COREY GUERRERA

PARKS AND RECREATION ADVISORY BOARD

PERSONAL SUMMARY

I have been a proud resident of Coconut Creek for more than 15 years and am deeply engaged in the city's Parks & Recreation offerings both as a parent and a community volunteer. My two elementary-aged children actively participate in local programs, giving me firsthand insight into the positive impact that sports and recreation have on youth development, wellness, and community connection. My family and I regularly utilize city parks, playgrounds, and attend seasonal camps and special events throughout the year. My family participates in all of the Coconut Creek Sports programs, and I've coached in almost all of them. I've brought a passion and positive attitude to those teams, bringing the best of our each and every child participating. I bring a strong professional background in Fitness, Wellness, and Sports Management, holding a Bachelor's Degree in Exercise & Sport Science with a concentration in Fitness & Wellness and a Master's Degree in Sports Management from the University of Florida. I have also coordinated and volunteered at large-scale sporting events, including the Sunshine State Games and United States Specialty Sports Association events at ESPN Wide World of Sports. Having grown up participating in sports, I understand the importance of active lifestyles and the role parks and recreation play in fostering leadership, collaboration, social belonging, and long-term community health. I am motivated to help Coconut Creek continue to grow and promote inclusive, impactful recreational programs that benefit current residents and future generations.

PROFESSIONAL CAREER HIGHLIGHTS

In over 20 years of professional management experience, I have created robust product strategies and executed against them to deliver customer value and exceed organizational goals. I have led and executed 8-figure investment efforts on time, within scope, and under budget. I have led teams of professionals through clear communication, empathy, and a willingness to collaborate to find common ground. As a product management professional, I leverage customer-led discovery, iterative design principles, and data-driven decision-making to enhance customer experiences.

Career Summary

Broward County Public Schools - Assistant Principal
Millennium 6-12 Collegiate Academy

August 2023 to Present

I apply a servant leadership style to promote a strong school climate that is conducive to learning. I support 27 teachers' with in-class modeling, individualized teacher coaching, and classroom walk-throughs to enhance the learning environment for improved student performance. I assess teacher performance, manage student data and referrals, develop safeguards for students and the school and provide students with diverse after-school offerings. I also supervise Exceptional Student Education (ESE), where I am responsible for (5) teachers, (11) paraprofessionals, a 504 counselor, and support staff. This includes hiring, training, evaluating, and counseling staff members to maximize program effectiveness.

Broward County Public Schools - Lead Teacher

August 2003 to August 2023

Deerfield Beach High School

Academy of Finance and DECA Sponsor

Team Leader, Fine and Performing Arts / Career and Technical Education

I created collaborative activities that endorsed soft skills to meet real-world challenges. I coordinated student rewards, guest speakers, college tour field trips, job shadowing programs, and in-school mentoring. As a Club Sponsor I created and organized leadership training activities to reinforce specific workplace skills. I coordinated two school-wide drives, where members collected items for feeder-pattern elementary Head Start programs.
