## Appendix: Program Fee Calculation Methodology

### CURRENT

#### Youth Recreation/Athletic Program Fee Calculation - Resident Formula:

Step 1 - Calculate Total Staff Hours (Number of program sessions x length of each session) + (Number of program sessions x 0.5 for setup/breakdown)
Step 2 - Calculate Staff Costs Hourly rate (\$30.00 midpoint) x total staff hours ( <i>Assumes maximum participant capacity</i> )
Step 3 - Calculate Supply Costs Total supply cost based on maximum number of participants
Step 4 - Determine Cost per Participant & Resident Fee (Staff costs + Supply cost) / (Maximum number of participants) = Base fee per participant Add 10% to determine resident fee, then round up
Step 5 - Determine Cost per Participant & Resident Fee Add the non-resident program fee to the resident fee (as calculated separately)

#### Youth Recreation/Athletic Program Fee Calculation - Non-Resident Formula:

Program Fee Range	Current Fee
Up to \$19.00	\$5.00
\$20.00 - \$49.00	\$10.00
\$49.00 - \$99.00	\$20.00
\$100.00 - \$149.00	\$25.00
\$150.00 - \$199.00	\$30.00
\$200.00 +	\$35.00

## Adult Athletic League Team Fee Calculation

### Step 1 - Calculate Total Staff Hours

(Number of league games, including regular season, playoffs, and championship × length of each game) + (Number of league games × 0.5 hours for setup and breakdown)

### Step 2 - Calculate Staff Costs

Hourly rate (\$30.00 midpoint) × total staff hours allocated to the league

### Step 3 - Calculate Supply & Officiating Costs

Total supply and officiating costs based on the maximum number of teams

### Step 4 - Determine Cost per Team

(Staff Costs + Supply & Officiating Costs) / total number of teams = fee per team

### Step 5 – Non-Resident Fee

Add a flat non-resident fee of \$50.00 per team

## Appendix: Program Fee Calculation Methodology

### PROPOSED

## Table 1 - Fee Calculation for Individual Youth and Adult Recreation/Athletic Programs

### Step 1 - Calculate Total Staff Hours

(Number of program sessions × length of each session) + (Number of program sessions × 0.5 for setup/breakdown)

### Step 2 - Calculate Staff Costs

Hourly rate (\$30.00 midpoint) × total staff hours

### Step 3 - Calculate Supply Costs

Total supply cost based on maximum number of participants

### Step 4 - Determine Cost per Participant

(Staff costs + Supply cost) / (Minimum number of participants) = Base fee per participant

### Step 5 - Determine Resident Fee

Cost per Participant × 1.10, then round up

### Step 6 - Determine Non-Resident Fee

Resident Fee × 1.50, then round up

## Table 2 – Fee Calculation for Adult Team Athletic Leagues

### Step 1 - Calculate Total Staff Hours

(Number of league games, including regular season, playoffs, and championship × length of each game) + (Number of weeks × 0.5 hours for setup and breakdown)

### Step 2 - Calculate Staff Costs

Hourly rate (\$30.00 midpoint) × total staff hours allocated to the league

### Step 3 - Calculate Supply & Officiating Costs

Total supply and officiating costs based on the maximum number of teams

### Step 4 - Determine Cost per Team

(Staff Costs + Supply & Officiating Costs) / total number of teams = fee per team
