Good morning...

I'm excited to submit the attached application for a position on a committee for the City Board.

I live in the Creek and just love it here, but I'm also in the fortunate position to help people purchase their homes here since I'm a Realtor with the oldest and most ethical real estate company in the country.

I will celebrate my 18th year in real estate this October and all but 2 of those years are with Coldwell Banker.

I have noticed a large increase in the amount of people that want to be in Coconut Creek...people of all ages, which is what I love.

Before moving to Florida in 1996 I owned a business in New York City that specialized in golf apparel. I started that business in 1984 with my husband, and it was successful until I closed it in 2001 shortly after my husband, who was 56 years old, passed away. He was my business partner as well and I just couldn't continue that business without him...

I was the designer and sales director of that business and loved it. It was a product that never existed before, in a niche market, that filled a vacancy for something innovative.

That is when I became a Realtor, and the very first year was Rookie of the Year and remain an award winning Realtor until this day.

I hope I can be considered for this position...I'm a graduate of the Coconut Creek Academy and really enjoyed that experience. Looking forward to hearing from you, and thank you for your consideration.
