The City of Margate was contracted to provide fire and emergency medical services response and transport in the City of Coconut Creek until September 26, 2021. If four (4) or more individuals are being requested for the same event, one person will serve in a supervisory capacity and will be charged a fee of fifty-four dollars (\$54.00) per hour. Request for personnel on City-observed holidays would be sixty dollars (\$60.00) per individual. If four (4) or more individuals are being requested on a holiday for the same event, one person will serve in a supervisory capacity and will be charged a fee of sixty-four dollars (\$64.00) per hour. All off-duty requests require a three (3) hour minimum charge.

Should an organization or resident require a fire engine or other equipment for the detail, they will be charged hourly according to the current Federal Emergency Management Agency equipment rate schedule and will require a three (3) hour minimum charge.
