BACKGROUND:

The Solid Waste Assessment Ordinance (Ordinance No. 2000-28) provides for an annual assessment against single-family residences for solid waste collection and disposal services, facilities, and programs.

DISCUSSION:

This Resolution sets the solid waste assessment rate for the fiscal year beginning October 1, 2018, through September 30, 2019, as \$204.12; imposes the assessment against certain properties within the City of Coconut Creek; and approves the assessment roll provided by the Property Appraiser's Office. This represents a 2.9% increase over the current rate of \$198.36.

RECOMMENDATION:

Staff recommends approval of this Resolution.

FISCAL IMPACT:

Projected funds of \$1,761,351 received from the solid waste assessment are on behalf of and passed through to Republic Services. Of that amount, the City will retain approximately \$500,100 in solid waste franchise fees (Account 01-V32370).
