and it's not even right off the turnpike, whereas the hotels in the north end are right off the sawgrass.

This extended stay is an apartment house in disguise allowing any length of stay for under \$50 a night. This would make it the least expensive place in our area. It has no management on site 24/7 like a hotel would. It allows pets but sight has not planned park for their needs. Even the kitchen has no supplies, pots, pans, plates glasses etc. Owners suggested they are not responsible for crime committed by their patrons off premises. Not in favor of this hotel chain.

This is an ill advised extended stay hotel. It is not necessary and is most likely going to attract extra traffic which is already highly trafficked especially during the arrival of snowbirds. During our travels for work we were often put up in extended stay hotels. I don't recommend it. I often saw fights, evidence of drug use, beer and liquor bottles along with other trash in the parking areas. My husband was approached by a prostitute on more than one occasion. I challenge the members of the council to spend a full week-including a weekend- in an extended stay hotel. How are you going to keep drugs, prostitutes, pedophiles, sex offenders and other criminals out of there? As there are 4 schools in the area and a community center across the street from the site, how are you going to guarantee the safety of the children in those schools and at that center? Would you want a pedophile or rapist living next to you and your children?

There are already 2 hotels in Coconut Creek. A third hotel is not necessary, particularly not an extended stay hotel, which will without a doubt bring increased crime to our city. The proposed location of this hotel is terrible - across the street from the community center, near an elementary school and residential neighborhoods. Our town is already bursting at the seams, our schools are overcrowded, traffic on Lyons Road is a nightmare, and the number of traffic accidents has increased substantially in the past few years. We love our city. Please VOTE NO to this proposed extended stay hotel.

Dear Sheila Rose,

I started a petition to you titled *No Hotel*. So far, the petition has 482 total signers.

You can post a response for us to pass along to all petition signers by clicking here:
http://petitions.moveon.org/target_talkback.html?tt=tt-132861-custom-87721-20280617-dFV_Ap

The petition states:

"I am most definitely NOT in favor of a hotel of any type being built behind Walgreen's at the SW corner of Lyons Road and Coconut Creek Parkway. This would increase traffic which is already heavier than it has ever been on Lyons Road. An extended residence hotel also will bring in an element to our area that is not needed. Additionally, this is an area with local schools and is already over crowded. We have no need for a hotel in this space. No Hotel....Please!"

To download a PDF file of all your constituents who have signed the petition, including their addresses, click this link: http://petitions.moveon.org/deliver_pdf.html?job_id=2319726&target_type=custom&target_id=87721

Dear Sheila Rose, Director of Sustainable Development,

We are pleased to present you with this petition affirming this statement:

"I am most definitely NOT in favor of a hotel of any type being built behind Walgreen's at the SW corner of Lyons Road and Coconut Creek Parkway. This would increase traffic which is already heavier than it has ever been on Lyons Road. An extended residence hotel also will bring in an element to our area that is not needed. To be delivered to Coconut Creek Planning/City Council, Sheila Rose, Director of Sustainable Development I am most definitely NOT in favor of a hotel of any type being built behind Walgreen's at the SW corner of Lyons Road and Coconut Creek Parkway. This would increase traffic which is already heavier than it has ever been on Lyons Road. An extended residence hotel also will bring in an element to our area that is not needed. Additionally, this is an area with local schools and is already over crowded. We have no need for a hotel in this space. No Hotel....Please!

I don't live in the section of the city where this hotel is proposed, but I sympathize with the residents who do. The proposed hotel is simply not a good match for the existing properties that adjoin the site. And the underhanded way that the investors and town officials tried to slide this hotel past all of the potentially affected stakeholders without adequate notification, with misinformation, and with blatant attempts to stifle the very real and legitimate concerns of current residents most likely to be adversely affected by this hotel is shameful. If construction of this hotel starts without all of the proper zoning issues being addressed through the proper channels, without adequate and honest and timely communication to ALL affected residents, and without proper opportunities for affected stakeholders to communicate their concerns, I will be forced to contact a professional documentary filmmaker I know in Brooklyn, NY, who's looking for a new project since her latest project finished the festival circuit (and won multiple awards) recently. Even if the project doesn't suit her, she'll find someone who would jump at the opportunity. Having two award-winning documentaries in three years has made her a hot ticket these days.

Put in shops and restaurants to stimulate the economy of this RESIDENTIAL area. Build a hotel in business and industrial areas - not across from a neighborhood park. The city of coconut creek already needs to address the crime and prevalence of homeless people in this area - this will only compound those real concerns for the residents. We just moved here and are already talking about moving elsewhere in the near future because we re so disappointed and uncomfortable with the crime and homelessness in the area - despite many calls to the non-emergency police line and city hal to ask about the are before we purchased. Please do not allow this hotel to go up, we beg of you.

I thought this area was part of the educational strip? I am all for development when it makes sense so if you ask yourself if this is needed the answer is no! We have 2 motels within a 5 mile radius both are not at capacity and unfortunately are becoming the extended stay hotels you are trying to build? One is just off the turnpike and the othe is on 441 Margate. We have 5 schools with in a 5 mile radius not to mention a beautiful park so ask yourselves is the really the best use of this parcel? Let s put some more work into this project and come up with a better solution we know better and we can do BETTER for our Coconut Creek Residents

This extended stay is an apartment house in disguise allowing any length of stay for under \$50 a night. This would make it the least expensive place in our area. It has no management on site 24/7 like a hotel would. It allows pets but sight has not planned park for their needs. Even the kitchen has no supplies, pots, pans, plates glasses etc. Owners suggested they are not responsible for crime committed by their patrons off premises. Not in favor of this hotel chain.

This is an ill advised extended stay hotel. It is not necessary and is most likely going to attract extra traffic which is already highly trafficked especially during the arrival of snowbirds. This is a residential area with a high school not far away. This will attract possibly a wrong element. We need to think of our residents first and money secondly

During our travels for work we were often put up in extended stay hotels. I don't recommend it. I often saw fights, evidence of drug use, beer and liquor bottles along with other trash in the parking areas. My husband was approached by a prostitute on more than one occasion. I challenge the members of the council to spend a full week-including a weekend- in an extended stay hotel. How are you going to keep drugs, prostitutes, pedophiles, sex offenders and other criminals out of there? As there are 4 schools in the area and a community center across the street from the site, how are you going to guarantee the safety of the children in those schools and at that center? Would you want a pedophile or rapist living next to you and your children?

There are already 2 hotels in Coconut Creek. A third hotel is not necessary, particularly not an extended stay hotel, which will without a doubt bring increased crime to our city. The proposed location of this hotel is terrible - across the street from the community center, near an elementary school and residential neighborhoods. Our town is already bursting at the seams, our schools are overcrowded, traffic on Lyons Road is a nightmare, and the number of traffic accidents has increased substantially in the past few years. We love our city. Please VOTE NO to this proposed extended stay hotel.

Subject: 494 signers: No Hotel petition

Dear Sheila Rose,

I started a petition to you titled *No Hotel*. So far, the petition has 494 total signers.

You can post a response for us to pass along to all petition signers by clicking here:

http://petitions.moveon.org/target_talkback.html?tt=tt-132861-custom-87721-20280620-f=yH4R

The petition states:

"I am most definitely NOT in favor of a hotel of any type being built behind Walgreen's at the SW corner of Lyons Road and Coconut Creek Parkway. This would increase traffic which is already heavier than it has ever been on Lyons Road. An extended residence hotel also will bring in an element to our area that is not needed. Additionally, this is an area with local schools and is already over crowded. We have no need for a hotel in this space. No Hotel....Please!"

To download a PDF file of all your constituents who have signed the petition, including their addresses, click this link: http://petitions.moveon.org/deliver_pdf.html?job_id=2321411&target_type=custom&target_id=87721

Dear Sheila Rose, Director of Sustainable Development,

We are pleased to present you with this petition affirming this statement:

"I am most definitely NOT in favor of a hotel of any type being built behind Walgreen's at the SW corner of Lyons Road and Coconut Creek Parkway. This would increase traffic which is already heavier than it has ever been on Lyons Road. An extended residence hotel also will bring in an element to our area that is not needed. Additionally, this is an area with local schools and is already over crowded. We have no need for a hotel in this space. No Hotel....Please!"

Attached is a list of individuals who have added their names to this petition, as well as additional comments written by the petition signers themselves.

I don't live in the section of the city where this hotel is proposed, but I sympathize with the residents who do. The proposed hotel is simply not a good match for the existing properties that adjoin the site. And the underhanded way that the investors and town officials tried to slide this hotel past all of the potentially affected stakeholders without adequate notification, with misinformation, and with blatant attempts to stifle the very real and legitimate concerns of current residents most likely to be adversely affected by this hotel is shameful. If construction of this hotel starts without all of the proper zoning issues being addressed through the proper channels, without adequate and honest and timely communication to ALL affected residents, and without proper opportunities for affected stakeholders to communicate their concerns, I will be forced to contact a professional documentary filmmaker I know in Brooklyn, NY, who's looking for a new project since her latest project finished the festival circuit (and won multiple awards) recently. Even if the project doesn't suit her, she'll find someone who would jump at the opportunity. Having two award-winning documentaries in three years has made her a hot ticket these days.

No Hotel. This will impact CC in a negative way. There will be no background checks for residents allowing sex offenders and violent criminals to move in right next to our schools and community. Traffic will increase. It will drain our police officers. This will not be safe for our families.

Put in shops and restaurants to stimulate the economy of this RESIDENTIAL area. Build a hotel in business and industrial areas - not across from a neighborhood park. The city of coconut creek already needs to address the crime and prevalence of homeless people in this area - this will only compound those real concerns for the residents. We just moved here and are already talking about moving elsewhere in the near future because we re so disappointed and uncomfortable with the crime and homelessness in the area - despite many calls to the non-emergency police line and city hal to ask about the are before we purchased. Please do not allow this hotel to go up, we beg of you.

Ours is a neighborhood of families and retired adults. Building another hotel in our area is not only unnecessary, since we already have several next to the turnpike entrance, but it will add to an already congested hi traffic area. I thought this area was part of the educational strip? I am all for development when it makes sense so if you ask yourself if this is needed the answer is no! We have 2 motels within a 5 mile radius both are not at capacity and unfortunately are becoming the extended stay hotels you are trying to build? One is just off the turnpike and the othe is on 441 Margate. We have 5 schools with in a 5 mile radius not to mention a beautiful park so ask yourselves is the really the best use of this parcel? Let s put some more work into this project and come up with a better solution we know better and we can do BETTER for our Coconut Creek Residents

If you want to put another hotel up, put it up in the north end of the city where the other hotels are, it doesn t make sence to have a hotel around nothing but schools and it s not even right off the turnpike, whereas the hotels in the north end are right off the sawgrass.

There is no upside for the community because whatever revenue is collected in taxes will likely have to go for additional law enforcement. Similar hotels from this developer and other extended stay hotels routinely bring in crime and a primarily undesirable element to the community we cherish.

This extended stay is an apartment house in disguise allowing any length of stay for under \$50 a night. This would make it the least expensive place in our area. It has no management on site 24/7 like a hotel would. It allows pets but sight has not planned park for their needs. Even the kitchen has no supplies, pots, pans, plates glasses etc. Owners suggested they are not responsible for crime committed by their patrons off premises. Not in favor of this hotel chain.

This is an ill advised extended stay hotel. It is not necessary and is most likely going to attract extra traffic which is already highly trafficked especially during the arrival of snowbirds. This is a residential area with a high school not far away. This will attract possibly a wrong element. We need to think of our residents first and money secondly

During our travels for work we were often put up in extended stay hotels. I don't recommend it. I often saw fights, evidence of drug use, beer and liquor bottles along with other trash in the parking areas. My husband was approached by a prostitute on more than one occasion. I challenge the members of the council to spend a full week-including a weekend- in an extended stay hotel. How are you going to keep drugs, prostitutes, pedophiles, sex offenders and other criminals out of there? As there are 4 schools in the area and a community center across the street from the site, how are you going to guarantee the safety of the children in those schools and at that center? Would you want a pedophile or rapist living next to you and your children?

That location is busy enough with the Publix plaza across the street to the north and the community center to the east. ATC campus also adds to the area. I'm sure you can find another location better suited for a tourist lodging established.

There are already 2 hotels in Coconut Creek. A third hotel is not necessary, particularly not an extended stay hotel, which will without a doubt bring increased crime to our city. The proposed location of this hotel is terrible - across the street from the community center, near an elementary school and residential neighborhoods. Our town is already bursting at the seams, our schools are overcrowded, traffic on Lyons Road is a nightmare, and the number of traffic accidents has increased substantially in the past few years. We love our city. Please VOTE NO to this proposed extended stay hotel.

Colleagues,

The minutes from the Tuesday, May 8th meeting are available on the **UPDATES** section of the website. Our next meeting will be on Tuesday, June 12th at 7:30 pm.

South Coconut Creek Alert

On Wed, May 9th, I attended a meeting of the City's Planning and Zoning Committee. I was alerted to an agenda item concerning the request from Woodspring Hotel to build an extended stay facility (122 rooms) at the southwest corner of Lyons Road and Coconut Creek Parkway. The proposed building would be in the Hale Plaza behind Walgreens.

- Click HERE for a map of the area.
- Click HERE for the Planning and Zoning Committee meeting agenda.
- Click HERE for a Coconut Creek News.net article on the matter

After listening to the presentation from Woodspring Hotel, hearing the concerns of residents, and researching the hotel (see Yelp reviews), I am not in favor of having Woodspring Hotel moving into Coconut Creek. Please note that the Planning and Zoning Committee approved the request at Wednesday's meeting in a vote of 4-1.

My many concerns pertain to allowing increased traffic on Lyons Road (which would delay the response time of Fire Station 50), the clients that frequent a low value extended stay facility, the lack of support from residents, and the need for this facility.

I encourage you to research the issue and share your views with our Commission.

Sincerely,

Greg

Subject: Concerned Citizen

To whom it may concern:

I am writing this email to the political faces of Coconut Creek as a concerned citizen, parent and homeowner. The news about the extended stay has me extremely upset for many reasons. First being

the fact of what kind of people stay at these places, by no means am I judge mental but by all means would prefer it away from my family .I have small children and lets be real we don't know who stays at these places and it is very unsettling. We are inviting strangers into our home.You have an elementary school very close and are now making this beautiful park (Windmill), now to add people of unknown tendencies is very unnerving. I feel as if South Creek is the part of town people forget about, maybe because we are the end of town and not close to boca I feel we are not as recognized for some reason and that we can get the short end of the stick . By this I mean this extended stay was thrown out in North creek some time ago, so why would putting it on the other side of town be ok?? South Creek is special, we have people that live here since they were children and now our raising their families here. It's more of a family then anything, and I can speak for all saying this is unacceptable to have anything of this nature here in our city. If you have ever googled extended stay near me the areas these places are placed does not represent Coconut Creek and I urge you to look on a map these extended stay are in .We already battle over the bridge with the panhandlers and have you been inside the library lately?? We already have issue in South Creek with some uninvited guests and to add fuel the fire could be devastating to the community.We have three trade schools that bring lotering during the day with kids hanging around Thank you for listening to my concerns and hope this helps in making your decision.I understand running a city has its ups and downs but what amazing job thus far Coconut Creek is amazing !!!! Let's keep it that way with healthy and positive build ups and new comings.

Thank you,
Christiane Pumariega

Subject: Concerned resident of Coconut Creek

My name is Suzzan Volk, I live in the 'Hammocks Lake Forest' condominium. I have been a long time resident of Coconut Creek and a very proud citizen of our beautiful city. I am very concerned about Woodspring Suites Extended Stay facility being built behind Walgreens on Lyons Rd.

We have so much traffic in this area, we have 3-4 schools in this area, speed limit is 40 on Lyons road and not too many people obey this, speed limit is 35 on Coconut Creek Parkway and again not too many law abiding citizens obey this. Children run through traffic against lights.

There are not enough police to handle the complaints that this Extended Stay Facility is going to create. There are other Woodspring Suites and research has been done on these properties. Nothing good is coming out of them. In Lake Worth over 300 police calls to their address since 2017.

>BSO Commander and 20-year Coconut Creek resident, David Robshaw said and I quote, "Make no mistake, these extended stay hotels attract a substrate clientèle that no one wants around. These include prostitutes and drug dealers – I'll say it as it is. **These locations from my personal experience are disproportionately served by police response and I'm curious as to why this question has not been raised. "**

Elected officials- You, will make a final land use decision at their June 28th City Commission meeting. The elected body can either say 'no' on behalf of constituents and residents who have voiced strong concerns against the project, or say 'yes' to Woodspring Suites and I say next elections I will have no problem on who to vote in or out of their esteemed offices.

Hello,

I am trying to find out how many crimes/incidents have occurred at the Woodsprings Suites Hotel at 4650 West New Haven Ave., West Melbourne. The dates I would be looking for would be from June 1, 2017 to current (basically one year's worth).

I am not looking for any personal information, just researching the hotel chain itself, as we have one that wants to build down here in Coconut Creek, Fl. (Broward County).

Any information would be helpful,

Thank you,

Dear Deputy City Clerk Marianna Bowers,
My name is Linda Barrio, my husband and I are long time residents of South Creek community. We are both "very much against the proposed building of Woodsprings Extended Stay hotel in our city. The reasons are many, but, most importantly is the added crime, traffic, loitering, less than desirable persons who will be added to this great city!
Please, consider our request to "Not" let this happen.
Thank you,

Becky,

I was just made aware of the plans to possibly put a motel near our community at Cocopalms, just south of Coconut Creek Parkway off of Lyons. I would like to voice my concern as to what that would most likely lead to in the future. We have chosen to buy a house in Coconut Creek so our kids will have a great place to grow up. I know for fact that over the long term these type of places, extended stay motels for cheap, can bring in the most nefarious types of individuals. I used to work as a photojournalist for the local news and almost every extended stay type of motel that I had to visit for news related purposes was always for something bad. Things such as prostitution (adult and children), drug related crimes, meth fires, homicides, theft, assaults, money laundering and the like. I have never been to one of these

types of motels for any good reason. I do understand that not all of the people that stay at one of these motels are bad people, but with a pretty big park and community center right across the street from the proposed location, I can only imagine the type of foot traffic through the park from east of the turnpike to this motel. I drive almost everyday east on Coconut Creek Parkway and have seen various vagrants meandering around that area. Not to mention on Blount Rd. where the jail resides. I love Coconut Creek mostly because it feels like a small town tucked around the bigger cities. I don't want to see anything be put in place that could jeopardize the wonderful city that we call home.

Thank you for your time,
Aaron Primmer & Family
Proud Coconut Creek residents

Hello Becky

I am writing you this email about the new extended stay projected building plans to express my concerns about having this type of accommodations so I am writing you this email about the new extended stay projected building plans to express my concerns about having this type of accommodations so close to our home.

We moved to the Coco Plum development 8 years ago and the city continues to flourish and expand its beautiful parks and events. I feel this type of establishment would be a step backward for a family neighborhood.

I realize and can't begin to understand the full scope of your challenges as our leader in this community but implore you to please reconsider this project and look for another project to put in that space.

Requestor: Angela Stewart

Initial Request: Pleaes DO NOT allow the Woodspring Hotel to go in here, especially that close to Wynmoor. It shouldnt go in the Creek at all. Recently someone jumped over the wall in broad daylight with GLOVES on. They obviously robbed or were trying to steal from the elderly here. I will have to move if that hotel goes in here. Thank you.

Sandy,

Thank you very much for your time today and listening to our concerns regarding the proposed Extended Stay hotel to Coconut Creek. I know that your schedule is hectic and I appreciate that you set aside the time to hear our concerns today.

I just wanted to re- cap some of what we discussed today and why we think it is so important to vote no on the amendment for land use on June 28th. I have been a resident of Coconut Creek for 20 years and have enjoyed raising 3 children here. We have been actively involved in school through PTA and the city through recreational sports such as softball, baseball, and soccer. I have enjoyed getting to know the residents in our city. Recently, my neighborhood has seen a spike in renters and I have personally experienced seeing a difference in how that affects our small development. I do not want a hotel of that size to bring in more transient people so close to home. We now have a beautiful community center on Lyons Rd that boasts its concerts in the park and is a wonderful uniting factor for residents. This would be directly across the street with a hotel filled with people who are transient. They are not residents and do not have the same vested interest in our city as we do.

*Site plan was originally approved for 88 rooms. Now amendment is to expand to 122 rooms. To my knowledge, there have been no recent traffic studies done to show that the location can support that added traffic volume. I believe the last traffic study was done back in 2006. Our city has grown tremendously since then and I am concerned that the roads wouldn't be able to support the added traffic without creating an undue burden on its residents.

*I am also concerned that a hotel added to that area would cause an increase in strain to our police department. We were told that their employees only work until 10:00 PM. Commercial properties by nature, tend to have a higher crime rate. I would also be interested to see if the city has done a cost/benefits analysis to determine the financial drain this could cause to our police department.

I am also concerned that by voting to expand the number from 88-122 would enable a hotel to be built that would not be able to maintain their capacity. At the P and Z meeting it was stated that Extended Stays draw people that are traveling for business such as traveling nurses. North West Medical Center doesn't have a traveling nurse program and when physicians do come in from out of town, they are usually put up on the beach for their stay. We don't have any large corporations in Coconut Creek that would be able to fill the hotel for business. As a result, I fear that either the rates will be lowered to draw in an undesirable clientele or the owners will decide to sell to any low rate motel willing to buy. Neither are good choices for the residents. This location is already within a couple of miles from 3 separate adult entertainment establishments.

I will be looking into these questions and look forward to expressing my concern at the June 28th meeting.

I'm asking you to vote no to the amendment to expand the 88 room hotel to 122 rooms. I do not think that would be in the best interest of the city.

Thank you again for your time today. Your dedication to listening to citizens' concerns speaks volumes to your dedication to our city.

Sincerely,

Melissa Fisher

Subject: LONG STAY HOTEL PROPOSED DEVELOPMENT IN COCONUT CREEK

Dear Sir/Madam, J(osh Rydell, Sandy Welch, Becky Tooley, Lou Sarbone, Mikkie Belvedere)

I have been a resident of Coconut Creek for the last 16 years. I have seen the city grow with new rental developments, some of which many people disagree with as they will only bring more traffic, all kinds of individuals, some of which are not into the best interest of our city. We are also concerned about the collapse of our limited services with so many new people coming and going. I'm talking about all the apartment

complexes recently built, and now the proposed 122 rooms extended stay hotel behind Walgreens in Coconut Creek Pkwy, which I understand has an approval for only 88 rooms.

This is an area where our children go to school, play at parks and feel safe so far. Many of us are concerned about our safety and disapprove of this new development. We want to keep our children safe, the traffic under control, and our services to be sufficient for the permanent residents in the area.

I understand there is a meeting on June 28th where we can voice our discontent, however we cannot vote. I think the residents of Coconut Creek should have a saying as this will affect OUR lives in every way.

I have to think that those of you that approve of this project don't live in the neighborhood, otherwise you wouldn't be supporting it. We are proud of our city and we like living here, but these developments are not good for our families. Please do not allow this in our city. We would welcome a shopping center plaza such as The Promenade, a park, or anything that will benefit our families, but a long stay hotel is not good.

Sincerely,

Nitza Ramos

Hello,

My name is Mark Kenner. I reside at 4172 NW 22nd St. located in the Pond Apple 3 development.

I am concerned about the proposed WoodSpring Suites extended stay hotel planned for the Strada Plaza property located at 4888 Coconut Creek Parkway, at the corner of Lyons Road and Coconut Creek Parkway.

Having researched the WoodSpring Suites and Choice hotels brand and others like it, I am aware that extended stay facilities like this bring increased crime, increased traffic, decreased property values, and blight to communities where they exist. Poorly planned for and unanticipated "drains" on city services such as Police, Fire Rescue, Water and Sewer as well as infrastructure are common complaints in those communities.

I also believe that a property like this is inconsistent with Coconut Creek's "Living Green" philosophy for community development, and an environmentally poor choice for the site.

I ask that you vote no to the special land use and site plan development application submitted by WoodSpring Suites at this site.

Respectfully,

Mark Kenner

Dear Ms. Bowers,

I just wanted to express how disappointed I was with the meeting Wednesday night. Not that the P&Z ruled in favor of the Extended Stay, but how it was done. I am very knowledgeable on Robert's Rules of Order and thought the meetings were run that way. It was a rude awakening to see how these meetings were run. And how rude the citizens are treated.

Mr. Miele who represented the hotel actually had the audacity to point out to all of you that he had a problem with the petition (but never pointed the problem out). I would like to point out that the city sent out only 125 letters to citizens but we handed you a petition with over 175 signatures, which was obviously ignored. I'd like to know from you if there was some kind of problem with the petition? If there was, why wasn't I informed?

Mr. Miele and his friends were permitted to speak endlessly and anytime they felt like walking up to the dais. And I could not get 2 extra minutes. Shameful....and not how Robert's Rules works. And the fact that the board believed this guy when he kept changing his story? And while Coconut Creek citizens spoke, him and his lady friend joked and read a magazine?

Either way, I respect the process, but I will be prepared next time. I'm not only ashamed of how my city treats citizens that actually show up and care, but also at myself for not realizing I was about to be bamboozled (no other word I could think of).

I look forward to the next City Commission meeting.

Sincerely,
Ronald Troum

Dear Marianne Bowers,

The attached file to this email is a petition started on May 7, 2018. During a period of 3 days, 175 signatures were collected on this petition which seeks to stop the development of a hotel at the corner behind Walgreen's pharmacy.....Lyons Road and Coconut Creek Parkway.

I will also hand deliver the hard copy to you at tonight's Planning and Zoning Board Meeting at 7 PM.

Hello,

My name is Albert Gavett. I am a Coconut Creek resident since December 1998. I live in the Township, Pond Apple Place II at 4407 NW 22nd Rd. I am writing to express my concerns about the purposed project to build an extended stay motel (Woodspring) on the southwest corner of Lyons and Coconut Creek Parkway behind the Walgreens. I am completely against this being built. I do not believe that this project will in any way enhance the beauty of our lovely city. I do not believe this project will help our city to progress as a quality community. Quite frankly, I'm not happy with a lot of the development projects I see proposed (land south of Promenade on Lyons) but that's another issue for another day. I see the Woodspring project adding no real value to our quality of life in Creek. The traffic in the area is already a problem. How does the city propose to deal with that? Is there a plan in place to handle this and other issue that may arise to the cities infrastructure? I will be attending the June 28th meeting to support those other residents who are also opposed to this project and to hear what plans the city may have.

I do want to say that I really do enjoy living in Coconut Creek and I believe the city has done a good job on a lot of projects to help beautify the area (i.e. the medians on Lyons Rd between Coconut Creek Parkway and Sample Rd, park restorations etc.etc). I look forward to enjoying more years of quality living here. I just don't believe that the current Woodspring project is good for our city.

Sincerely,
Albert Gavett

Subject: Proposed Woodspring "Extended Stay" Hotel

Mayor, Vice Mayor, and Commissioners:

My name is David Robshaw and I reside at 1832 NW 48 Terrace, Coconut Creek. I have lived at this residence for twenty years. My phone number is (954) 914-5028. You may reach me at any time if you have questions.

I spoke briefly during last night's "public comments" at the Planning and Zoning Board meeting, opposing the special land use application to allow a 122 room Woodspring Hotel to be located at the corner of Lyons Road and Coconut Creek Parkway, behind the Walgreens. I am concerned that the quality of life for current permanent residents who live in Coconut Creek will be significantly and negatively affected by the development of such a property in our neighborhood. My concerns are shared by many of my neighbors.

I am a retired Broward Sheriff's Office commander and served in both the Pompano Beach and Tamarac contract municipalities while in that capacity. Both of those cities had "extended stay" style hotels and I became well-familiar with them in my official role because of the *disproportionate number of calls for police service* at those locations. (These properties are similar to the property proposed by Woodspring). Activity at both locations involved crimes like drug use, human-trafficking (prostitution), thefts, and assaults, and general interdiction issues like fights, domestics, and the like.

While rebutting my comments and concerns, the developer's attorney assured the board and city staff members that Coconut Creek's police department had weighed in sufficiently on the matter of this approval. I have a simple question that wasn't answered: *Has the City of Coconut Creek evaluated police activity, i.e. calls for service, at "extended stay" locations recently in neighboring municipalities?* Of course, this question raises a host of corollary questions depending on the answer... like, if there are disproportionate calls for service at places like this, who pays the freight?

I'm not sure what the P.D.'s "weigh in" was, or if it was even recent. Did they "weigh in" when the zoning was first approved for the Strada development in 2005, thirteen years ago? How about recently? I think it only prudent for the city's leaders to conduct a thoughtful and careful survey of the potential problems these properties pose, before allowing it to become established here.

There are many available stories online about the issues these "low-rent" extended stay properties perpetuate. Some are listed here:

http://www.mdjonline.com/news/extended-stay-police-calls-sky-high/article_549140bd-074f-5d35-bdd5-130d0719a33d.html

If "grandmas" and "grandkids" were the predominant patrons at extended stay hotels, as posited by one of the chain's executive's at last night's meeting, it's unlikely that they would receive so much police attention.

Finally, when the Strada development was originally proposed and zoning approved thirteen years ago for a slightly smaller "hotel," I'm pretty sure the approval wasn't for an "extended stay" property. I think the developer is taking advantage of the language in the earlier approval to replace an apple with an orange.

Yours constructively,

David Robshaw

Subject: Proposed Woodspring Extended Stay

I attended the zoning board meeting last evening where the Woodspring Extended Stay Hotel was brought up for approval. I am not up on procedure, but I believe that the zoning board may have been voting on the acceptability of the Woodspring plans as far as meeting zoning standards is concerned. It is my understanding that the City Commissioners have the final say on whether Woodspring is given the go-ahead on their project. I encourage our city commissioners to vote NO on this request.

On the topic of honesty, the Woodspring presenter specifically stated that they do not do one night stays but rather two to three week stays. During the discussion it became clear that they actually do allow one night stays. So I am not confident of their presentation's forthrightness. It was their job to put the best face on the project. If one night stays are so repellant that they have to be obfuscated then why would we want a cheap facility that offers one night stays across the street from our Community Center where children of all ages play and next to a school that houses at risk students?

My question last evening, which was spur of the moment and not well phrased was, Why, if according to the presenter, 122 rooms is standard for a facility of this type, did they first come

forward requesting an 88 room facility? Did they bring forward the 88 room request because it would be easier to get passage and then plan to up their request as plans moved forward? I'm not sure, but I felt that no matter what last evening's results were, we were approved for an 88 room extended stay facility. So the question was could they increase their room count to 122. I see no reason to approve this increase in room count. As many of the speakers stated, we do not have an influx of private nurses or training events looking for one to two week housing. Coconut Creek is not a vacation spot. It is a residential community with a small town vibe. We do have the Casino in town and I have no information on whether Casino visitors are clamoring for one to two week housing. Relatives visit but I am not aware of any large demand for housing for our family guests. Homeowners in transition might want temporary housing, but 88 rooms would surely more than satisfy their needs. What is the purpose for increasing the room count?

I did not hear any green building codes discussed in reference to this project. I believe we no longer enforce the Leed standards, but I read somewhere that there was a different green building standard that we were supporting.

I believe recently that the property owners refused to sell this property to the city for our new fire station. At that time it was described as "the perfect site". Now they are interested in making a big profit by selling to an undesirable tenant. They are clearly not interested in the betterment of our city, but rather motivated by profit.

If an 88 room extended stay is already a done deal, then I am encouraging you not to increase the room count. If the extended stay type facility is not a done deal, then I feel like the city can do better by its citizens. No residents want a cheap housing facility inserted into our community.

Thank you for considering my concerns.

Marianne,

At the meeting Wednesday night Mr. Miele stated that there was no crime at the Woodsprings Suite. I think he told a bit of a tall tale on that one. This info has been forwarded to the Chief of Police in Coconut Creek. I contacted Lake Worth police (County Sheriff) and attached is 13 pages of incidents at the Woodsprings Suites there. This in just one year! I will be investigating further, as I believe the planners were bamboozled also. It might take a few minutes to figure out the codes...but there are around 200 incidences! To add to this I contacted the police in Davie, and it turns out there has been crime there also...6 vehicle burglaries, 2 car thefts and "some" domestic abuses.

Sincerely,
Ronald Troum

Subject: **The WoodString Extended Stay Suites Proposed Project**

Dear Sir/Madam:

This letter is about the proposed WoodSpring Suites extended stay hotel planned for the Strada Plaza property located at 4888 Coconut Creek Parkway, at the corner of Lyons Road and Coconut Creek Parkway.

We are strongly opposed to this project being built in our community. Having researched the WoodSpring Suites and Choice hotels brand and others like it, we are aware that extended stay facilities like this bring increased crime, increased traffic, decreased property values, and blight to communities where they exist. Poorly planned for and unanticipated "drains" on city services such as Police, Fire Rescue, Water and sewer as well as infrastructure are common complaints in those communities.

Further, we believe that a property like this is inconsistent with Coconut Creek's "Living Green" philosophy for community development, and an environmentally poor choice for the site.

We ask that you please vote no to the special land use and site plan development application submitted by WoodSpring Suites at this site.

Sincerely,

Linda Gilkes

Commissioners,

This email communication to each of you is to inform you of our opposition to the Woodspring Extended Stay Facility in Coconut Creek. We implore you to vote NO to the facility's requested expansion from 86 rooms to 122.

There are many reasons for our opposition - from their inability to conform to the Green Laws, the increase in traffic, the crime rates associated with their other facilities, and so on.

As residents of Wynmoor (close proximity to the site), we are concerned for our property value which will most likely be reduced with such a "facility" in our backyard.

Sincerely,

Kerri and Walter Kramme

It's a shame I only received 2 responses to our concerns as residents with respect to the Wood Springs Extended Hotel email I recently sent. We appreciate those who responded and they know who they are. Conversations are going around about our officials not caring about our concerns as residents. I tend to believe that is not true. Again, please make the right choice in rejecting this project and maybe considering a restaurant in that location instead. As I posted in my previous email, the general consensus is that we, as tax payers, want more restaurants and areas of entertainment (i.e. promenade type projects). Projects geared for families as well. C.C. still has some available real estate which can, and should be, used wisely.

Thanks again,
Mr. Revera

To all C.Creek officials,
By now I'm quite sure you have heard of C. Creek residents, like myself, very disappointed with the idea of a Hotel right in our backyard (LYONS/COCONUT CREEK PRKWY). We, as residents, have done research on Wood springs Hotels around the country and have found nothing but bad news. These extended stays always end up becoming a refuge for unwanted guests. We overwhelmingly advise that all of you redact the notion of any Hotel, Motel, or anything of that sort as we have serious concerns for our kids and our homes. If you reside in C.Creek than you, as well, should be concerned. We understand that Mr. Mele has a lot of pull (Favor) in regards to this project. Not good. The reason we moved to this city was because of low crime rates and the homey feeling we felt we needed after moving down from Arizona. Lately, we here of increasingly more crimes in our community. Also, instead of you guys approving more family oriented projects, we see more

apartments going up. A total waste of a pristine City. We sincerely hope you, and you're colleagues, do the right thing and reconsider this Hotel boondoggle from moving forward.

Thank you kindly,
Mr. Revera

Dear Vice Mayor Welch,

My name is Kathy DeArmas and I reside at 4170 NW 22nd Street in Pond Apple III.

This letter is about the proposed WoodSpring Suites extended stay hotel planned for the Strada Plaza property located at 4888 Coconut Creek Parkway, at the corner of Lyons Road and Coconut Creek Parkway.

I am strongly opposed to this project being built in my community. Having researched the WoodSpring Suites and Choice hotels brand and others like it, I am aware that extended stay facilities like this can potentially bring increased crime, increased traffic, decreased property values, and blight to communities where they exist. Poorly planned for and unanticipated "drains" on city services such as Police, Fire Rescue, Water and Sewer as well as infrastructure are common complaints in those communities.

Further, I believe that a property like this is inconsistent with Coconut Creek's "Living Green" philosophy for community development, and an environmentally poor choice for the site.

Lastly, I have two young grandsons who also live in the community at 4224 NW 22nd Street. I want them to be able to experience growing up in a safe community where they can run and play and be kids without having to worry who is lurking outside.

I ask that you vote NO to the special land use and site plan development application submitted by WoodSpring Suites at this site.

Very respectfully yours,
Kathy DeArmas

Dear Commissioner Welch-

I would like to express my opposition to the approval of the building of the Woodspring Suite Facility which I believe will not enhance our city. I have done research on this company and have stayed at their facility up north in VA (a mistake I will not make again) and in my opinion they will bring no value to our great city. Please note I am in the construction industry and I am pro "good" growth and know this area can be developed with a more reputable company. From what I understand they will not be adding any significant beauty to the area and will not be using any "green" building codes to coincide with the city's efforts.

I applaud our CCPD and even though our crime rate isn't the most desirable they work extremely hard in protecting us and this development will only further stretch their resources.

I ask that this proposal be voted down on June 28 and a more suitable development be sought for this property.

Thank you for all your hard work for making Coconut Creek such a nice place to live!

Respectfully,

Hello Mayor Rydell and fellow Commissioners,

My name is Ralph Edo and I live at 5050 Stagecoach Dr in Banyan Trails. I purchased my home new in 2002 some 16 years ago. I'm a retired Fire Lieutenant from Pompano Beach Fire Dept, currently on the Board for Banyan Trails HOA, and a past member of the City's CERT team. I'm very active in my community and neighborhood.

While I OPPOSE the building of the Woodspring Suite Hotel for the various reasons like everyone else does in the Creek, my reason for this E-Mail is how the PNZ can change Zoning for BIG

COPORATIONS and deny a law abiding 16 years resident improvements to my home, Let me explain..

I went before the City with my plat survey in hand to obtain a permit to extend my exsisting Screen room by a few feet. I live on a lake in the townhouse section of Banyan Trails. I was denied because of a setback being too close to my property line.....NO one can EVER build on the lake and the part that they failed me on was the overhang of the roof. That overhang does not even interfere with the tree that was planted by the builder back in 2002 inside of my property line. I fully understand if there was another townhouse behind me but there NEVER will be one. There is plenty of easement for any lake management or utility to enter the property. Remember, there is a builder planted tree outside of the overhang of the proposed screen room roof addition.

This proposed extention would bring added value to my home which in turn makes my assessment higher which means more taxes for the city,

I met with Liz Agular, Principle Planner for the city back in April who reviewed my case and told me that I can appeal the decision at a cost of \$250 just to speak my case with no guarantee of a change. There also are 2 different sets of surveys on file with different setbacks?????

I hope to hear back from all of the Board. Hopefully, one of you might even visit me so you can see how ridiculous the PNZ rule is.

I Thank You in advance and I hope to speak to someone soon.

Subject: Woodspring Suites in South Creek

Good evening,

I am writing to express my opinion on the Woodsprings Suites proposed for Coconut Creek Parkway and Lyons Road. My name is Jamie Redmond and I have lived at 4320 NW 12th Street, Coconut Creek, FL 33066 since 2002.

I bought a home and moved to this city to raise my family and start a life in a city that valued green space and environmental preservation. I appreciate all that Coconut Creek has stood for.

In the past 16 years, my city has seen lots of changes...some good, some bad. In researching census data I have learned that our density exceeds that of Broward County. While Coconut Creek has given South Creek a community center and is expanding and renovating Windmill Park, it is also allowing multifamily housing to increase at an alarming rate. Townhouses by the Promenade, luxury rentals right next to that, new luxury rentals being built on Sample west of Lyons...these developers are clogging our streets, crowding our schools, and taxing our resources.

Now, our PnZ rolled over, no questions asked and approved almost 50% more cheap rooms for Woodsprings Suites than the city quietly approved in 2006 with what seems like little regard for impact on our city. This cheap, temporary housing will not bring value to our city. It will not attract tourists to our little city miles from the beach. It will not attract business travelers who are looking for restaurants and shopping while they are here for work. It will attract people who cannot afford first, last, and security. It will allow 2 60lb dogs per room. It will bring questionable residents across the street from our parks, our schools, our homes.

Please consider this request with one question in mind. If this was across the street from my home, would I say Yes?

Thank you for your time.

Sincerely,

Jamie Redmond

I am writing as a concerned resident of Coconut Creek regarding the proposal/approval of the WoodSpring Suites Hotel.

As a community that prides itself on family, safety and being one of the "best cities to live in America", I find it very difficult to understand why you would approve a low tier extended stay hotel that will cater to people that can't afford to rent or buy in our city. I guarantee that local social service agencies will also use the hotel as a temporary shelter or housing for the people they work with (addicts, homeless adults, parolees etc.) Just so you know, I have worked in social services for many years and have helped all of the above people. I also know first hand the challenges and struggles they bring to their environments. I have a 12 year old son and I work hard as a single mother to provide him with a safe environment to live (which isn't easy in this area anymore due to houses prices etc.)

Please help me understand how this will benefit our city and the residents that currently live here and those that will look to live here in the future. I don't see this adding any value to our city or property values.

Again, please help me understand what our city will be gaining by approving this project.

Thank you,

Monique Zelman

Dear Mayor

I am writing to inform you that thousands of your constituents are very unhappy with the plan to put a Woodspring Suites hotel in Coconut Creek.

My name is Natalie Golbitz. I am the president of Karanda Village VI in the Township. After speaking with many of my neighbors, who are very opposed to this project, reading articles regarding the Woodspring brand, and reading online reviews from others who have had experience with this hotel chain, I am impelled to write to the commissioners and ask "what are you thinking"? How can

you even contemplate contaminating our town with the crime and traffic this will bring to our community? I do not think I am overstating that the idea that "this won't happen here" is ridiculous. Increased traffic is a certainty in an already congested area. And according to other police localities, calls regarding illegal activities increases with this kind of extended stay facility. You may have had an altruistic idea for providing rooms for low cost, but the outcome will not please anyone. A wait and see attitude will not work here.

Please, reconsider your decision and act with wisdom and forethought to the future of Coconut Creek. The voters are NOT happy with the council decision.

My name is Jan Edwards. I reside at 2553 NW 42 Ave. I am President of the Golden Raintree I HOA Association located in the Township development and represent fifty-two (52) residents.

This letter is specifically about the proposed WoodSpring Suites extended stay hotel planned for the Strada Plaza property located at 4888 Coconut Creek Parkway, at the corner of Lyons Road and Coconut Creek Parkway.

The home owners of Golden Raintree I strongly oppose this project in our community. Research prove this type of facility impacts three (3) major components of the community, 1) crime, 2) traffic and 3) property values. If this project is approved the citizens of Coconut Creek will witness fiscal vandalism that impact our city services such as Police, Fire

Rescue, Water and Sewer. Low cost-extended properties tend to attract a particular clientele with the type of misdemeanors that automatically place our residents in a precarious posture. Those misdemeanors include, petty theft, prostitution, public intoxication, simple assault and trespassing. Furthermore, this proposed property is in close proximity to three (3) schools some attended by minor children, a Recreation Complex, a playground and a large senior citizens complex. With these negative components what value does the city gain by approving this project? We must also factor in the safety of the residents especially seniors and children?

I moved to the City of Coconut Creek in 1994 because of the vision and mission of the city. Approving this project is inconsistent with Coconut Creek's overall philosophy for community development specifically, creating a unique life-style for residents.

On behalf of the home owners of Golden Raintree I, we ask for a no vote to this special land use and site plan development application submitted by WoodSpring Suites the parent company of WoodSprings Hotels.

Respectfully submitted on behalf of the unit owners of Golden Raintree I
Jan Edwards
President, Golden Raintree I Board of Directors

Jan,

Good morning. I wanted to write to the city commission regarding the proposed extended stay hotel just down the road from us. My wife and I just bought our first condo a little over a year ago in Coconut Creek. We rented for two years in Coco Parc when we first moved here. We love everything about the community. It's clean, friendly and an atmosphere where we feel comfortable raising a family - which for us will be coming in July! My concern with the proposed hotel is that those feelings of being a community will begin to shatter all to bring in a few extra dollars to some property owner that has become desperate. We do not need a filthy extended stay to come to our great area of South Florida. Upon moving down here, I actually had to stay at the one in Deerfield for 6 weeks before finding a rental. What a terrible place to live. Shady people in and out at all hours, loitering in the parking lots and trash always left behind. This is not what our community needs. Coconut Creek is too beautiful of an area to attract this riff raff.

Please, as a new young family, we do not want this in our community!

Dear Director of Sustainable Development/Assistant City Mgr.,

I started a petition to you titled *No Hotel*. So far, the petition has 99 total signers.

You can post a response for us to pass along to all petition signers by clicking here:

The petition states:

"I am most definitely NOT in favor of a hotel of any type being built behind Walgreen's at the SW corner of Lyons Road and Coconut Creek Parkway. This would increase traffic which is already heavier than it has ever been on Lyons Road. An extended residence hotel also will bring in an element to our area that is not needed. Additionally, this is an area with local schools and is already over crowded. We have no need for a hotel in this space. No Hotel....Please!"

There are already 2 hotels in Coconut Creek. A third hotel is not necessary, particularly not an extended stay hotel, which will without a doubt bring increased crime to our city. The proposed location of this hotel is terrible - across the street from the community center, near an elementary school and residential neighborhoods. Our town is already bursting at the seams, our schools are overcrowded, traffic on Lyons Road is a nightmare, and the number of traffic accidents has increased substantially in the past few years. We love our city. Please VOTE NO to this proposed extended stay hotel.

Subject: Concerned Resident of Coconut Creek

Dear City Clerk Leslie Wallace May,

My name is Suzzan Volk, I live in the 'Hammocks Lake Forest' condominium. I have been a long time resident of Coconut Creek and a very proud citizen of our beautiful city. I am very concerned about Woodspring Suites Extended Stay facility being built behind Walgreens on Lyons Rd.

We have so much traffic in this area, we have 3-4 schools in this area, speed limit is 40 on Lyons road and not too many people obey this, speed limit is 35 on Coconut Creek Parkway and again not too many law abiding citizens obey this. Children run through traffic against lights.

There are not enough police to handle the complaints that this Extended Stay Facility is going to create. There are other Woodspring Suites and research has been done on these properties. Nothing good is coming out of them. In Lake Worth over 300 police calls to their address since 2017.

>BSO Commander and 20-year Coconut Creek resident, David Robshaw said and I quote, "Make no mistake, these extended stay hotels attract a substrate clientele that no one wants around. These include prostitutes and drug dealers – I'll say it as it is. These locations from my personal experience are disproportionately served by police response and I'm curious as to why this question has not been raised. "

Elected officials- You, will make a final land use decision at their June 28th City Commission meeting. The elected body can either say 'no' on behalf of constituents and residents who have voiced strong concerns against the project, or say 'yes' to Woodspring Suites and I say next elections I will have no problem on who to vote in or out of their esteemed offices.

This is sent to all Commissioners and City Manger and Assistant City Manager of Coconut Creek.

This is a letter with an attachment from the West Melbourne Police Department that I requested today pertaining to the Woodspring Suites located at 4650 West New Haven Ave, West Melbourne. This hotel is rather new, and yet you will see there is plenty of police activity at the address. The records are from 11/2017 thru current.

Sincerely,

Ronald Troum

Good afternoon,

Attached is a call listing for the address you have provided. This is everything we have in our system as of today. I do not believe this hotel has been open for a year.

Thank you

Subject: Crime and Incident Information

Hello,

I am trying to find out how many crimes/incidents have occurred at the Woodsprings Suites Hotel at 4650 West New Haven Ave., West Melbourne. The dates I would be looking for would be from June 1, 2017 to current (basically one year's worth).

I am not looking for any personal information, just researching the hotel chain itself, as we have one that wants to build down here in Coconut Creek, Fl. (Broward County).

Any information would be helpful,

Thank you,

Ronald Troum

Has anyone seen a sign along either coconut creek Blvd. or Lyons Road that advises there will be a hotel being built here? I have not, but I was told by a commissioner that there IS a sign posted. If anyone sees it, please post here. Not the sign, just that they saw it because I really can't find it.

The hotel affects all of our property values. It can also affect our safety or children's safety. It has proven to be a bad thing in Lake Worth. I thought the whole idea of this site was to help keep our community nice, safe and productive. Also to help each other out with the day to day like find a dog or a paver. And it isn't a done deal until the meeting on the 28th. That is why everyone is scrambling to assemble and protect our homes. We haven't much time.

Bill Nickoloff there are far too many posts on here already regarding this topic. All people have to do is read the other threads for information. New ones are posted every day, so it clogs up the forum. It should all be discussed on one thread and then I and others can unfollow that particular thread.

If your really that curious, ask residents of Southeast Hollywood who have dealt with motels along US1. I moved to Coconut Creek because it was a CLASSY community. I intend to keep it that way. Growing up, I frequently saw police cars arresting people day and night at these places. I have no interest having another one of these in my neighborhood now, and I will work hard to get this crap out of here. My kids don't need to see what turning a trick looks like.

Look forward to working with people against this development. I hope as a county commissioner I can enact ordinances that require public approval for these types of issues.

If you go on the nextdoor app - Margate is trying to fight a similar development of a property - the person in charge of the fight = had door hangers made to put on people's doors - he said they are fairly inexpensive to do - I thanked him for his suggestion - Ronald Troum and Sarah Phelps

Phyllis Cambria

Ronnie-Lee, I don't think they would like it either but when a letter was supposedly sent out to Wynmoor residents, very few contacted the City disapproving. I don't think they understand what is happening. The man in charge of the project came to Wynmoor and the HOA approved of it - or at least didn't protest it. That's why we all either have to go to the June 28th meeting or write or call the City commissioners and tell them "no!"

Marilynn Stoloff

4:40pm May 30

Phyllis Cambria your message about Wynmoor is misleading. First I attend meetings at Wynmoor and we are 44 different Condominium Associations, not at HOA. I have not received a letter regarding the proposed project. We have discussed our concerns with our Commissioner Mikkie Belvedere. As I would expect those with the loudest voices are saying NIMBY, not in my back yard.

I am writing to you as a concerned resident to voice my absolute disapproval and with the possible building of the Woodspring Extended Stay, in the location of Coconut Creek Parkway and Lyons. All that hotel will bring is trash to our neighborhoods. I do not want to go into a lengthy email, I just want to provide my feelings against this hotel, and I will be attending the meeting on June 28 at 7:00pm at City Hall to donate my 3 minutes of time to the individuals who are speaking on behalf of the residents whom are against this. I just hope that as our elected city officials, you make the right moves in regards to making sure the residents get their voices heard, and this is not just for business and money making purposes.

Thank you for your time and attention.

Hello Becky,

I hope that all is well with you.

My name is Meredith Salkey & I live in Coconut Creek with my family. We recently moved in this area because we found this area very safe to raise our children. We moved here from Miami Gardens, in efforts to move away from crime, such as drug dealing, prostitution, etc. When I learned that this motel is projected to be built near my house, my husband & I immediately

thought that this is a terrible idea. Although, this will generate money and temporary housing, our community will not be safe. Please take into consideration the parks, especially WindMill park, our schools, the community center and shopping centers. Please do not build this extended stay in this area. It will bring crime.

Please take this email into consideration.

If you have further questions or concerns, please feel free to contact me at 786-925-5741.

Best Regards,

Meredith Salkey, MBA

Subject: Crime and Incident Information

Hello,

I am trying to find out how many crimes/incidents have occurred at the Woodsprings Suites Hotel at 4650 West New Haven Ave., West Melbourne. The dates I would be looking for would be from June 1, 2017 to current (basically one year's worth).

I am not looking for any personal information, just researching the hotel chain itself, as we have one that wants to build down here in Coconut Creek, Fl. (Broward County).

Any information would be helpful,

Thank you,

Ronald Troum

Subject: Extended Stay Motel

Hello,

This email is to express our discontent and express how much we are against the plans to build an extended stay motel in basically our back yard.

I have been a resident of Coconut Creek for over 10 years and recently purchased a home in Coco Palms. I stayed in Coconut Creek for its quietness and beauty in comparison to our neighbor towns such as Pompano and Margate.

I am afraid that an extended motel will bring undesirable issues to our area and as a result lower our property value. I am also concern for my safety as I tend to be alone in my home for most the week. No longer will I feel safe to take my dog for evening walks. As I am sure you are all aware, we are very close to exits from both the Turnpike and I95 which will add a new group of people to stay within walking distance to our home with no idea of who they are and what kind of background they have.

Thank you for your attention and hope our concerns are viewed and valued as tax paying residents of Coconut Creek.

Becky,

I was just made aware of the plans to possibly put a motel near our community at Cocopalms, just south of Coconut Creek Parkway off of Lyons. I would like to voice my concern as to what that would most likely lead to in the future. We have chosen to buy a house in Coconut Creek so our kids will have a great place to grow up. I know for fact that over the long term these type of places, extended stay motels for cheap, can bring in the most nefarious types of individuals. I used to work as a photojournalist for the local news and almost every extended stay type of motel that I had to visit for news related purposes was always for something bad. Things such as prostitution (adult and children), drug related crimes, meth fires, homicides, theft, assaults, money laundering and the like. I have never been to one of these types of motels for any good reason. I do understand that not all of the people that stay at one of these motels are bad people, but with a pretty big park and community center right across the street from the proposed location, I can only imagine the type of foot traffic through the park from east of the turnpike to this motel. I drive almost everyday east on Coconut Creek Parkway and have seen various vagrants meandering around that area. Not to mention on Blount Rd. where the jail resides. I love Coconut Creek mostly because it feels like a small town

tucked around the bigger cities. I don't want to see anything be put in place that could jeopardize the wonderful city that we call home.

Thank you for your time,

Hello Becky

I am writing you this email about the new extended stay projected building plans to express my concerns about having this type of accommodations so I am writing you this email about the new extended stay projected building plans to express my concerns about having this type of accommodations so close to our home.

We moved to the Coco Plum development 8 years ago and the city continues to flourish and expand its beautiful parks and events. I feel this type of establishment would be a step backward for a family neighborhood.

I realize and can't begin to understand the full scope of your challenges as our leader in this community but implore you to please reconsider this project and look for another project to put in that space.

Sandy,

Thank you very much for your time today and listening to our concerns regarding the proposed Extended Stay hotel to Coconut Creek. I know that your schedule is hectic and I appreciate that you set aside the time to hear our concerns today.

I just wanted to re- cap some of what we discussed today and why we think it is so important to vote no on the amendment for land use on June 28th. I have been a resident of Coconut Creek for 20 years and have enjoyed raising 3 children here. We have been actively involved in school through PTA and the city through recreational sports such as softball, baseball, and soccer. I

have enjoyed getting to know the residents in our city. Recently, my neighborhood has seen a spike in renters and I have personally experienced seeing a difference in how that affects our small development. I do not want a hotel of that size to bring in more transient people so close to home. We now have a beautiful community center on Lyons Rd that boasts its concerts in the park and is a wonderful uniting factor for residents. This would be directly across the street with a hotel filled with people who are transient. They are not residents and do not have the same vested interest in our city as we do.

*Site plan was originally approved for 88 rooms. Now amendment is to expand to 122 rooms. To my knowledge, there have been no recent traffic studies done to show that the location can support that added traffic volume. I believe the last traffic study was done back in 2006. Our city has grown tremendously since then and I am concerned that the roads wouldn't be able to support the added traffic without creating an undue burden on its residents.

*I am also concerned that a hotel added to that area would cause an increase in strain to our police department. We were told that their employees only work until 10:00 PM. Commercial properties by nature, tend to have a higher crime rate. I would also be interested to see if the city has done a cost/benefits analysis to determine the financial drain this could cause to our police department.

I am also concerned that by voting to expand the number from 88-122 would enable a hotel to be built that would not be able to maintain their capacity. At the P and Z meeting it was stated that Extended Stays draw people that are traveling for business such as traveling nurses. North West Medical Center doesn't have a traveling nurse program and when physicians do come in from out of town, they are usually put up on the beach for their stay. We don't have any large corporations in Coconut Creek that would be able to fill the hotel for business. As a result, I fear that either the rates will be lowered to draw in an undesirable clientele or the owners will decide to sell to any low rate motel willing to buy. Neither are good choices for the residents. This location is already within a couple of miles from 3 separate adult entertainment establishments.

I will be looking into these questions and look forward to expressing my concern at the June 28th meeting.

I'm asking you to vote no to the amendment to expand the 88 room hotel to 122 rooms. I do not think that would be in the best interest of the city.

Thank you again for your time today. Your dedication to listening to citizens' concerns speaks volumes to your dedication to our city.

Sincerely,

Melissa Fisher

Subject: LONG STAY HOTEL PROPOSED DEVELOPMENT IN COCONUT CREEK

Dear Sir/Madam,

I have been a resident of Coconut Creek for the last 16 years. I have seen the city grow with new rental developments, some of which many people disagree with as they will only bring more traffic, all kinds of individuals, some of which are not into the best interest of our city. We are also concerned about the collapse of our limited services with so many new people coming and going. I'm talking about all the apartment complexes recently built, and now the proposed 122 rooms extended stay hotel behind Walgreens in Coconut Creek Pkwy, which I understand has an approval for only 88 rooms.

This is an area where our children go to school, play at parks and feel safe so far. Many of us are concerned about our safety and disapprove of this new development. We want to keep our children safe, the traffic under control, and our services to be sufficient for the permanent residents in the area.

I understand there is a meeting on June 28th where we can voice our discontent, however we cannot vote. I think the residents of Coconut Creek should have a saying as this will affect OUR lives in every way.

I have to think that those of you that approve of this project don't live in the neighborhood, otherwise you wouldn't be supporting it. We are proud of our city and we like living here, but these developments are not good for our families. Please do not allow this in our city. We would welcome a shopping center plaza such as The Promenade, a park, or anything that will benefit our families, but a long stay hotel is not good.

Sincerely,

Nitza Ramos

Dear Mayor Rydell,

I wanted to reach out to implore you to not vote the extended stay project. As a resident and Realtor living in South Creek I've been fighting hard to improve values in our area. Its bad enough that our high school is one of the worst in the county and this extended stay would absolutely destroy values in South Creek. I'll be attending the Town Hall meeting on June 28th and plan to bring as many outraged homeowners as possible. This would be a terrible, terrible thing for our area and I hope that this truly doesn't happen.

WE ARE CONCERNED AND YOU SHOULD BE TOO!

A 122 room, 4-story inexpensive extended-stay is trying to move into our neighborhood on the corner of Coconut Creek Parkway and Lyons.

Extended-stays like Woodspring...

- ... are tremendous drains on police services!

Woodspring Suites - CRIME REPORTS. I did a quick Google search on their planned extended stay facilities around the country. In less than five minutes I found crime reports from 13 of their facilities including Murder, Armed Robbery, Human Trafficking, Prostitution, Drugs, Bombs (found but not detonated), Arson, Drug Overdoses, Kidnapping and Child Abandonment!!!! I plan to bring copies of those newspaper clippings to the meeting to present to the CC Commission,

Hello,

My name is Albert Gavett. I am a Coconut Creek resident since December 1998. I live in the Township, Pond Apple Place II at 4407 NW 22nd Rd. I am writing to express my concerns about the purposed project to build an extended stay motel (Woodspring) on the southwest corner of Lyons and Coconut Creek Parkway behind the Walgreens. I am completely against this being built. I do not believe that this project will in any way enhance the beauty of our lovely city. I do not believe this project will help our city to progress as a quality community. Quite frankly, I'm not happy with a lot of the development projects I see proposed (land south of Promenade on Lyons) but that's another issue for another day. I see the Woodspring project adding no real value to our quality of life in Creek. The traffic in the area is already a problem. How does the city propose to deal with that? Is there a plan in place to handle this and other issue that may arise to the cities infrastructure? I will be attending the June 28th meeting to support those other residents who are also opposed to this project and to hear what plans the city may have.

I do want to say that I really do enjoy living in Coconut Creek and I believe the city has done a good job on a lot of projects to help beautify the area (i.e. the medians on Lyons Rd between Coconut Creek Parkway and Sample Rd, park restorations etc.etc). I look forward to enjoying more years of quality living here. I just don't believe that the current Woodspring project is good for our city.

Sincerely,
Albert Gavett

Subject: Proposed Woodspring Hotel

As a concerned resident of Coconut Creek, I attended the Planning and Zoning meeting on Wednesday, May 9th. It was acknowledged at the start of the meeting that Commissioners Tooley, Sarbone, and Belvedere were present.

Regarding the agenda item of Woodspring Suites, I remain concerned about the vote to allow the previously approved plan for a hotel at the intersection of Lyons Road and Coconut Creek Parkway to be expanded to increase the originally planned number of rooms. I observed with interest the developer's presentation and the comments taken from the community members who spoke out against the development of an extended stay hotel in our community. After hearing from everyone present, the motion to pass the agenda item was approved with no discussion among the planning board. It appears that the concerns of the residents who spoke out against this project were not addressed at all by the city, but rather the developer was permitted to rebut the comments citing general data and not adequately addressing the concerns about traffic, public safety and the impact on our city resources.

Is this how the City Commission will be doing business on June 28th when the issue of the planned extended stay hotel will be on the agenda? Will the residents actually be listened to by the Commission, or is this project a "done deal" as it appeared to be at the planning meeting? Will the residents of Coconut Creek be heard as is permitted by the meeting protocols or will they be listened to as dictated by the democratic process that governs us?

I intend to be present and speak in opposition to this project going forward without the adequate data such as a needs assessment, impact on community resources and safety concerns being provided to the residents. This information should not come from the developer but rather from the systems that will be impacted such as public safety, roads and traffic, schools and the community.

Sincerely,

Linda Laviano

Hello Chief & Commissioner, we attended the zoning meeting yesterday regarding the Woodspring Suites project. Land was approved in 2005 for an 84 room hotel, now the ZB approved an increase to 122 suites. A number of people spoke about crime at these type of hotels. A retired BSO Officer testified that he dealt with a very high number of calls at Woodspring in central Florida. The representative for WS stated that he strongly disagreed with this. He said that he has looked into properties in Lake Worth & Deerfield Beach and there was no increased crime. He also stated that he spoke with you Chief and that you had no concerns. Attached are the call sheets for LW WS location. Please review and get back to me if you would. Sandra please forward to the zoning board, they were blatantly lied to.

Dear Sir/Madam:

This letter is about the proposed WoodSpring Suites extended stay hotel planned

for the Strada Plaza property located at 4888 Coconut Creek Parkway, at the corner of Lyons Road and Coconut Creek Parkway.

We are strongly opposed to this project being built in our community. Having researched the WoodSpring Suites and Choice hotels brand and others like it, we are aware that extended stay facilities like this bring increased crime, increased traffic, decreased property values, and blight to communities where they exist. Poorly planned for and unanticipated “drains” on city services such as Police, Fire Rescue, Water and sewer as well as infrastructure are common complaints in those communities.

Further, we believe that a property like this is inconsistent with Coconut Creek's “Living Green” philosophy for community development, and an environmentally poor choice for the site.

We ask that you please vote no to the special land use and site plan development application submitted by WoodSpring Suites at this site.

Sincerely,

Linda Gilkes

Dear Commissioner Belvedere:

My name is David Robshaw and I reside at 1832 NW 48 Terrace, Coconut Creek. My phone number is 954-914-5028.

I am writing to express my opposition to the WoodSpring Hotel proposed for development at the intersection of Lyons Road and Coconut Creek Parkway, behind the Walgreen's. As you know, this is an "extended-stay" style hotel. A property like this - located in what is predominately a residential neighborhood and the "education corridor" - is simply not a good fit.

1. Extended-stay hotels are notorious magnets for crime. Simple internet searches for keywords "extended stay hotel crime" reveal a host of problems endemic to these properties.
2. Their "low rates" coupled with full kitchens allow longer term stays by clients who are not subject to the same background checks and rules a longer-term rental would require. An example: The WoodSpring Hotels brand allows up to TWO 80 POUND DOGS in EACH ROOM! This is NOT your typical hotel room.
3. Once allowed in, properties like these are difficult for a city to shed, and over time, they contribute to a blighted appearance and the perception that the areas where they're located are "in decline." That results in REDUCED PROPERTY VALUES.
4. Negative impacts to city services, i.e. police and fire rescue, and to local traffic are certain. What isn't certain is "Who will pay for them?"
5. There is insufficient justification for this property because there is little need in this area for supplemental lodging for industrial, educational, or hospitality applications.

For these reasons, I urge you to VOTE NO to the WoodSpring Hotel development in Coconut Creek.

Please make this email correspondence part of the official record of public comment on this matter.

Yours sincerely,

David

Dear Ms. Belvedere,

It is with disappointment and concern that we have read about the possibility of a Woodspring Suites Extended Stay hotel be allowed to be built at the corner of Coconut Creek Parkway and Lyons Road.

It should not be necessary for us to remind you that the project's builder has not been forthcoming as to the community safety of similar projects they have built in the past. Nor should you ignore the warning of BSO Commander and Coconut Creek resident, David Robshaw, shared at the P&Z May meeting.

We moved to Coconut Creek to get away from the higher crimes that moved into our Pompano Beach neighborhood. We want to keep our Coconut Creek community safe as our "forever home" in our final years.

Please vote "NO!" when the land use for this project comes to a vote on June 28, 2018.

Subject: Woodspring Suites in South Creek

Good evening,

I am writing to express my opinion on the Woodsprings Suites proposed for Coconut Creek Parkway and Lyons Road. My name is Jamie Redmond and I have lived at 4320 NW 12th Street, Coconut Creek, FL 33066 since 2002.

I bought a home and moved to this city to raise my family and start a life in a city that valued green space and environmental preservation. I appreciate all that Coconut Creek has stood for.

In the past 16 years, my city has seen lots of changes...some good, some bad. In researching census data I have learned that our density exceeds that of Broward County. While Coconut Creek has given South Creek a community center and is expanding and renovating Windmill Park, it is also allowing multifamily housing to increase at an alarming rate. Townhouses by the Promenade, luxury rentals right next to that, new luxury rentals being built on Sample west of Lyons...these developers are clogging our streets, crowding our schools, and taxing our resources.

Now, our PnZ rolled over, no questions asked and approved almost 50% more cheap rooms for Woodsprings Suites than the city quietly approved in 2006 with what seems like little regard for impact on our city. This cheap, temporary housing will not bring value to our city. It will not attract tourists to our little city miles from the beach. It will not attract business travelers who are looking for restaurants and shopping while they are here for work. It will attract people who cannot afford first, last, and security. It will allow 2 60lb dogs per room. It will bring questionable residents across the street from our parks, our schools, our homes.

Please consider this request with one question in mind. If this was across the street from my home, would I say Yes?

Thank you for your time.

Sincerely,

Jamie Redmond

My name is Jan Edwards. I reside at 2553 NW 42 Ave. I am President of the Golden Raintree I HOA Association located in the Township development and represent fifty-two (52) residents.

This letter is specifically about the proposed WoodSpring Suites extended stay hotel planned for the Strada Plaza property located at 4888 Coconut Creek Parkway, at the corner of Lyons Road and Coconut Creek Parkway.

The home owners of Golden Raintree I strongly oppose this project in our community. Research prove this type of facility impacts three (3) major components of the community, 1) crime, 2) traffic and 3) property values. If this project is approved the citizens of Coconut Creek will witness fiscal vandalism that impact our city services such as Police, Fire Rescue, Water and Sewer. Low cost-extended properties tend to attract a particular clientele with the type of misdemeanors that automatically place our residents in a precarious posture. Those misdemeanors include, petty theft, prostitution, public intoxication, simple assault and trespassing. Furthermore, this proposed property is in close proximity to three (3) schools some attended by minor children, a Recreation Complex, a playground and a large senior citizens complex. With these negative components what value does the city gain by approving this project? We must also factor in the safety of the residents especially seniors and children?

I moved to the City of Coconut Creek in 1994 because of the vision and mission of the city. Approving this project is inconsistent with Coconut Creek's overall philosophy for community development specifically, creating a unique life-style for residents.

On behalf of the home owners of Golden Raintree I, we ask for a no vote to this special land use and site plan development application submitted by WoodSpring Suites the parent company of WoodSprings Hotels.

Respectfully submitted on behalf of the unit owners of Golden Raintree I

President, Golden Raintree I Board of Directors

This is sent to all Commissioners and City Manger and Assistant City Manager of Coconut Creek.

This is a letter with an attachment from the West Melbourne Police Department that I requested today pertaining to the Woodspring Suites located at 4650 West New Haven Ave, West Melbourne. This hotel is rather new, and yet you will see there is plenty of police activity at the address. The records are from 11/2017 thru current.

Subject: Crime and Incident Information

Hello,

I am trying to find out how many crimes/incidents have occurred at the Woodsprings Suites Hotel at 4650 West New Haven Ave., West Melbourne. The dates I would be looking for would be from June 1, 2017 to current (basically one year's worth).

I am not looking for any personal information, just researching the hotel chain itself, as we have one that wants to build down here in Coconut Creek, Fl. (Broward County).

Any information would be helpful,

Thank you,

Ronald Troum

Dear Mayor

I am writing to inform you that thousands of your constituents are very unhappy with the plan to put a Woodspring Suites hotel in Coconut Creek.

My name is Natalie Golbitz. I am the president of Karanda Village VI in the Township. After speaking with many of my neighbors, who are very opposed to this project, reading articles regarding the Woodspring brand, and reading online reviews from others who have had experience with this hotel chain, I am impelled to write to the commissioners and ask "what are you thinking"? How can you even contemplate contaminating our town with the crime and traffic this will bring to our community? I do not think I am overstating that the idea that "this won't happen here" is ridiculous. Increased traffic is a certainty in an already congested area. And according to other police localities, calls regarding illegal activities increases with this kind of extended stay facility. You may have had

an altruistic idea for providing rooms for low cost, but the outcome will not please anyone. A wait and see attitude will not work here.

Please, reconsider your decision and act with wisdom and forethought to the future of Coconut Creek. The voters are NOT happy with the council decision.

Subject: Woodsprings Hotel Discussion

Hi Terrill,

Hope you are doing well. I've come across an item related to the Woodsprings hotel that I would like to discuss. I believe it is a very material issue overlooked by city staff. I do not know how to deal with it or even if I'm right. I believe I am right so I think it needs to be discussed sooner rather than later.

The entire package is based on a special land use approved in December of 2006. According to 13-35 of the municipal code - that approval expires 18 months after approval if no permits have been pulled for the special land use - I believe it says for the principle structure of the special land use. It could be extended for 1 year. The address of the hotel site in county land records is 4888 Coconut Creek Parkway. I did a search on the city's permit web site and no permit has ever been opened for that site. At the longest possible term the original special land use expired around June 2008.

The application indicates the plat is zoned for a special land use of an 86 room hotel and asks to increase to 122 rooms. In my view that means the application for a special land use based on existing special land use is not legal. This is not an original application for a 122 room hotel. I believe it would be a competent and substantial issue that the commission would be required to vote no on the application.

Please let me know when we can discuss.

Regards,
Steve

Hello.

Each of you have written regarding the hotel project and have indicated that you would like to meet.

The formal hearing of this matter is on June 28th at 7:00pm. As I said in my previous correspondence, I encourage you to be there.

I will be at City Hall (commission chambers building) available to discuss your concerns and our options on Tuesday evening (tomorrow) at 6:00pm.

I look forward to seeing and meeting each of you.

Regards,
Lou

Subject: LONG STAY HOTEL PROPOSED DEVELOPMENT IN COCONUT CREEK

Dear Sir/Madam, J(osh Rydell, Sandy Welch, Becky Tooley, Lou Sarbone, Mikkie Belvedere)

I have been a resident of Coconut Creek for the last 16 years. I have seen the city grow with new rental developments, some of which many people disagree with as they will only bring more traffic, all kinds of individuals, some of which are not into the best interest of our city. We are also concerned about the collapse of our limited services with so many new people coming and going. I'm talking about all the apartment complexes recently built, and now the proposed 122 rooms extended stay hotel behind Walgreens in Coconut Creek Pkwy, which I understand has an approval for only 88 rooms.

This is an area where our children go to school, play at parks and feel safe so far. Many of us are concerned about our safety and disapprove of this new development. We want to keep our children safe, the traffic under control, and our services to be sufficient for the permanent residents in the area.

I understand there is a meeting on June 28th where we can voice our discontent, however we cannot vote. I think the residents of Coconut Creek should have a saying as this will affect OUR lives in every way.

I have to think that those of you that approve of this project don't live in the neighborhood, otherwise you wouldn't be supporting it. We are proud of our city and we like living here, but these developments are not good for our families. Please do not allow this in our city. We would welcome a shopping center plaza such as The Promenade, a park, or anything that will benefit our families, but a long stay hotel is not good.

Sincerely,

Nitza Ramos

Subject: Proposed Woodspring "Extended Stay" Hotel

Mayor, Vice Mayor, and Commissioners:

My name is David Robshaw and I reside at 1832 NW 48 Terrace, Coconut Creek. I have lived at this residence for twenty years. My phone number is (954) 914-5028. You may reach me at any time if you have questions.

I spoke briefly during last night's "public comments" at the Planning and Zoning Board meeting, opposing the special land use application to allow a 122 room Woodspring Hotel to be located at the corner of Lyons Road and Coconut Creek Parkway, behind the Walgreens. I am concerned that the quality of life for current permanent residents who live in Coconut Creek will be significantly and negatively affected by the development of such a property in our neighborhood. My concerns are shared by many of my neighbors.

I am a retired Broward Sheriff's Office commander and served in both the Pompano Beach and Tamarac contract municipalities while in that capacity. Both of those cities had "extended stay" style hotels and I became well-familiar with them in my official role because of the *disproportionate number of calls for police service* at those locations. (These properties are similar to the property proposed by Woodspring). Activity at both locations involved crimes like drug use, human-trafficking (prostitution), thefts, and assaults, and general interdiction issues like fights, domestics, and the like.

While rebutting my comments and concerns, the developer's attorney assured the board and city staff members that Coconut Creek's police department had weighed in sufficiently on the matter of this approval. I have a simple question that wasn't answered: *Has the City of Coconut Creek evaluated police activity, i.e. calls for service, at "extended stay" locations recently in neighboring municipalities?* Of course, this question raises a host of corollary questions depending on the answer... like, if there are disproportionate calls for service at places like this, who pays the freight?

I'm not sure what the P.D.'s "weigh in" was, or if it was even recent. Did they "weigh in" when the zoning was first approved for the Strada development in 2005, thirteen years ago? How about recently? I think it only prudent for the city's leaders to conduct a thoughtful and careful survey of the potential problems these properties pose, before allowing it to become established here.

There are many available stories online about the issues these "low-rent" extended stay properties perpetuate. Some are listed here:

If “grandmas” and “grandkids” were the predominant patrons at extended stay hotels, as posited by one of the chain’s executive’s at last night’s meeting, it’s unlikely that they would receive so much police attention.

Finally, when the Strada development was originally proposed and zoning approved thirteen years ago for a slightly smaller “hotel,” I’m pretty sure the approval wasn’t for an “extended stay” property. I think the developer is taking advantage of the language in the earlier approval to replace an apple with an orange.

Yours constructively,

David Robshaw

Subject: Proposed Woodspring Extended Stay

I attended the zoning board meeting last evening where the Woodspring Extended Stay Hotel was brought up for approval. I am not up on procedure, but I believe that the zoning board may have been voting on the acceptability of the Woodspring plans as far as meeting zoning standards is concerned. It is my understanding that the City Commissioners have the final say on whether Woodspring is given the go-ahead on their project. I encourage our city commissioners to vote NO on this request.

On the topic of honesty, the Woodspring presenter specifically stated that they do not do one night stays but rather two to three week stays. During the discussion it became clear that they actually do allow one night stays. So I am not confident of their presentation's forthrightness. It was their job to put the best face on the project. If one night stays are so repellant that they have to be obfuscated then why would we want a cheap facility that offers one night stays across the street from our Community Center where children of all ages play and next to a school that houses at risk students?

My question last evening, which was spur of the moment and not well phrased was, Why, if according to the presenter, 122 rooms is standard for a facility of this type, did they first come forward requesting an 88 room facility? Did they bring forward the 88 room request because it would be easier to get passage and then plan to up their request as plans moved forward? I'm not sure, but I felt that no matter what last evening's results were, we were approved for an 88 room extended stay facility. So the question was could they increase their room count to 122. I see no reason to approve this increase in room count. As many of the speakers stated, we do not have an influx of private nurses or training events looking for one to two week housing. Coconut Creek is not a vacation spot. It is a residential community with a small town vibe. We do have the Casino in town and I have no information on whether Casino visitors are clamoring for one to two week housing. Relatives visit but I am not aware of any large demand for housing for our family guests. Homeowners in transition might want temporary housing, but 88 rooms would surely more than satisfy their needs. What is the purpose for increasing the room count?

I did not hear any green building codes discussed in reference to this project. I believe we no longer enforce the Leed standards, but I read somewhere that there was a different green building standard that we were supporting.

I believe recently that the property owners refused to sell this property to the city for our new fire station. At that time it was described as "the perfect site". Now they are interested in making a big profit by selling to an undesirable tenant. They are clearly not interested in the betterment of our city, but rather motivated by profit.

If an 88 room extended stay is already a done deal, then I am encouraging you not to increase the room count. If the extended stay type facility is not a done deal, then I feel like the city can do better by its citizens. No residents want a cheap housing facility inserted into our community.

Thank you for considering my concerns.

Subject: Proposed Woodspring Hotel

As a concerned resident of Coconut Creek, I attended the Planning and Zoning meeting on Wednesday, May 9th. It was acknowledged at the start of the meeting that Commissioners Tooley, Sarbone, and Belvedere were present.

Regarding the agenda item of Woodspring Suites, I remain concerned about the vote to allow the previously approved plan for a hotel at the intersection of Lyons Road and Coconut Creek Parkway to be expanded to increase the originally planned number of rooms. I observed with interest the developer's presentation and the comments taken from the community members who spoke out against the development of an extended stay hotel in our community. After hearing from everyone present, the motion to pass the agenda item was approved with no discussion among the planning board. It appears that the concerns of the residents who spoke out against this project were not addressed at all by the city, but rather the developer was permitted to rebut the comments citing general data and not adequately addressing the concerns about traffic, public safety and the impact on our city resources.

Is this how the City Commission will be doing business on June 28th when the issue of the planned extended stay hotel will be on the agenda? Will the residents actually be listened to by the Commission, or is this project a "done deal" as it appeared to be at the planning meeting? Will the residents of Coconut Creek be heard as is permitted by the meeting protocols or will they be listened to as dictated by the democratic process that governs us?

I intend to be present and speak in opposition to this project going forward without the adequate data such as a needs assessment, impact on community resources and safety concerns being provided to the residents. This information should not come from the developer but rather from the systems that will be impacted such as public safety, roads and traffic, schools and the community.

Sincerely,

Linda Laviano

Subject: Proposed Woodspring Suites
Strada - 4848 Coconut Creek Pkwy
Lyons Rd & Coconut Creek Pkwy

This email summarizes the disappointing Coconut Creek zoning board meeting on May 09, 2018 at 7:00 p.m., and my concerns about a proposed hotel project. Specifically, the zoning board approved a modification to add 36 rooms to the existing approved zoning for an 86-room hotel (zoning board approved for 122 rooms). The original approval for a hotel was part of a larger project for a medical complex. The hotel was intended to be used primarily by patients and their families.

Information Provided at The Meeting

At the zoning meeting the Woodspring's Dennis Mele and a regional representative made some disturbing statements. For example:

- A retired BSO Sheriff with 30 years of law enforcement experience testified that this type/brand of proposed hotel had strained his department due to the high number of calls.
- The lobbyist indicated/responded that he:
 - Contacted the Lake Worth and Deerfield Beach Police Departments and was told that they did not have a problem with excessive calls from the property. He also testified that he spoke to the Coconut Police Department and was told that the department had no concerns with Woodspring Suites.
 - I Contacted Chief Arenal (CCPD) and asked him if he had spoken to any representative from W.S. He stated that he had no such conversation with anyone from W.S.
 - The following day one of the attendees contacted the Lake Worth Police Department. Lake Worth PD (LWPD) swiftly, supplied their call sheets. Refer to the "Criminal Activity" section of this document for more information.

Problems With This Project:

1. Low-cost extended-stay properties often attract questionable clientele. Such clientele brings crime and blight. Examples include but are not limited to guests that cannot qualify for a rental property due to bad credit, no rental history, drug activity, and criminal records.
2. Although this property would be residential in nature, no background checks would be conducted. That may result in violent felons, pedophiles and sex offenders living there, undetected. There are rooms available that accommodate 3-4 people. This would allow shared monthly rent for as low as \$500.00 per person.
3. These types of properties are usually located in business or industrial areas. The proposed property would not be in such an area. In fact, it is in close proximity to several areas of concern. Most, if not all, are within walking distance:
 - a. Three schools attended by minor children.
 - b. Coconut Creek High, Coconut Creek Elementary and Dave Thomas Education Center. These two schools have a large number of students that commute using public transportation at the intersection of Coconut Creek Pkwy & Lyons Road.
 - c. The Coconut Creek Recreation Complex, a playground, and a city park are located directly across the street. These beautiful community gathering places offer numerous youth programs and camps.
 - d. Coco Parc, a large condominium complex, as adjacent to the proposed property. Minor children live in Coco Parc. Wynmoor is also within walking distance and is residence to an elderly population. The Township is also residence to hundreds of children. Other residential neighborhoods are also within a short walk or drive.
4. The hotel brand allows up to two 80-pound dogs per room. The small grass area designated for pets will not accommodate so many dogs. We could face numerous health issues.

5. There are no personnel on duty after 10:00 p.m. there is someone who has a room on property. I contacted several locations to verify this.
6. This location is also in close proximity to:
 - Broward County Jail
 - Several adult entertainment venues
 - Other areas known for high volume prostitution
7. I have reviewed their properties across the country they're basically the same design, they look like prisons. We should be improving the architectural foot print in Coconut Creek, not adding unsightly buildings.

Criminal Activity

The Lake Worth Police Department had over 300 calls to the property in a little more than a year. A basic analysis of the data provided by the LWPD shows some disturbing information. George Santayana said, "Those who cannot learn from history are doomed to repeat it." If he was correct, Coconut Creek should be very concerned about approving such a property within its city limits:

Call Type	Number of Calls
Domestic	35
Disturbance	25
Suspicious Person	20
Civil Matter	17
Assault	17
Suspicious Incident	16
Man Down OD	11
Man Down unknown	8
Beverage Incident	6
Dead Person	5
Sexual Assault	3

Pond Apple Place II President Wallace Plutsky and Pond Apple Place I President Lisa Yurkin requested to be signatories on this document. Thank you for taking the time to review the above information.

Dear City Clerk Leslie Wallace May,

My name is Suzzan Volk, I live in the 'Hammocks Lake Forest' condominium. I have been a long time resident of Coconut Creek and a very proud citizen of our beautiful city. I am

very concerned about Woodspring Suites Extended Stay facility being built behind Walgreens on Lyons Rd.

We have so much traffic in this area, we have 3-4 schools in this area, speed limit is 40 on Lyons road and not too many people obey this, speed limit is 35 on Coconut Creek Parkway and again not too many law abiding citizens obey this. Children run through traffic against lights.

There are not enough police to handle the complaints that this Extended Stay Facility is going to create. There are other Woodspring Suites and research has been done on these properties. Nothing good is coming out of them. In Lake Worth over 300 police calls to their address since 2017.

>BSO Commander and 20-year Coconut Creek resident, David Robshaw said and I quote, "Make no mistake, these extended stay hotels attract a substrate clientele that no one wants around. These include prostitutes and drug dealers – I'll say it as it is. These locations from my personal experience are disproportionately served by police response and I'm curious as to why this question has not been raised. "

Elected officials- You will make a final land use decision at their June 28th City Commission meeting. The elected body can either say 'no' on behalf of constituents and residents who have voiced strong concerns against the project, or say 'yes' to Woodspring Suites and I say next elections I will have no problem on who to vote in or out of their esteemed offices.

Dear Ms. Bowers,

I just wanted to express how disappointed I was with the meeting Wednesday night. Not that the P&Z ruled in favor of the Extended Stay, but how it was done. I am very knowledgeable on Robert's Rules of Order and thought the meetings were run that way. It was a rude awakening to see how these meetings were run. And how rude the citizens are treated.

Mr. Miele who represented the hotel actually had the audacity to point out to all of you that he had a problem with the petition (but never pointed the problem out). I would like to point out that the city sent out only 125 letters to citizens but we handed you a petition with over 175 signatures, which was obviously ignored. I'd like to know from you if there was some kind of problem with the petition? If there was, why wasn't I informed?

Mr. Miele and his friends were permitted to speak endlessly and anytime they felt like walking up to the dais. And I could not get 2 extra minutes. Shameful....and not how Robert's Rules works. And the fact that the board believed this guy when he kept changing his story? And while Coconut Creek citizens spoke, him and his lady friend joked and read a magazine?

Either way, I respect the process, but I will be prepared next time. I'm not only ashamed of how my city treats citizens that actually show up and care, but also at myself for not realizing I was about to be bamboozled (no other word I could think of).

I look forward to the next City Commission meeting.

Sincerely,
Ronald Troum

Dear Sandy,

I have lived in South Creek for forty -eight years. I have seen many changes during that time. A strawberry patch became the Hale Plaza. A tomato patch became Windmill Park (what a lovely addition that was). The lazy Lyons Road with a canal running beside became a major north south roadway. Schools popped up along what is now called the Education Corridor. Rossmoor, now Wynmoor, was built providing condominiums in a beautifully landscaped site. The cattle grazing land behind South Creek became apartments. At no time have I felt that the city erred significantly in their choices for developing a city with a home town feel. There was never an exclusive feel to our area. We had mixed housing offerings and along with that we had a feeling of community. A group of families continued the Santa tradition where you congregated with your neighbors on the corner while awaiting the arrival of Santa. The Women's Club continued to support our college bound children with scholarship funds. Neighbors got together and built the Donaldson Park facility. To put it simply, we were a family oriented area with a small town feel.

At no time in our history have I felt that we were heading in the wrong direction more than today. Placing an extended stay hotel in the middle of the Education Corridor, placing the opportunity for voyeurs to be on the periphery of our lovely Community Center playground and next to our alternative education facility seems to be a grave error. I am adamantly opposed to this facility being built in the Hale Plaza.

I am sure that the Hale property owners are very anxious to get their money out of their undeveloped land. However, when the city approached them about purchasing the property for our new fire station they were not interested. Indeed some commissioners stated that that would be the ideal place for our new station. But Hale was not interested. Now that they have found a sub-standard buyer they expect the city to just give up the ambience of our area and invite all manner of mischief into the heart of our community. Please vote no on the extended stay facility proposal. You have the power to maintain the high standard of forward growth or to begin the downward slide of our neighborhood. Thank you for considering my concerns.

Marianne,

At the meeting Wednesday night Mr. Miele stated that there was no crime at the Woodsprings Suite. I think he told a bit of a tall tale on that one. This info has been forwarded to the Chief of Police in Coconut Creek. I contacted Lake Worth police (County Sheriff) and attached is 13 pages of incidents at the Woodsprings Suites there. This in just one year! I will be investigating further, as I believe the planners were bamboozled also. It might take a few minutes to figure out the codes...but there are around 200 incidences! To add to this I contacted the police in Davie, and it turns out there has been crime there also...6 vehicle burglaries, 2 car thefts and "some" domestic abuses.

Sincerely,

Good morning, Commissioner Sarbone:

My name is David Robshaw and I live at 1832 NW 48 Terrace in Coconut Creek, not far from the City Government complex.

I am writing to express my opposition to the development of the WoodSpring Hotel at Lyons Road and Coconut Creek Parkway, about ½ mile from my residence. Extended-stay style hotels like the proposed WoodSpring result in huge impacts on the local communities where they are sited. Because guests are able to extend their stays in kitchen-equipped rooms without limits, these rooms become, in fact, cheap rental units – provided without all the fuss of a background check or HOA rules. That relaxed environment invites problems – and there are numerous communities in the news that regret ever allowing these places in. Local government services are sharply and negatively impacted. Once these places take root, they're hard to remove.

Coconut Creek is a wonderful place to live – I've been in the same house for 20 years and lived in the city for 24 years. My kids grew up here. It's a place where I and my neighbors feel safe and supported, by our city government, our police department, and by the larger community. That perception is important. Thus far, Coconut Creek has

managed "urban sprawl" and "blight" admirably. It's contributed to our feeling of safety and well-being. The introduction of a commercial property like the WoodSpring Hotel threatens our safety, our commutes to work, our property values (as crime spikes), and the FEELING that our town is OUR town. We trust that that feeling is valued in the same way by our city government. We don't need this hotel here. We don't want this hotel here.

I'd like to meet with you soon to further discuss these concerns. Please contact me at your earliest convenience.

Yours constructively,

David

The news about a Woodsprings Extended Stay Facility being built is not good. And the way this whole thing has been handled both by the developer and the city is even worse. I have called several businesses adjacent to the site they want to build this facility. Walgreens got NO NOTICE. Publix..NO NOTICE. The doctor's building which will be right in front of the hotel....NO NOTICE! DAVE THOMAS...

Subject: The WoodString Extended Stay Suites Proposed Project

Dear Sir/Madam:

This letter is about the proposed WoodSpring Suites extended stay hotel planned for the Strada Plaza property located at 4888 Coconut Creek Parkway, at the corner of Lyons Road and Coconut Creek Parkway.

We are strongly opposed to this project being built in our community. Having researched the WoodSpring Suites and Choice hotels brand and others like it, we are aware that extended stay facilities like this bring increased crime, increased traffic, decreased property values, and blight to communities where they exist. Poorly planned for and unanticipated "drains" on city services such as Police, Fire Rescue, Water and sewer as well as infrastructure are common complaints in those communities.

Further, we believe that a property like this is inconsistent with Coconut Creek's "Living Green" philosophy for community development, and an environmentally poor choice for the site.

We ask that you please vote no to the special land use and site plan development application submitted by WoodSpring Suites at this site.

Sincerely,

Linda Gilkes

It's a shame I only received 2 responses to our concerns as residents with respect to the Wood Springs Extended Hotel email I recently sent. We appreciate those who responded and they know who they are. Conversations are going around about our officials not caring about our concerns as residents. I tend to believe that is not true. Again, please make the right choice in rejecting this project and maybe considering a restaurant in that location instead. As I posted in my previous email, the general consensus is that we, as tax payers, want more restaurants and areas of entertainment (i.e. promenade type projects). Projects geared for families as well. C.C. still has some available real estate which can, and should be, used wisely.

Thanks again,
Mr. Revera

To all C.Creek officials,

By now I'm quite sure you have heard of C. Creek residents, like myself, very disappointed with the idea of a Hotel right in our backyard (LYONS/COCONUT CREEK PRKWY). We, as residents, have done research on Wood springs Hotels around the country and have found nothing but bad news. These extended stays always end up becoming a refuge for unwanted guests. We overwhelmingly advise that all of you redact the notion of any Hotel, Motel, or anything of that sort as we have serious concerns for our kids and our homes. If you reside in C.Creek than you, as well, should be concerned. We understand that Mr. Mele has a lot of pull (Favor) in regards to this project. Not good. The reason we moved to this city was because of low crime rates and the homey feeling we felt we needed after moving down from Arizona. Lately, we here of increasingly more crimes in our community. Also, instead of you guys approving more family oriented projects, we see more apartments going up. A total waste of a pristine City. We sincerely hope you, and you're colleagues, do the right thing and reconsider this Hotel boondoggle from moving forward.

Thank you kindly,
Mr. Revera

Dear Mr. Rydell,

During the 2015 election period you vowed to protect Coconut Creek from over-development and to not bow to lobbyists and big business. If you vote for this hotel to be built in South Creek, you will be breaking that vow. I truly believe this is your opportunity to demonstrate that you really care about the well-being of our community and the importance of keeping us safe. Additionally, you had praised our past city leaders for preserving green space and vowed to continue that tradition. To quote you: "That's a big thing for me. I don't think it's about fixing things. I think it's about making sure it stays that way in the next five to 10 years." Well, building this new hotel will CHANGE many things:

- 1.- Traffic in the area, which is already bad during rush hours.
- 2.- The landscape, according to the renderings there is no improvement.
- 3.- Our population, this type of extended stay hotels don't attract the kind of people we want in our neighborhoods.
- 4.- Leadership, we as a community will make sure that the people voting to approve this construction will not be reelected.

This is just to name a few. Please consider my petition and that of many of my neighbors, and vote NO to bring the Woodspring Hotel to Creek.

Thank you for you time and consideration.

Sincerely,

Aloha Balza

Subject: WoodSpring Hotel development

Good morning, Commissioner Sarbone:

My name is David Robshaw and I live at 1832 NW 48 Terrace in Coconut Creek, not far from the City Government complex.

I am writing to express my opposition to the development of the WoodSpring Hotel at Lyons Road and Coconut Creek Parkway, about ½ mile from my residence. Extended-stay style hotels like the proposed WoodSpring result in huge impacts on the local communities where they are sited. Because guests are able to extend their stays in kitchen-equipped rooms without limits, these rooms become, in fact, cheap rental units – provided without all the fuss of a background check or HOA rules. That relaxed environment invites problems – and there are numerous communities in the news that regret ever allowing these places in. Local government services are sharply and negatively impacted. Once these places take root, they're hard to remove.

Coconut Creek is a wonderful place to live – I've been in the same house for 20 years and lived in the city for 24 years. My kids grew up here. It's a place where I and my neighbors feel safe and supported, by our city government, our police department, and by the larger community. That perception is important. Thus far, Coconut Creek has managed "urban sprawl" and "blight" admirably. It's contributed to our feeling of safety and well-being. The introduction of a commercial property like the WoodSpring Hotel threatens our safety, our commutes to work, our property values (as crime spikes), and the FEELING that our town is OUR town. We trust that that feeling is valued in the same way by our city government. We don't need this hotel here. We don't want this hotel here.

I'd like to meet with you soon to further discuss these concerns. Please contact me at your earliest convenience.

Yours constructively,

David

Hello Mr. Rydell,

By now I'm quite sure you have heard of C. Creek residents, like myself, very disappointed with the idea of a Hotel right in our backyard (LYONS/COCONUT CREEK PRKWY). We, as residents, have done research on Wood springs Hotels around the country and have found nothing but bad news. These extended stays always end up becoming a refuge for unwanted guests. We overwhelmingly advise that all of you redact the notion of any Hotel, Motel, or anything of that sort as we have serious concerns for our kids and our homes. If you reside in C.Creek than you, as well, should be concerned. We understand that Mr. Mele has a lot of pull (Favor) in regards to this project. Not good. The reason we moved to this city was because of low crime rates and the homey feeling we felt we needed after moving down from Arizona. Lately, we here of increasingly more crimes in our community. Also, instead of you guys approving more family oriented projects, we see more apartments going up. A total waste of a pristine City. We sincerely hope you, and you're colleagues, do the right thing and reconsider this Hotel boondoggle from moving forward.

Thank you kindly,
Mr. Revera

Subject: woodspring suites hotel & PNZ

Hello Mayor Rydell and fellow Commissioners,

My name is Ralph Edo and I live at 5050 Stagecoach Dr in Banyan Trails. I purchased my home new in 2002 some 16 years ago. I'm a retired Fire Lieutenant from Pompano Beach Fire Dept, currently on the Board for Banyan Trails HOA, and a past member of the City's CERT team. I'm very active in my community and neighborhood.

While I OPPOSE the building of the Woodspring Suite Hotel for the various reasons like everyone else does in the Creek, my reason for this E-Mail is how the PNZ can change Zoning for BIG COPORATIONS and deny a law abiding 16 years resident improvements to my home, Let me explain..

I went before the City with my plat survey in hand to obtain a permit to extend my exsisting Screen room by a few feet. I live on a lake in the townhouse section of Banyan Trails. I was denied because of a setback being too close to my property line.....NO one can EVER build on the lake and the part that they failed me on was the overhang of the roof. That overhang does not even interfere with the tree that was planted by the builder back in 2002 inside of my property line. I fully understand if there was another townhouse behind me but there NEVER will be one. There is plenty of easement for any lake management or utility to enter the property. Remember, there is a builder planted tree outside of the overhang of the proposed screen room roof addition.

This proposed extention would bring added value to my home which in turn makes my assessment higher which means more taxes for the city,

I met with Liz Agular, Principle Planner for the city back in April who reviewed my case and told me that I can appeal the decision at a cost of \$250 just to speak my case with no guarantee of a change. There also are 2 different sets of surveys on file with different setbacks?????

I hope to hear back from all of the Board. Hopefully, one of you might even visit me so you can see how ridiculous the PNZ rule is.

I Thank You in advance and I hope to speak to someone soon.

Subject: WoodSpring Suites project

I am writing as a concerned resident of Coconut Creek regarding the proposal/approval of the WoodSpring Suites Hotel.

As a community that prides itself on family, safety and being one of the "best cities to live in America", I find it very difficult to understand why you would approve a low tier extended stay hotel that will cater to people that can't afford to rent or buy in our city. I guarantee that local social service agencies will also use the hotel as a temporary shelter or housing for the people they work with (addicts, homeless adults, parolees etc.) Just so you know, I have worked in social services for many years and have helped all of the above people. I also know first hand the challenges and struggles they bring to their environments. I have a 12 year old son and I work hard as a single mother to provide him with a safe environment to live (which isn't easy in this area anymore due to houses prices etc.)

Please help me understand how this will benefit our city and the residents that currently live here and those that will look to live here in the future. I don't see this adding any value to our city or property values.

Again, please help me understand what our city will be gaining by approving this project.

Thank you,

Monique Zelman

Dear Ms. Wallace May,

My name is Kathy DeArmas and I reside at 4170 NW 22nd Street in Pond Apple III.

This letter is about the proposed WoodSpring Suites extended stay hotel planned for the Strada Plaza property located at 4888 Coconut Creek Parkway, at the corner of Lyons Road and Coconut Creek Parkway.

I am strongly opposed to this project being built in my community. Having researched the WoodSpring Suites and Choice hotels brand and others like it, I am aware that extended stay facilities like this can potentially bring increased crime, increased traffic, decreased property values, and blight to communities where they exist. Poorly planned for and unanticipated "drains" on city services such as Police, Fire Rescue, Water and Sewer as well as infrastructure are common complaints in those communities.

Further, I believe that a property like this is inconsistent with Coconut Creek's "Living Green" philosophy for community development, and an environmentally poor choice for the site.

Lastly, I have two young grandsons who also live in the community at 4224 NW 22nd Street. I want them to be able to experience growing up in a safe community where they can run and play and be kids without having to worry who is lurking outside.

I ask that you vote NO to the special land use and site plan development application submitted by WoodSpring Suites at this site.

Very respectfully yours,

Kathy DeArmas

Subject: extended stay facility

Dear Mikki,

I am writing to encourage you to vote no on allowing the extended stay facility to be built in the Hale Plaza. This facility does not fit in with the ambience of our community. You, I know, live in Wynmoor. Wynmoor is known for their beautiful landscaping and many recreational areas. Wynmoor fits in with our community ideal. Our community center with its plantings, gazebos and play areas fits in with our community standard. The education corridor gives gravitas to our intent to support an educated populace. So how can an extended stay facility that attracts elements that are not representative of our populace be plopped down right in the middle of our cherished areas? I have lived in South Creek for forty-eight years. I was here before Wynmoor and I attended the meeting where the Rossmoor group presented their pitch for allowing then Rossmoor, now Wynmoor to be built. I have attended all meetings where new developments were presented over the years. No presentation has disturbed me like this newest proposal. Please maintain the family oriented atmosphere of South Creek by voting no on the extended stay facility. Thank you for considering my concerns.
