This Fifth Amendment to the Lease Agreement dated May 8, 2008 (this "Fifth Amendment") is made this ____ day of _____, 2025 by and between **CITY OF COCONUT CREEK**, a municipal corporation, with its offices located at 4800 West Copans Road, Coconut Creek, FL 33063, as Landlord, hereinafter "CITY", and **T-MOBILE SOUTH LLC**, with its principal offices located at 12920 SE 38TH Street, Bellevue, WA 98006, hereinafter "TENANT".

WHEREAS, CITY and TENANT entered into the Original Lease Agreement on May 8, 2008, the First Amendment to Lease Agreement dated August 8, 2008, the Second Amendment dated July 14, 2016, the Third Amendment dated January 11, 2017, and the Fourth Amendment dated January 24, 2019 (hereinafter, collectively, the "Agreement"), whereby TENANT leased from CITY a portion of real property located within the City's Winston Park Nature Center (the "Property") and space on the City's telecommunications tower (the "Tower") at 5201 NW 49th Avenue, Coconut Creek, FL 33073, commonly referred to as Winston Park, and more fully described in the Agreement; and

WHEREAS, CITY and TENANT desire to amend the Agreement in order to modify the TENANT's equipment on the Tower, which will increase the TENANT's loading factor on the Tower; and

WHEREAS, CITY is willing to allow TENANT to modify and add additional equipment within the existing leased space on the City's Tower in consideration of adjustments to the rent payable under the Agreement; and

WHEREAS, the parties intend that all terms and conditions as stated in the Agreement, and thereafter amended by the First, Second, Third and Fourth Amendments, shall remain in full force and effect, subject only to and superseded by the amendments contained herein in the Fifth Amendment; and

WHEREAS, the CITY and TENANT have mutually agreed upon the terms and conditions as modified herein and as allowed by Florida law; and

WHEREAS, the CITY has the ability to enter into this Fifth Amendment to the Agreement as amended, under Florida Law and its Home Rule Powers for the protection of the Public Health, Safety and Welfare of its citizens.

NOW, THEREFORE, in good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree to be legally bound to this Fifth Amendment as follows:

1. The recitations above are incorporated herein. Language changes to the Agreement as provided in this Fifth Amendment are depicted as follows: words in strike through type are deletions from existing text; words in underscored type are additions to existing text; and a line of asterisks (***) indicates existing text is not shown.
2. To clearly recognize the property that is currently leased, as well as clarify the existence of a non-exclusive easement area used for TENANT'S connection to the Tower, Section 1.01, within Section 1, "REAL PROPERTY TO BE LEASED," of the Agreement is hereby amended to read as follows:
 - 1.01 CITY shall lease to TENANT that certain an approximately two hundred eighty-nine square foot (289 sq. ft.) specifically (17' x 17'), parcel of real property, situated in Winston Park Nature Center located in Coconut Creek, Broward County, Florida (the "Leased Premises"), together with a non-exclusive ground easement over, under and through the real property that physically connects the Leased Premises to the Tower, specifically a 3 foot wide by 6 foot wide adjacent path, together with the non-exclusive right for ingress and egress, seven (7) days a week, twenty-four (24) hours a day, on foot or motor vehicles along the paved roadways, including trucks, and for installation and maintenance of utility wires, cables, conduits and pipes, under or along a 12 foot wide by 350 foot long right-of-way (more particularly described in Exhibit "B" "A-1," and visually depicted, in Exhibit "B-3") attached hereto and incorporated herein. The leased property consisting of approximately 289 square feet (as shown on Exhibit "B") and right of way for access and utilities are hereinafter referred to as the "Property".
3. To clearly recognize the TENANT'S leased space on the Tower, Section 1.02, within Section 1, "REAL PROPERTY TO BE LEASED," of the Agreement is hereby amended to read as follows:
 - 1.02 CITY further leases to TENANT certain aerial space on the Tower (as defined below) at one hundred feet (100 ft.) above ground level ("AGL") and as shown in Exhibit "BD-3," attached hereto and incorporated herein and referred to as (the "Tower Space").
4. To clearly provide for a non-exclusive underground utility easement that connects the leased space to an existing right-of-way, the following Section 1.03, within Section 1, "REAL PROPERTY TO BE LEASED," of the Agreement is hereby amended to read as follows:
 - 1.03 The CITY shall grant to TENANT, as a provision dependent upon the effectiveness of this lease, a Non-Exclusive Utility Easement ("Utility Easement"), more particularly described in Exhibit "A-1" (and visually depicted in "B-3") for the sole purpose of installation and maintenance of utility wires, cables, conduits and pipes, under the ground that connects the Leased

Premises to an electrical transformer pad on the Land as visually depicted in Exhibit "B-3". CITY expressly reserves the right to install minor landscaping, irrigation, other utilities, limited asphalt or concrete parking areas and/or fencing within the Non-Exclusive Utility Easement, subject to the terms hereof. TENANT expressly accepts its obligation to mark its underground infrastructure therein consistent with Florida's "Underground Facility Damage Prevention and Safety Act." CITY further expressly reserves the right to relocate the Non-Exclusive Utility Easement in the CITY's sole discretion, and will provide notice to TENANT to relocate its underground facilities occupying said space within a specified timeframe. Any costs incurred by CITY to relocate TENANT's facilities will be billed to TENANT and become due at the same time and paid in the same manner as the immediately following rent payment. Upon natural expiration or earlier termination of this Agreement, the Non-Exclusive Utility Easement provided hereunder will be automatically extinguished, and TENANT shall be responsible (at its sole expense) for removal of its facilities therein. Facilities left within the former Non-Exclusive Utility Easement by TENANT or not relocated after Notice to Relocate has been provided under this paragraph, will be considered abandoned if same are not removed or properly relocated within the time specified by CITY in writing. Any City-incurred costs for removal of TENANT's abandoned facilities will be charged to TENANT, and CITY reserves all rights to collect said sums. CITY grants TENANT a non-exclusive right during the term of this Agreement to install, maintain and operate certain wires, cables, conduits and pipes, over the Land necessary to connect TENANT's communications equipment located within the Property to TENANT'S antennae and other appurtenances located within the Tower Space.

5. To clarify the interests controlled by the Agreement, the following Section 1.04, will be added within Section 1, "REAL PROPERTY TO BE LEASED," as follows:
1.04 The Leased Premises, Tower Space, and Non-Exclusive Utility Easement are hereinafter collectively referred to as the "Property," unless the particular context dictates otherwise.
6. To clarify the prior approval of TENANT's permitted installation of a generator, Section 2.03 of the Agreement, is hereby amended to read as follows:
2.03 TENANT shall have the right to install a new 48-kilowatt generator in tenant's existing compound and shall replace the existing perimeter fence with an eight (8) foot a security fence (including private slats) which meets the requirements of the Code of the CITY, a referenced and attached hereto as Exhibit E to the Agreement. A revised site plan showing the generator placement and new fencing is attached hereto as Exhibit D-2, Annex 1 which supplements but does not replace the existing Lease Exhibit D-2. The location of the fencing and placement of the generator within TENANT's Leased Premises are depicted in Exhibit "D-3".
7. To clearly recognize the TENANT'S obligation to conceal its antennae and equipment located on the Tower, the parties agree to add a new section, to wit: Section 2.13,

within Section 2, "DUTIES AND RESPONSIBILITIES OF TENANT," of the Agreement to read as follows:

2.13 TENANT's equipment must be installed in a manner that removes the fewest faux branches, and maintains as many branches per the original design of the monopine structure as reasonably possible. TENANT shall reinstall/restore any dislocated or removed faux branches after installation of its equipment to restore any existing concealment elements at the TENANT's equipment elevation. TENANT's antennas and fixtures are to be painted or colored green and shall use antenna wraps with faux branches which match the color and style of the existing Tower. TENANT's other equipment on the Tower must be painted or colored gray/brown to match the color of the "trunk". TENANT shall ensure that the Tower profile and concealment post-installation is the same as, or better than, the concealment prior to the contemplated modifications.

8. To clarify TENANT obligations regarding use of Hazardous Materials, Section 4.02 of Section 4 of the Agreement, "ACKNOWLEDGEMENT," is hereby amended to add the following sentence at the end of Section 4.02:

"...Notwithstanding the foregoing, TENANT is allowed to install and maintain a diesel-powered electrical generator within the Leased Premises, provided that the fuel storage for same is in an approved double wall above-ground container either independent of the generator or contained within the generator, and/or any such other requirements as are deemed necessary by the City for safety purposes. At all times during the term of this Agreement, TENANT must comply with all regulations for safe storage, reporting, and mitigation/remediation related to this limited exception for use of diesel upon the Leased Premises. TENANT shall be solely responsible for all costs CITY may incur to mitigate or remediate a release of diesel resulting from TENANT's use of diesel under this limited exception, and same shall survive the termination of this Agreement. The City hereby modifies any earlier representations made as they may pertain to fuel and storage on the site, and further clarifies that the City may allow well insulated batteries and safely transported fuel for use by a CITY-approved emergency electrical generator(s) inside the lease premises of other tenants and for CITY's own purposes upon the Land. As such, CITY will not defend, indemnify, or hold harmless anyone under this limited exception.

9. In Section 5, "TERM OF AGREEMENT," of the Agreement, Sections 5.01 and 5.03 are hereby amended to read as follows:

5.01 Term: The Term of this Agreement shall be ten (10) years commencing ~~upon the first to occur: (i) thirty (30) days after the issuance of a building permit for the commencement of installation by TENANT, or (ii) three (3) months from the date of execution of this Agreement by both TENANT and CITY on July 17, 2008~~ ("Commencement Date") and expiring at 11:59 p.m. on the day immediately preceding the tenth (10th) anniversary of the Commencement Date (the "Term") unless otherwise terminated as provided in Section 7 or elsewhere in this Agreement. TENANT shall have the right to extend the Term for ~~two~~ three (23) successive five (5) year periods (the "Renewal Terms") on the same terms and conditions as set forth herein. This paragraph in no way allows any

use or the continued use of CITY's Land without applicable certificate, permit and approval as required by federal, state and/or local authorities.

5.03 ~~Reserved. If, at the end of the last Renewal Term, this Agreement has not been terminated by either party giving to the other party written notice of its intention to terminate at least six (6) months prior to the end of the last Renewal Term, this Agreement shall remain in force and effect upon the same covenants, terms and conditions. The Agreement shall be for annual terms thereafter unless terminated by either party by giving the other party written notice of its intention to terminate at least six (6) months prior to the end of the term.~~

10. Due to the addition of Tenant's new loading on the Tower, Section 6.01 of the Agreement (as was amended through a Second Amendment dated July 14, 2016), is deleted in its entirety and amended to read as follows:

6.01 Rent: TENANT shall pay CITY as rent hereunder, the amounts set forth in this Section 6, together with any applicable State, County, or local taxes. Rent shall be paid in monthly installments in advance, without prior notice or invoice by CITY, on or before the first day of each month and without offset or deduction. Commencing on the first day of the month following full execution of this Fifth Amendment, TENANT shall pay Seventy-Four Thousand Eight Hundred Thirty-Eight Dollars and 44/100 Cents (\$74,838.44) per year payable monthly in the amount of Six Thousand Two Hundred Thirty-Six Dollars and 53/100 Cents (\$6,236.53) ("Rent"). Rent for any fractional month at the end of the Term or any Renewal Term shall be prorated. Rent shall be payable to CityScape Consultants, Inc., the City's Tower Manager, at the address specified in Section 16 herein or to such other person, firm or place as CITY may, from time to time, designate in writing at least thirty (30) days in advance of any rental payment date by notice given in Section 16, herein. Thereafter, the Rent shall be increased annually commencing on July 17, 2026 and on each anniversary of July 17 thereafter during any Renewal Term, at an amount equal to four percent (4%) of the annual Rent in effect for the previous twelve 12 months. Within fifteen (15) days of the Commencement Date and on the first day of each month thereafter, TENANT shall pay to the CITY as rent Thirty Thousand DOLLARS (\$30,000.00) per year payable in equal monthly installments ("Rent"). Rent for any fractional month at the beginning or at the end of the Term or Renewal Term shall be prorated. Rent shall be payable to CityScape Consultants, Inc. at the address specified herein. Thereafter, rent shall be increased annually each subsequent year of the initial Term and each subsequent year during any Renewal Term, at an amount equal to four percent (4%) of the annual rent for the previous 12 months. On the earlier of August 1, 2016 or the date that Tenant begins construction of improvements described in Exhibit D 1, the Rent shall increase by Eight Hundred Thirty Two and 66/100 Dollars (\$832.66) per month, prorated for any partial months.

11. The Rent Abatement consideration previously provided for in the Agreement dated May 8, 2008, within Section 6.02, "Rent Abatement," has concluded and the full Abatement

was realized by TENANT as of May 2015, and therefore Section 6.02 is hereby deleted in its entirety as follows:

6.02 ~~Reserved Rent Abatement: In consideration of TENANT constructing the Tower and tower foundation and providing a bill of sale to the CITY to the Tower and tower foundation upon receipt of a Certificate of Occupancy (or its equivalent), TENANT shall receive a rent abatement in the amount of fifty percent (50%) of Rent to be applied against the Rent for a term sufficient for TENANT to recover its actual costs for and expense of constructing the Tower and tower foundation up to One Hundred and Fifteen Thousand Dollars (\$115,000.00). TENANT agrees to provide the CITY with copies of the actual invoices and payment receipts related to the purchase and construction of the Tower and tower foundation. The rent abatement specified herein will begin on the Commencement Date and continue until TENANT has fully recouped the amount set forth herein.~~

12. To address changes in the Agreement's term, Section 7.04 of the Agreement is hereby deleted and replaced with the language as follows:

7.04 This Agreement will automatically terminate at the end of the last Renewal Term (i.e., after a period of twenty-five (25) years from the Commencement Date).

13. To clarify the City's rights and its public interest in mitigating liabilities, Section 8.03 of the Agreement within Section 8, "INDEMNIFICATION," is hereby deleted in its entirety.

~~8.03 To the extent permitted by law, the CITY agrees to save and hold TENANT, its officers, agents and employees, harmless from and indemnify for any and all claims, damages, liability, losses, causes of action of any nature whatsoever, which may arise out of, in conjunction with or because of the use and occupancy of the Land or the Tower by CITY or its officers, agents, employees or independent contractors or the breach of this Agreement by CITY. Pursuant to the foregoing liability, CITY shall pay all claims, losses, liens, settlements and judgments of any nature whatsoever, in connection therewith, including, but not limited to, reasonable paralegal fees, reasonable attorney's fees and costs to defend all claims or suits, including attorney's fees on appeal, in the name of TENANT when applicable, and shall pay all costs and judgments which may issue thereon at both the trial and appellate levels to defend all suits. This indemnity shall not apply to any claims arising from an act of negligence or intentional misconduct of the indemnified party, its employees, agents or contractors.~~

14. To ensure that Section 12, "GOVERNING LAW: VENUE," of the Agreement is updated with current language to carry out the wishes of the parties as it relates to venue, the parties agree to amend Section 12.02 of the Agreement to read as follows:

12.02 Any claim, objection or disputes arising out of the terms of this Agreement shall be litigated exclusively in the Seventeenth Judicial Circuit in and for Broward County, Florida, and any matters requiring federal review exclusively in the United States District Court for the Southern District of Florida.
