

2017 Waterway Cleanup

The date for the waterway clean-up is Saturday, **March 4, 2017 from 9:00AM -1:00PM at Donaldson Park** and Coconut Community Center. Nick Williams, Senior Park Ranger will be on site representing the Parks & Recreation Department for any questions that participants may have regarding the event. Those that want to participate in the event can go to www.waterwaycleanup.org or contact Nicole Hoestra at 954 524-2733. Below is some information regarding the waterway clean-up event.

Event Information

Each year the Broward County Waterway Cleanup attracts thousands of volunteers from many neighborhoods and communities throughout the county. People of all ages come out in their boats and along the shores to clean all kinds of debris from the waterways.

All volunteers will receive an official WWCU T-shirt and invitation to the Trash Bash after-party event. The cleanup runs from 9 a.m. to 1 p.m., with the Trash Bash immediately following.

Volunteers must be 14 years of age to be on site without an 18+ adult.

What to Wear:

- gloves (provided, but you may bring your own)
- sunscreen
- sunglasses
- closed-toe shoes
- clothes that you don't mind getting wet and dirty
- rubber type gloves (optional)
- volunteers are encouraged to wear the official Waterway Cleanup T-shirts that will be provided while supplies last

What to Bring:

Each participant must sign the WATERWAY CLEANUP WAIVER. Click [here](#) to download the form and bring with you to your site. Turn in the form when you arrive. Not all sites have access to drinking water so it is recommended that volunteers bring their own bottled water.

COMMUNITY SERVICE HOURS:

Community Service Hours are available for those who need them to fulfill their obligations to schools or other organizations. In order to receive the hours, the volunteer must pre-register online, at the correct participating site and note on the registration form that they will be working toward service hours by checking the appropriate box. Participant must also present the service time record sheet to the site coordinator on the day of actual event.

****Please note:** If the volunteer is not pre registered, MIASF cannot guarantee service hours will be awarded.

SCOUT PARTICIPATION:

In addition to a WWCU T-shirt, pre-registered, participating scouts will receive an official WWCU patch. For more information or to pre-register your entire troop, please select a cleanup site and include a headcount of members and patch mailing address in RSVP comments. You may complete one registration for an entire group, listing names in the RSVP comments section.

PLEASE NOTE: Each participant **MUST** have a completed waiver upon day of event.

Questions? Please call the MIASF office at 954.524.2733.
