BETWEEN
CITY OF COCONUT CREEK, FLORIDA
AND
AT&T WIRELESS SERVICES OF FLORIDA, INC.
DATED APRIL 8, 1999**

This Second Amendment to the Lease Agreement dated April 8, 1999 (this "Second Amendment") is made this ____ day of _____, 2025 by and between **CITY OF COCONUT CREEK**, a municipal corporation, with its offices located at 4800 West Copans Road, Coconut Creek, FL 33063, as Landlord, hereinafter "CITY" or "Landlord," and **NEW CINGULAR WIRELESS PCS, LLC**, a Delaware limited liability company, successor in interest to AT&T Wireless Services of Florida, Inc., with its principal offices located at 1025 Lenox Park Blvd NE, 3rd Floor, Atlanta, Georgia 30319, hereinafter "TENANT".

WHEREAS, CITY and TENANT entered into the Space Lease Agreement on April 8, 1999, (herein after "Original Agreement"), as amended by First Amendment to Space Lease Agreement dated February 4, 2008, (hereinafter "First Amendment"), and (hereinafter, collectively, the "Agreement"), whereby TENANT leased from CITY a portion of real property located within the City's Lakeside Park (the "Site" or "Lease Premises") and aerial space on the City's telecommunications tower (the "Tower" and/or "Space") at 5555 Regency Lakes Boulevard, Coconut Creek, FL 33073, commonly referred to as Lakeside Park, and more fully described in the Agreement; and

WHEREAS, the parties intend to incorporate and supersede the CITY's previously issued Administrative Approval Letter signed by W. Scott Stoudenmire dated February 6, 2020, approving additional equipment pursuant to TENANT's application dated August 5, 2019 (FL71 AT&T 10070226) and the referenced conditions (i.e. unlabeled exhibits), as a de facto amendment to the parties' Agreement; and

WHEREAS, CITY and TENANT desire to amend the Agreement to provide clarity moving forward and in order to modify the TENANT's equipment on the Tower, which will increase the TENANT's loading factor on the Tower; and

WHEREAS, CITY is willing to allow TENANT to modify and add specified additional equipment within the existing leased space on the City's Tower in consideration of adjustments to the rent payable under the Agreement consistent with the City's sole discretion afforded under Section 11.01, "Modification of Space or Equipment," of the Original Agreement; and

WHEREAS, the parties intend that all terms and conditions as stated in the Agreement, except as amended by this Second Amendment, shall remain in full force and effect, subject only to and superseded by the amendments contained herein in the Second Amendment; and

WHEREAS, the CITY and TENANT have mutually agreed upon the terms and conditions as modified herein and as allowed by Florida law; and

WHEREAS, the CITY has the ability to enter into this Second Amendment to the Agreement as amended, under Florida Law and its Home Rule Powers for the protection of the Public Health, Safety and Welfare of its citizens.

NOW, THEREFORE, in good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree to be legally bound to this Second Amendment as follows:

1. The recitations above are incorporated herein. Language changes to the Agreement as provided in this Second Amendment are depicted as follows: words in strike through type are deletions from existing text; words in underscored type are additions to existing text; and a line of asterisks (***) indicates existing text is not shown.
2. To clearly recognize the TENANT's leased space on the Tower, Section 1.01, "TENANT's Space," of the Original Agreement is hereby amended to read as follows:
Section 1.01. TENANT's Tower Space: Landlord leases to TENANT the certain aerial space, designated by Landlord, at the approximate foot level of the Tower at one hundred (100 ft.) above ground level ("AGL") as depicted on "Exhibit AD," attached hereto and incorporated herein (and referred to as "Tower Space" and/or "Space"), for installation and maintenance by TENANT of equipment of the type listed or described on "Exhibit AD" for wireless communication operations including only those frequencies listed on "Exhibit A-D" or such other frequencies as may be approved by the Federal Communications Commission for TENANT'S use, upon notice to Landlord in writing.
3. To clearly recognize the ground lease and the non-exclusive aerial easement used for TENANT's connection to the Tower, commonly referred to as an ice-bridge, Section 1.02, "TENANT's Ground Space & Connection to Tower," is hereby added within Article I, "Space Leased," of the Original Agreement, to read as follows:
Section 1.02. TENANT's Ground Space & Connection to Tower: CITY shall lease to TENANT approximately five hundred thirty-nine point three square foot (539.3 sq. ft.) parcel of real property ("Leased Premises"), legally described in "Exhibit A-1" attached hereto, and visually depicted in "Exhibit B-1," along with a non-exclusive aerial easement encompassing two feet by twenty-one and one-half feet (2' x 21.5') connecting the Leased Premises to the subject Tower at an approximate elevation of eight feet (8 ft) AGL for cable routing. In addition, TENANT has the non-exclusive right for ingress and egress along the path legally described in "Exhibit A-1" and visually depicted in "Exhibit B-1," seven (7) days a week, twenty-four (24) hours a day, on foot or motor vehicles.
4. To clearly provide for a non-exclusive underground utility easement that connects the Leased Premises to an existing right-of-way, the following Section 1.03, "Utility Easement," is hereby added within Article I, "Space Leased," of the Original Agreement, to read as follows:

Section 1.03. Utility Easement: The CITY shall grant to TENANT, as a provision dependent upon the effectiveness of this lease, a fifteen foot (15ft) Non-Exclusive Utility Easement ("Utility Easement"), that exists as a platted utility easement within Plat Book 157, Page 23, of the Public Records of Broward County, Florida, as visually depicted in Exhibit "B-1," for the sole purpose of installation and maintenance of utility wires, cables, conduits and pipes, under the ground that connects the Leased Premises to the public right-of-way, to wit: Regency Lakes Blvd., aka NW 63rd Road, Coconut Creek, FL. CITY expressly reserves the right to install minor landscaping, irrigation, limited asphalt or concrete parking areas and/or fencing within the Utility Easement, subject to the terms hereof. TENANT expressly accepts its obligation to mark its underground infrastructure therein, consistent with the requirements of Florida's "Underground Facility Damage Prevention and Safety Act," as may be amended. CITY further expressly reserves the right to abandon the platted easement and require TENANT to relocate its utilities within a specified timeframe, which shall not be shorter than one hundred twenty (120) days, at the CITY's sole discretion. If TENANT does not relocate within the specified timeframe, the CITY is hereby granted permission to relocate them. Any reasonable costs actually incurred by CITY to relocate TENANT's facilities will be billed to TENANT and paid within forty-five (45) days of receipt. Notwithstanding the above, any relocation efforts will not restrict TENANT's access to facilities located upon the Property. Upon natural expiration or earlier termination of this Agreement, the Utility Easement provided by CITY will be extinguished, and TENANT shall be responsible at their sole cost and expense for removal of its utilities and other facilities therein. Facilities left within the former Utility Easement by TENANT will be considered abandoned if same are not removed or properly relocated within the time specified by CITY in writing. The City-incurred costs for removal of TENANT's abandoned facilities will be charged to TENANT, and CITY reserves all rights to collect said sums.

5. To clarify the interests controlled by the Agreement, the following Section 1.04, "Overall Property," will be added within Article I, "Space Leased," as follows:

Section 1.04 Overall Property: The Leased Premises, Tower Space, and Non-Exclusive Utility Easement are hereinafter collectively referred to as the "Property," unless the particular context dictates otherwise.

6. To clarify the Initial Term and Renewal Term of this Agreement, Sections 2.01 and 2.02 of the Original Agreement dated April 8, 1999, as well as Paragraphs 1 and 2 of the First Amendment dated February 4, 2008, are hereby all repealed, in their entirety, and replaced with the new Sections 2.01 and 2.02 to read as follows:

Section 2.01. Initial Term: The term of this Agreement shall be five (5) years commencing on January 1, 2008 (the "Commencement Date") and terminating on December 31, 2013 (the "Initial Term").

Section 2.02. Renewal Term. This Lease shall automatically renew for five (5) successive renewal terms of five (5) years each after the Initial Term (the "Renewal Terms"), unless at least sixty (60) days prior to the expiration of the Initial Term or any Renewal Term, either party gives the other party written notice of termination.

7. To clarify the manner of termination for technical incompatibility, the parties agree to add Section 2.04, "Cancellation for Technical Incompatibility," to the Agreement to read as follows:

Section 2.04. Cancellation for Technical Incompatibility. In the event TENANT determines that the Property is no longer technically compatible for its intended use, TENANT shall have the right to terminate this Agreement by providing at least six (6) months' written notice to the CITY together with a termination fee in a sum equal to two (2) years' Rent at the then-payable rate pursuant to the Agreement, as amended.

8. To clarify the TENANT's rent obligations to Landlord in consideration of the modification and addition of TENANT's equipment at the site, the parties agree to repeal Section 3.01, "Payment of Rent," of the Original Agreement, in its entirety, as well as, repeal "Exhibit B" of the Original Agreement, which detailed subsequently modified rent terms, in its entirety, and last to repeal Sections 3, "Modifications of Rent," 5, "Future Rent Increases," and 6, "Expansion of Permitted Use," of the First Amendment, in their entirety, in order to create the new Section 3.01, entitled "Rent," to read as follows:

Section 3.01 Rent: Commencing on the first day of the month following full execution of this Second Amendment and on the first day of each month thereafter, TENANT shall pay Four Thousand Six Hundred Twenty-two Dollars and 00/100 Cents (\$4,622.00) per month for twelve (12) consecutive months totaling Fifty-Five Thousand Four Hundred Sixty-four Dollars and 00/100 cents (\$55,464.00) per year, payable in equal monthly installments ("Rent"). Rent for any fractional month at the end of a Renewal Term shall be prorated. Rent shall be payable to Cityscape Consultants, Inc., the City's Tower Manager, at the address specified in Section 16, herein, as amended from time to time, or to such other person, firm, or place as CITY may, from time to time, designate in writing at least thirty (30) days in advance of any rental payment date by notice given in accordance with the notice provisions herein. The rent thereafter shall increase by twenty percent (20.00%) at the beginning of each Renewal Term, as applicable. Additional tower loading or expansion of ground space will result in additional rent, as may be provided in future amendments hereto.

9. To ensure that TENANT maintains the Property in a manner consistent with the City's Code of Ordinances, a new Section 4.09, "Safe & Workmanlike Condition," will be added to Article IV, "Use of Space by Tenant," of the Original Agreement to read as follows:

Section 4.09. Safe & Workmanlike Condition: TENANT shall maintain the Lease Premises in a safe and workmanlike condition and meet all the requirements imposed by ordinances of the CITY, including but not limited to maintenance of the interior compound area of the Lease Premises including pressure washing of TENANT's shelter, as needed or requested by CITY, and regular landscaping, and to remove weeds and overgrowth, and debris/trash.

10. To clarify the limitation on the City's legal obligation to indemnify Tenant under the Agreement, Section 7.01., "Indemnification," of the Original Agreement is hereby amended to read as follows:

Section 7.01. Indemnification: TENANT assumes all risk of and responsibility for, and agrees to indemnify, and hold harmless the Landlord, the City Commission, its officers, directors, employees, servants and agents (the "Indemnified Parties") from and against any and all claims, demands, suits and proceedings made or commenced by any party against any of the Indemnified Parties, for loss of expenses including attorneys' fees, life, personal injury, loss or damage to property or other damage caused by: (i) the use of Tower or the site by TENANT, its agents, servants, employees or invitees; or (ii) the performance by or carrying out by TENANT, its agents, servants, employees or invitees of any of the terms and conditions of this lease; (iii) the failure of TENANT to perform any term, covenant or condition required to be performed by TENANT under this Lease; (iv) any damage or injury that may occur as a result of any unsafe condition, or of any negligent installation or maintenance of equipment of TENANT or any invitee if such condition or installation or maintenance is the responsibility of TENANT under this Lease; or (v) TENANT's failure to comply with any applicable statute, rule, regulation, order or other standard pertaining to the use or installation of equipment of TENANT or any invitee; and in all such events from and against any and all judgments recoveries, settlements, costs, expenses and losses that may be incurred by the Indemnified Parties as a result of any such claim, demand, suit or proceeding including but not limited to attorney fees, court costs and expenses incurred in responding to or defending any such claim, demand, suit or proceeding. Nothing contained herein is intended nor shall be construed to waive CITY's rights and immunities under the law of Section 768.28, Florida Statutes, as amended from time to time. This Section shall survive the termination or expiration of this Agreement. To the extent allowed by law and subject to the provisions of 768.28 FS, Landlord agrees to indemnify and hold TENANT harmless from all claims (including attorneys' fees and costs), arising or alleged to arise from any act or omission of Landlord, its agents, employees licensees, or independent contractors which occurs during the term of this Lease or alleged to arise from a breach of this Lease by Landlord.

11. To ensure that Section 7.03, "TENANT's Liability Insurance," of the Original Agreement is updated with current language to carry out the wishes of the parties as it relates to liability insurance, the parties agree to repeal Section 7.03, "TENANT's Liability Insurance," of the Original Agreement, in its entirety, and update it to read as follows:

Section 7.03. TENANT's Liability Insurance: TENANT shall carry and maintain commercial general liability insurance, as per form ISO CG 00 01 or equivalent, covering bodily injury and property damage with a combined single limit of One Million and XX/100 Dollars (\$1,000,000.00) per occurrence and Two Million and XX/100 Dollars (\$2,000,000.00) in the aggregate. Such insurance shall insure, on an occurrence basis, against liability of the insuring party and its employees and independent contractors arising out of or in connection with its use of the Property and/or the Tower, all as provided for herein. A material aspect of this obligation to maintain insurance for the duration of Agreement is to protect the CITY against any and all claims for injuries to persons or damages to property to the extent they arise from the TENANT's use of the Property hereunder. Such insurance shall include coverage that insures against any and all claims for damages to persons or damages

to property arising from radiofrequency emissions or specific injuries based on TENANT's uses of the Property. Upon execution of this Agreement, TENANT must provide a Certificate of Insurance evidencing the required insurance issued from a Florida eligible insurance carrier, including CITY as an additional insured by endorsement as their interests may appear under TENANT's commercial general liability insurance policy. Upon receipt of notice of cancellation from its insurer TENANT shall provide City with thirty (30) day written notice of cancellation or non-renewal of any required coverage that is not replaced. TENANT shall require that any contractor or subcontractors who perform work on behalf of TENANT shall maintain at least substantially the same insurance coverages with substantially the same limits as that required of TENANT is required to maintain under this Agreement. Violation of the terms of Section 7.03 and its sub-parts shall constitute a breach of the Agreement, and CITY, at its sole discretion, may terminate the Agreement automatically with written notice to TENANT.

12. Section 15.01, "Notices" as amended in the First Amendment, and in the Original Agreement, is hereby deleted in its entirety, and is amended to read as follows:

 4. **Exhibit D:** Exhibit D is intended by the parties to contain the TENANT's updated equipment listing, frequencies, and diagrams of antenna; as well as the visual depictions of the ground layouts, as authorized by the Agreement.
16. Paragraph 6 of the First Amendment is hereby repealed in its entirety and replaced with the language as follows:

6. Expansion of Permitted Use. In addition to the rights set forth in the Lease, TENANT may modify, supplement, replace, upgrade, expand or refurbish its Radio Equipment, increase the number of antennas thereon, or relocate the communication facility at the Property, at any time during the term of this Lease, with the CITY's prior written consent, not unreasonably withheld. Notwithstanding the foregoing, any modifications to the Lease Agreement shall require an amendment to the Lease.
