If any such interference occurs, CITY agrees to eliminate or cause the elimination of such interference with TENANT's operations within a reasonable time after receipt of TENANT's notice of such interference and, if necessary, to cause the interfering party to cease its operations. - 4.01 CITY and TENANT acknowledge that TENANT's ability to use the Property is contingent upon TENANT obtaining, after the execution of the Agreement, all the certificates, permits and other approvals that are required by any federal, state and/or local authorities. In the event that any certificate, permit or approval issued to TENANT is canceled, expires, lapses or is otherwise withdrawn or terminated by a governmental authority, so that TENANT is unable to use the Property for its intended purpose, TENANT shall have the right to terminate this Agreement pursuant to Section 7.01.

- 5.01 Term: The term of this Agreement shall be ten (10) years commencing upon the first to occur: (i) thirty (30) days after the issuance of a building permit for the commencement of installation by TENANT, or (ii) three (3) months from the date of execution of this Agreement by both TENANT and CITY ("Commencement Date") and terminating on the tenth (10th) anniversary of the Commencement Date (the "Term") unless otherwise terminated as provided in Section 7. TENANT shall have the right to extend the Term for three (3) successive five (5) year periods (the "Renewal Terms") on the same terms and conditions as set forth herein.
- 5.02 Renewals: Such extensions shall automatically occur unless TENANT gives written notice to the other party of its intention not to extend this Agreement at least six (6) months prior to the end of the current term.

- 5.03 If, at the end of the last extension term, this Agreement has not been terminated by TENANT giving to the other party written notice of its intention to terminate at least six (6) months prior to the end of the term, this Agreement shall remain in force and affect upon the same covenants, terms and conditions. The Agreement shall be for annual terms thereafter unless terminated by either party by giving the other party written notice of its intention to terminate at least six (6) months prior to the end of the term.

Section 6. CONSIDERATION

- 6.01 Rent: Within 15 days of the Commencement Date and on the first day of each month thereafter, TENANT shall pay to CITY's site manager, Cityscape Consultants, Inc., 7040 W. Palmetto Park Road, Suite 4, PMB 652, Boca Raton, Florida 33433, as rent Thirty-two thousand and 00/100 DOLLARS (\$32,000.00) per year payable in equal monthly installments ("Rent"). Rent for any fractional month at the beginning or at the end of the Term or Renewal Term shall be prorated. Rent shall be payable to the City at the address specified herein. Thereafter, rent shall be increased annually each subsequent year of the initial Term and each subsequent year during any Renewal Term, at an amount equal to the greater of (i) four percent (4%) of the annual rent for the previous 12 months or (ii) the following formula: $((IR - IL)/IL) \times (\text{annual rent for the previous 12 months})$. For purposes of calculating the foregoing formula, the following definitions apply:

"IR" is the Consumer Price Index for the month that is two (2) or three (3) months (which ever is applicable) immediately preceding the month in which annual rent is set to increase.

"IL" is the Consumer Price Index for the month that is twelve (12) months prior to the month used to determine the IR for the applicable lease year.

"Consumer Price Index" shall mean the Consumer Price Index published by the Bureau of Labor Statistics of the United States Department of Labor for All Urban Consumers - Miami/Fort Lauderdale average or shall mean the successor thereto. In the event the Consumer Price Index is converted to a different standard reference base or otherwise revised, the determination of the above formula shall be made with the use of such conversion factor, formula or table for converting the Consumer Price Index as may be published by the Bureau of Labor Statistics, or if the Bureau should fail to publish the same, then with the use of such conversion factor, formula or table for converting the Consumer Price Index as may be published by Prentice Hall, Inc., or any other nationally recognized publisher of similar statistical information. If the Consumer Price Index ceases to be published and there is no successor thereto, such other index as CITY and TENANT may agree upon shall be substituted for the Consumer Price Index, and if they are unable to agree, then such matter shall be submitted to arbitration in accordance with the then existing commercial rules of arbitration of the American Arbitration Association at the American Arbitration Association office nearest CITY.

Prior to each annual rental increase, TENANT agrees calculate the above formula in order to determine whether rent should be increased by 4% or CPI, and to provide such calculations to CITY for review and approval.

- 6.02 Emergency power connection: In consideration of The City providing access and the ability to connect to an emergency power supply, (a 500KW generator on site, when and if available), TENANT will pay a one time access and connection charge of Twenty Thousand and 00/100 DOLLARS (\$20,000.00).

- 6.03. TENANT shall pay all applicable sales taxes, real estate taxes assessed against TENANT's property, utility charges, cost of maintenance, and all other charges and expenses associated with the TENANT's use of the demised premises of this Lease.

Section 7. TERMINATION

- 7.01 Pursuant to Sections 4.01, 4.02 and 5.02 of the Agreement, the TENANT or the CITY may terminate this Agreement by providing a six (6) month written notice prior to the effective termination date.
- 7.02 Prior to the end of each extension or renewal term, TENANT may terminate this Agreement by providing written notice to the other party, pursuant to Section 16, at least six (6) months prior to the end of the current term.
- 7.03 Should TENANT default under any of the terms of this Agreement, CITY may terminate this Agreement for any cause by providing a ninety (90) calendar day written notice to TENANT; however, TENANT shall be given the opportunity to correct any default within forty-five (45) calendar days of receipt of written notice. This Agreement shall not be terminated if such default is of a nature that it cannot be cured in forty-five (45) calendar days and TENANT is diligently proceeding to cure such defect.
- 7.04 CITY may terminate this Agreement at the end of the third (3rd) term (i.e. after a period of 20 years) with sixty (60) days written notice to TENANT.
- 7.05 In the event of termination of this Agreement by TENANT, all rental fees paid prior to said termination date shall be retained by the CITY.
- 7.06 Upon termination, TENANT shall offer CITY first option to purchase certain remaining improvements, including the perimeter fencing and landscaping improvements located on the Property for the agreed upon sum of One Hundred (\$100.00) Dollars. The parties acknowledge that TENANT's equipment is not intended to remain upon termination. CITY shall have ninety (90) calendar days from the effective date of termination in which to exercise this option. Upon termination or expiration of this Agreement, TENANT may remove its equipment and improvements and will restore the Site to substantially the condition existing on the Commencement Date, except for ordinary wear and tear and casualty loss. All METRO PCS equipment shall remain the property of METRO PCS and are not fixtures. In connection with METRO PCS's financing arrangements, CITY waives any landlord's lien on the equipment; agrees the equipment may be removed by METRO PCS without the need for legal proceedings; and agrees the equipment shall be exempt from distress, execution, levy and/or sale for unpaid rent. CITY agrees to execute reasonable documentation to this effect upon request of METRO PCS.
- 7.07 TENANT shall have a reasonable time, not to exceed fifteen (15) days from receipt of notice from the CITY to the TENANT, to correct any safety hazard that exists on the Property after receipt of notice from any appropriate CITY official or designee. Failure to comply with this provision may result in the termination of this Agreement, however, the CITY will extend the time period if the TENANT is making good faith efforts, to the CITY's reasonable satisfaction, to correct said hazard.

Section 8. INDEMNIFICATION

General Information: TENANT agrees to indemnify, save and hold harmless and defend CITY, its City Commission members, officers, agents and employees from any and all claims, damages, liability, losses, causes of action of any nature whatsoever, which may arise out of, in connection with or because of the use and occupancy of the Property by TENANT or its officers, agents, employees or independent contractors under this

Agreement or the breach of this Agreement, by TENANT. Pursuant to its liability, TENANT shall pay all claims, losses, liens, settlements or judgments, of any nature, whatsoever, in connection therewith, including, but not limited to, paralegal fees, attorney's fees and costs to defend all claims or suits, including attorney's fees on appeal, in the name of CITY when applicable, and shall pay all costs and judgments which may issue thereon at both the trial and appellate levels. This indemnity shall not apply to any claims arising from an act of gross negligence or intentional misconduct of the indemnified party

Section 10. ASSIGNMENT

- 10.01 No assignment shall occur without prior written notice to and approved by the CITY Commission. Assignment without the prior written approval of the CITY shall be considered to impair the CITY's assurance of due performance. The granting of approval for an assignment in one instance shall not render unnecessary approval of any subsequent assignment.
- 10.02 For the purposes of determining whether it shall consent to an assignment, the CITY or its agents may inquire into all qualifications of the prospective assignee and such other matters as the CITY may deem necessary to determine whether the assignment is in the public interest and should be approved, denied or conditioned. The TENANT and any prospective

- 10.03 In making a determination as to whether to grant, deny or grant subject to conditions as application for an assignment, the CITY shall consider the legal, financial and technical qualifications of the assignee.
- 10.04 Approval by the CITY of an assignment of this Agreement does not constitute a waiver or release of any of the right's of the CITY under this Agreement, whether arising before or after the date of the transfer.
- 10.05 However, notwithstanding anything to the contrary, TENANT may assign its interest without CITY's prior written consent to its parent company, any subsidiary or affiliate of it or its parent company or to any successor-in-interest or entity acquiring fifty-one percent (51%) or more of its stock or assets, subject to any financing entity's interest, if any, in this Agreement as set forth in Paragraph 17.04 below.
