ACCESS EASEMENT AGREEMENT

THIS ACCESS EASEMENT AGREEMENT (the “**Agreement**”) is made effective as of this ___ day of _____, 2026 (the “**Effective Date**”) by **COCOMAR PROPERTY OWNER, LLC**, a Delaware limited liability company, whose mailing address is 788 East Las Olas Blvd., Suite 201, Fort Lauderdale, Florida 33301 (“**Grantor**”), and the **CITY OF COCONUT CREEK**, a Florida municipal corporation, whose address is 4800 West Copans Road, Coconut Creek, Florida 33063 (the “**Grantee**”) (Grantor and Grantee are sometimes together referred to herein as the “**Parties**,” and separately as a “**Party**”).

WITNESSETH:

WHEREAS, Grantor is the owner of certain property located within Broward County, Florida, as described on **Exhibit A** attached hereto (the “**Grantor Property**”), which Grantor Property includes that certain property described on **Exhibit B** attached hereto (the “**Easement Property**”).

WHEREAS, Grantor is constructing (or will construct) a pollinator garden on the Grantor Property (the “**Garden**”).

WHEREAS, Grantee desires to obtain, and the Grantor desires to grant and create, on the terms and conditions hereinafter set forth, a permanent, non-exclusive easement over, under, and upon the Easement Property, to be used in common with the owners from time to time of the Grantor Property and all tenants, guests, invitees, licensees, agents, contractors, subcontractors, partners, representatives, lenders, successors, assigns, affiliates, employees, staff, officers, supervisors, predecessors, subsidiaries, members, managers, directors, insurers, administrators, and executors of such owners (collectively, the “**Grantor Parties**”), all as more particularly described herein.

NOW, THEREFORE, for and in consideration of the mutual covenants and agreements herein set forth and other good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby expressly acknowledged by the Parties, the Parties do hereby agree as follows:

1. **Recitals**. The foregoing recitals are true and correct and are incorporated herein by this reference.
2. **Grant of Easement**. Grantor hereby grants to Grantee, and the other Grantee Easement Beneficiaries (as hereinafter defined), a permanent, non-exclusive easement to be used in common with the Grantor Parties on, over, under, across, and upon the Easement Property for permanent access to and use of the Garden. For purposes of this Easement Agreement, the term

“**Grantee Easement Beneficiaries**” shall mean Grantee, members of the general public, and Grantee’s guests, invitees, licensees, agents, contractors, subcontractors, suppliers, consultants, partners, representatives, employees, and any director, officer, partner, member, manager, affiliate, or subsidiary of the Grantee who need to access the Easement Property for the purpose of accessing and using of the Garden.

3. **Maintenance and Repair.** Grantor shall be responsible, at Grantor’s sole cost and expense, for maintaining, repairing, and restoring the Garden, as applicable, in compliance with all applicable laws, rules, regulations, permits, licenses, leases and approvals, including the Pollinator Garden Maintenance Plan attached hereto as Exhibit C. In the event that Grantor does not perform any such maintenance obligations set forth herein such failure shall be considered a violation of the City Code and persons or property owners found violating the conditions shall be subject to the penalties prescribed by the City Code. Pursuit of code enforcement action notwithstanding, should such maintenance obligations remain unperformed fifteen (15) days following receipt of written notice from the Grantee, then in such event the Grantee shall have the right, but not the obligation, to perform such maintenance at the cost and expense of the Grantor. In the event that the Grantee performs any such maintenance, the Grantor shall pay to the Grantee all costs and expenses incurred by the Grantee, as evidenced by paid invoices setting forth such amounts within thirty (30) days following the Grantor’s receipt of the written demand thereof. Payments required under this section which are not made within 30 days of their due date shall accrue interest at the rate of ten percent (10%) per annum. Grantee shall use the Easement Area in a manner which does not otherwise impede the Grantor Parties’ use of the Grantor Property, excluding ordinary wear and tear and damage by the elements or by Grantor or the Grantor Parties or if otherwise not caused by Grantee or the Grantee Easement Beneficiaries. To the extent Grantee or the Grantee Easement Beneficiaries, during the course of their access to and use of the Garden and the Easement Area, damages Grantor Property (including the Easement Area), Grantee, at Grantee’s sole cost and expense, shall restore the Grantor Property to the same condition that existed prior to such damage in accordance with all laws, ordinances, codes, regulations and engineering standards then in effect, or, at Grantor’s option, Grantee shall reimburse Grantor for any repair or restoration costs for any damage to the Grantor Property.

4. **Compliance With Laws.** Grantee and the Grantee Easement Beneficiaries shall at all times observe in the use of the easement all applicable municipal, county, state and federal laws, ordinances, codes, statutes, rules and regulations.

5. **Liens.** The Grantee Easement Beneficiaries shall keep the Grantor Property (and all portions thereof) at all times free of construction and/or mechanics’ liens, and all other liens for labor, services, supplies, equipment, or materials purchased or procured, directly or indirectly, by or on behalf of or at the direction of any of the Grantee Easement Beneficiaries (or any entity related or affiliated with any of the Grantee Easement Beneficiaries). Grantee agrees that it will promptly pay and satisfy all such liens of contractors, subcontractors, mechanics, laborers, materialmen, and others of like character. In the event any such construction or mechanics’ liens shall be made or filed, Grantee shall bond against or discharge same within ten (10) days after the filing of same. None of the Grantee Easement Beneficiaries shall have any authority to create any liens for labor or material on the Grantor Property (or any portion thereof), and all persons contracting with any of the Grantee Easement Beneficiaries (or any entity related or affiliated with any of the Grantee Easement Beneficiaries) for the performance of any services, supply of any

materials, or provision of any labor for any work done in, on, or around the Grantor Property (or any portion thereof), and all materialmen, contractors, subcontractors, suppliers, mechanics, and laborers are hereby charged with notice that they must look solely to the applicable Grantee Easement Beneficiaries, as applicable, to secure payment of any bill for work done or material furnished at the request or instruction of any of the Grantee Easement Beneficiaries (or any entity related or affiliated with any of the Grantee Easement Beneficiaries). Additionally, in no event shall any of the Grantee Easement Beneficiaries (or any entity related or affiliated with any of the Grantee Easement Beneficiaries) file any notice of commencement against the Grantor Property (or any portion thereof) without the prior written consent of Grantor, which consent shall not be unreasonably withheld, conditioned, or delayed. The terms of this Section 5 shall survive termination of this Agreement.

6. **Amendments and Waivers.** This Agreement may not be amended, modified, altered, or changed in any respect whatsoever, except by a further agreement in writing duly executed by the Parties (or their successors) and recorded in the Public Records of Broward County, Florida; provided, however, that with respect to any portion of the Grantor Property for which a condominium or master homeowners' association then exists, the instrument of amendment shall be executed by such association(s) in lieu of the owner of such portion(s) of the Grantor Property. No delay or omission of any Party in the exercise of any right accruing upon any default of any Party shall impair such right or be construed to be a waiver thereof, and every such right may be exercised at any time during the continuance of such default. A waiver by any Party of a breach of, or a default in, any of the terms and conditions of this Agreement by any other Party must be in writing and shall not be construed to be a waiver of any subsequent breach of or default in the same or any other provision of this Agreement. The terms of this Section 6 shall survive termination of this Agreement.

7. **Indemnity and Insurance.**

(a) **Indemnity.** Grantee shall indemnify and hold harmless the Grantor Parties from any and all liability, loss, or damage, whether monetary or otherwise, including reasonable attorneys' fees and costs (at all trial and appellate levels) and all fees and costs of mediation or alternative dispute resolution, as a result of any claims, liabilities, suits, liens, demands, costs, interest, expenses, damages, penalties, fines, or judgments, against the Grantor Parties which arise out of any use of the Easement Property by the Grantee, including but not limited to loss of life, injury to persons or damage to, or destruction or theft of property, provided however, that Grantee's obligation to indemnify and hold harmless shall not apply to Claims arising from the gross negligence or willful misconduct of any of the Grantor Parties or their agents. The terms of this Section 7(a) shall survive termination of this Agreement.

Nothing contained herein shall be construed as a waiver of the City's sovereign immunity or the limits of liability set forth in Section 768.28, Florida Statutes. The parties acknowledge that the City is a political subdivision of the State of Florida and agrees to be responsible only to the extent provided by Florida law.

To the extent permitted by law and subject to the limitations of Section 768.28, Florida Statutes, Grantee shall be responsible for claims arising from the negligent acts or

omissions of the City, its officers, employees, or agents in connection with the City's use of the Easement Property.

(b) **Insurance.** Grantee shall obtain from reputable insurer(s) authorized to do business in the State of Florida having a rating of at least "A-VII" by A.M. Best Company, unless otherwise approved by Grantor, and provide to Grantor a certificate of insurance evidencing Grantee has obtained, commercial general liability insurance on an occurrence basis with limits of not less than One Million Dollars (\$1,000,000.00) per occurrence and Two Million Dollars (\$2,000,000) in the aggregate (it being understood, however, that the availability of such insurance shall not serve to limit or define the scope of Grantee's indemnity obligations under this Agreement). Grantee shall obtain worker's compensation insurance meeting the legally mandated limits of coverage. The commercial general liability insurance shall be primary and non-contributory as to coverage for claims arising out of the use and any restoration of the Garden within the Easement Area by the Grantee and the Grantee Easement Beneficiaries. The commercial general liability insurance shall contain a waiver of subrogation to the extent permitted by law in favor of Grantor, shall name Grantor Parties as additional insured, shall be occurrence-based, and shall be maintained in full force and effect for so long as the Grantee has access to the Garden within the Easement Area or until termination of this Agreement.

8. **Exercise of Rights.** The rights and easements created by this Agreement are subject to the following provisions:

(a) The Grantee Easement Beneficiaries' exercise of rights hereunder shall be consistent with all applicable laws, rules, regulations, permits, and approvals related in any way to the Easement Property.

(b) Grantor makes no representation that the Easement Property is suitable for the exercise of the rights granted hereunder.

(c) Nothing herein shall be construed to limit in any way the Grantor Parties' exercise of its rights to the Easement Property provided that such exercise of rights does not materially interfere with the use or enjoyment of any rights granted to the Grantee Easement Beneficiaries herein nor frustrate the purpose of Grantee's use of the Easement Area. For example, the Grantor Parties shall continue to have the rights to use the Easement Property or allow the use of the Easement Property by others, in common with the Grantee Easement Beneficiaries, provided that such exercise of rights does not materially interfere with the Grantee Easement Beneficiaries' use or enjoyment of the Easement Property.

(d) Grantor reserves all rights not expressly inconsistent with the easement and rights granted herein, including, without limitation, the right to grant further easements on, over and across the Grantor Property (including the Easement Area) provided that such additional easement(s) does not materially interfere with the use or enjoyment of any rights granted to the Grantee Easement Beneficiaries herein nor frustrate the purpose of Grantee's use of the Easement Area.

9. **Default.** A default by the Grantor or Grantee under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the

right of actual damages, injunctive relief, and specific performance. Without limiting the foregoing, in the event that either Grantor or Grantee fails to perform its obligations under this Agreement, after fifteen (15) days prior written notice from the non-defaulting party reasonably specifying the obligations to be performed (provided, however, that in the event that the default is such that it creates, or fails to render safe, any hazardous situation on the Grantor Property or any portion thereof that threatens life or property on the Grantor Property or any portion thereof, then promptly after prior written notice from the non-defaulting party specifying the obligations to be performed), then the non-defaulting party shall have the right to perform such obligations, whereupon the defaulting party shall be obligated to reimburse the non-defaulting party for the costs so incurred by the non-defaulting party, within thirty (30) days after written notice from the non-defaulting party demanding payment. Payments required under this section which are not made within 30 days of their due date shall accrue interest at the rate of ten percent (10%) per annum.

10. **Enforcement.** In the event that the Grantor or Grantee seeks to enforce this Agreement by court proceedings or otherwise, then the prevailing party shall be entitled to recover all fees and costs incurred, including reasonable attorneys' fees and costs for all trial, alternative dispute resolution, or appellate proceedings. The terms of this Section 10 shall survive termination of this Agreement.

11. **Termination.** This Agreement may not be terminated, except upon a determination by the City that the garden is no longer viable due to lack of use, maintenance problems or other health or safety issues. Notice of the anticipated termination shall be in writing issued by the City to the Grantor, which notice shall provide a reasonable period of time to remove the garden and install the landscaping that was approved in the original site plan for the area. The notice of termination shall be followed by formal termination of this easement duly executed by the Parties (or their successors) and recorded in the Public Records of Broward County, Florida; provided, however, that with respect to any portion of the Grantor Property for which a condominium or master homeowners' association then exists, the instrument of termination shall be executed by such association(s) in lieu of the owner of such portion(s) of the Grantor Property.

12. **Estoppel Certificates.** Grantor may, at any time and from time to time, deliver a written notice to Grantee (or its successor) to execute a certificate certifying (i) that Grantor is not in default in the performance of its obligations under this Agreement, or, if in default, describing therein the nature and amount of any default with specificity, and (ii) other such matters as Grantor may reasonably request. Grantee shall execute and return such certificate within ten (10) business days following its receipt thereof. Failure by Grantee to so execute and return such certificate within the specified period shall be deemed an admission on Grantee's part that Grantor is current and not in default in the performance of Grantor's obligations under this Agreement. Such certificate may be relied upon by all transferees, mortgagees, and security deed holders of Grantor.

13. **Notices.** Any notice, demand, consent, authorization, request, approval, or other communication that any party is required, or may desire, to give to or make upon the other party pursuant to this Agreement shall be effective and valid only if in writing and delivered personally to the other party or sent by express 24-hour guaranteed courier or delivery service or by certified mail of the United States Postal Service, postage prepaid and return receipt requested, or by electronic email addressed to the other party at the addresses set forth below (or to such other place

as any party may by notice to the others specify). Notice shall be deemed given when received, except that if delivery is not accepted, notice shall be deemed given on the date of such non-acceptance. If any time for giving notice would otherwise expire on a non-business day, the notice period shall be extended to the next succeeding business day. Saturdays, Sundays, and legal holidays recognized by the United States government shall not be regarded as business days. Counsel for the Grantor and counsel(s) for Grantee may deliver notice on behalf of the Grantor and Grantee, respectively.
