Dear Mr. Proffitt:

On behalf of Spring Engineering, (“Applicant”), please consider this letter as a summary of neighborhood outreach efforts undertaken in relation to the development applications filed for property generally located on the north side of Sample Road and west side of Banks Road (“Property”) in the City of Coconut Creek, and more specifically identified in the enclosed materials.

At 6:00 p.m. on January 20, 2026, we held an in-person neighborhood meeting at the Al Hendrickson Toyota Property. A mailed invitation was sent to all property owners within 500 feet of the Property. The notification package is attached as **Exhibit A**.

The meeting took place, but no members of the community were present. Nicholas Lingle (Spring Engineering), Jay Doucette (Spring Engineering), and Kelly Ray (Greenspoon Marder) were present on behalf of the development team. The meeting participant list/sign-in documentation is attached as **Exhibit B**. A PowerPoint presentation was prepared and ready for display on a large screen. Although the PowerPoint was not presented due to no attendance, a copy is attached as **Exhibit C**. The meeting concluded at 6:30 p.m. Business cards were provided to the Al Hendrickson Toyota receptionist to provide to any members of the community that may arrive once the meeting ended. Additionally, Applicant’s email address was provided on the mailed notice for the community to provide emailed comments. No comments were received.

Please contact me at (954) 333-4377 if you have any questions or comments regarding this summary letter or the community outreach meetings.
