(PUBLIC HEARING)**

Sustainable Development Deputy Director Scott Stoudenmire reminded the Board of the recent changes to the implementation procedures in the Land Development Code related to public notice requirements in order to provide consistency among the various development applications. He noted that Mayor Joshua Rydell received consensus at the December 13, 2018, City Commission meeting for staff to prepare an amendment to the Code to require public notice to tenants in affected commercial plazas. He read into the record draft language to be added to the Land Development Code. Assistant City Attorney Eve Lewis explained that since drafting the ordinance, staff was recommending a minor amendment, and Mr. Stoudenmire explained that the amendment would require that the proof of public notice to tenants be by posting to the front door of each business within a plaza. Assistant City Attorney Lewis read the amended language into the record. Discussion ensued regarding posting the notice during business hours. Mr. Stoudenmire responded to a question from the Board, noting that the individual tenant notice requirement was in addition to the notice requirements for posting the property with a 4' x 4' sign. Discussion ensued with regard to compliance with the tenant notice requirement.

Chair Young opened the public hearing. There were no questions or comments from the public, and the public hearing was closed.
