AGENDA ITEM REPORT

TITLE:

A DISCUSSION OF THE PROPOSED THIRD AMENDMENT TO THE SCHOOL BOARD OF BROWARD COUNTY INTERLOCAL AGREEMENT.

BACKGROUND:

With a common goal of avoiding future boundary changes and maintaining schools as focal points of our community, municipalities have been working with the School Board staff to explore alternative Level of Service (LOS) options that maximize a school's existing capacity. Representatives from the School Board will be making a presentation on this issue, including the attached *PowerPoint* presentation.
